The Midwife of Venice Roberta Rich.2012-02-14 Not since Anna Diamant's *The Red Tent* or Geraldine Brooks's *People of the Book* has a novel transported readers so intimately into the complex lives of women centuries ago or so richly into a story of intrigue that transcends the boundaries of history. A "lavishly detailed" (Elle Canada) debut that masterfully captures sixteenth-century Venice against a dramatic and poetic tale of suspense. Hannah Levi is renowned throughout Venice for her gift at coaxing reluctant babies from their mothers using her secret "birthing spoons." When a count implores her to attend his dying wife and save their unborn son, she is torn. A Papal edict forbids Jews from rendering medical treatment to Christians, but his payment is enough to ransom her husband Isaac, who has been captured at sea. Can she refuse her duty to a woman who is suffering? Hannah's choice entangles her in a treacherous family rivalry that endangers the child and threatens her voyage to Malta, where Isaac, believing her dead in the plague, is preparing to buy his passage to a new life. Told with exceptional skill, *The Midwife of Venice* brings to life a time and a place cloaked in fascination and mystery and introduces a captivating new talent in historical fiction.

nearby highway, Willie's father Frank lugs a gravestone on the back of his fading, old mule. In his office the DA who prosecuted Willie reckons with his sentencing, while at their gas station at the crossroads outside of town, married couple Ora and Dale grapple with their grief and their secrets. As various members of the township consider and reflect on what Willie's execution means, an intricately layered and complex portrait of a Jim Crow era Southern community emerges. Moving from voice to voice, Winthrop elegantly brings to stark light the story of a town, its people, and its injustices. *The Mercy Seat* is a brutally incisive and tender novel from one of our most acute literary observers. Eva - A Novel by Carry van Bruggen Carry van

Bruggen.2019-11-01 *Eva*, a 1927 novel by Dutch writer Carry van Bruggen, is an experiment in depicting a woman's life from girlhood to marriage, and beyond, to sexual freedom and independence. At the same time, the narrative expresses *Eva*'s dawning sense of self and expanding subjectivity through a stream of consciousness told by a shifting narrator. Burdened all of her life by feelings of shame, at the end of the novel *Eva* overcomes this legacy of her upbringing and declares that it is 'bodily desire that makes love acceptable'. Carry van Bruggen's rich and varied language conveys *Eva*'s experience of the world. Powerful memories of an orthodox Jewish childhood pervade the novel with its fluid sense of time. As *Eva* puts it, 'I let these years slip through my fingers like a stream of dry, glinting sand.' Jane Fenoulhet makes this important modernist novel accessible to English readers for the first time. While it can be described as a

becoming-woman of both Eva and her creator, so can the translation be seen as the translator's own becoming, as Fenoulhet explains in the accompanying commentary, where she also describes the challenges of translating van Bruggen's dynamic, intense narrative. For Fenoulhet, translation is more a matter of personal engagement with the novel than a matter of word choice and style. In this way, the emotional and intellectual life of the main character is re-enacted through translation.

The Gift Edith Eger. 2020-09-15 "I will be forever changed by Edith Eger's story." —Oprah A practical and inspirational guide to stopping destructive patterns and imprisoning thoughts to find freedom and joy in life—now updated to address the challenges of the pandemic and a world in crisis. World renowned psychologist and internationally bestselling author, Edith Eger's, powerful New York Times bestselling book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Readers around the world wrote to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain. They asked her to write another, more prescriptive book. Eger's second book, *The Gift*, expands on her message of healing and provides a hands-on guide that gently encourages readers to change the thoughts and behaviors that may be keeping them imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself: the prison within her own mind. She describes the most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. These lessons are offered through riveting and inspiring stories from her life and the lives of her patients. This new, revised edition of *The Gift* contains two new chapters that examine the invaluable insights and lessons Edie learned during the Covid-19 pandemic; a time she used to rediscover freedom even in lockdown and to

enjoy the simple pleasures of life, including preparing and sharing meals with the ones we love. Edie includes recipes for some of her favorite dishes which have been updated and tested by her daughter Marianne Engle and explains how food can be a deep expression of love and connection. As readers seek to find joy and some peace in these challenging times, Eger's wisdom and heartfelt advice is as timely, and timeless, as ever and certain to resonate with Eger's devoted readers and those who have not yet found her transformational wisdom. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and greater joy in life.

The Reunion Simone van der Vlugt.2009 'When I read back through my diaries, I come across completely unknown events, as if another person lived that time in my place. And still, a recollection can suddenly knife its way through my brain, a spark that lights up the grey matter of my memory for an instant.' Sabine was fifteen when Isabel disappeared. She remembers nothing from that hot May day. Nine years later, unwanted memories are returning to Sabine. What if she saw something the day of Isabel's disappearance? What if she could put a name to the shadowy figure in her dreams? And what if her knowledge was dangerous? *The Reunion* is a tour-de-force from Holland's top-selling crime writer. Reminiscent of the thrillers by Minette Walters and Nicci French, *The Reunion* is compelling, frightening and unexpectedly poignant. It will haunt and surprise you.

Winter in Wartime Jan Terlouw.2020-02-04 A gripping and fast-paced adventure story about one boy's life-threatening mission to support the secret resistance in Nazi-occupied Netherlands, based on the author's own childhood in Holland during World War II. It's the winter of 1944-45, and Michiel's country has been at war since he was eleven. Now he's fifteen, and his country is under Nazi occupation, including the town where Michiel lives and where his father is the mayor. No longer able to attend school, Michiel spends his days running urgent errands on his bicycle, avoiding Allied bombers and German soldiers alike. Then one day, his friendship with Dirk, the neighbor's older son and a member of the secret underground, involves him in the care of a wounded British pilot. When a German soldier is found murdered and the townspeople are blamed for his death, Michiel's already-risky mission turns life-threatening. *Winter in Wartime* is a fast-paced and exciting novel, which has never been out of print in the Netherlands since it was first published, nearly fifty years ago. Based on the author's own boyhood in wartime Holland, the action and adventure of Michiel's mission makes for a gripping read, while the anguish of his experience underscores the ultimate anti-war tenor of the novel.

soul rescue. Grey Eagle calls Rosemary his Rose as he helps nurture her gift. In the casebook section of *THE EAGLE AND THE ROSE* are 10 stories of astonishing impact - how a woman decapitated in a train wreck relives her traumatic death in Rosemary Altea's body in order to adjust to life in the hereafter; how a tragic boating accident is predicted months before the fact by Rosemary Altea on a live radio show; how a dead child convinces his mother that he is safe with relatives on the spirit plane. Behind all these moving communications is Grey Eagle, Rosemary's mentor, constant companion, and friend. His spirit pervades this book as he focuses the spotlight on an important teaching: Life may continue after death, but how we behave on the Earth Plane does count. Grey Eagle elevates the message in this book to a transcendent level. He says, We are all souls and must treat each other with kindness. We are not human beings having a spiritual experience. We are spiritual beings having a human experience.

The Swimmers Julie Otsuka. 2022-02-22 NATIONAL BEST SELLER • From the best-selling, award-winning author of *The Buddha in the Attic* and *When the Emperor Was Divine* comes a novel about what happens to a group of obsessed recreational swimmers when a crack appears at the bottom of their local pool. This searing, intimate story of mothers and daughters—and the sorrows of implacable loss—is the most commanding and unforgettable work yet from a modern master. The swimmers are unknown to one another except through their private routines (slow lane, medium lane, fast lane) and the solace each takes in their morning or afternoon laps. But when a crack appears at the bottom of the pool, they are cast out into an unforgiving world without comfort or relief. One of these swimmers is Alice, who is slowly losing her memory. For Alice, the pool was a final stand against the darkness of her encroaching dementia. Without the fellowship of other swimmers and the routine of her daily laps she is plunged into dislocation and chaos, swept into memories of her childhood and the Japanese American incarceration camp in which she spent the war. Alice's estranged daughter, reentering her mother's life too late, witnesses her stark and devastating decline.
