Librivox.org is a dream come true for audiobook lovers. All the books

here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start. So, look no further as here we have a selection of best websites to download free eBooks for all those book avid readers. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read). If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read. You can search and download free books in categories like scientific, engineering, programming, fiction and many other books. No registration is required to download free e-books. Ebooks and Text Archives: From the Internet Archive; a library of fiction, popular books, children's books, historical texts and academic books. The free books on this site span every possible interest. Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy. Self publishing services to help professionals and entrepreneurs write, publish and sell non-fiction books on Amazon & bookstores (CreateSpace, Ingram, etc). Finding the Free Ebooks. Another easy way to get Free Google eBooks is to just go to the Google Play store and browse. Top Free in Books is a browsing category that lists this week's most popular free downloads. This includes public domain books and promotional books that legal copyright holders wanted to give away for free.
