The Power of I Believe Robert Lee Fields.2011-04-13 This book is based on my writings in the journals I kept over six years. I have always had a strong belief in God. These writings reflect my spiritual nature. I wrote this book because many people who have had a stroke do not find the motivation they need during recovery. Family members do not know what to do for them. I thought about my own self and how I was motivated during my recovery. These writings are from my journals that have helped me with my recovery. I am Author & Motivational Speaker for post-stroke recovery to help and inspire others and a Small Business Enterprise: *The Power of I Believe*, A book of motivation, encouragement and inspirational thoughts after a stroke, a Christian-themed book written to help stroke survivors and others touched by a disability regain their faith and strength as they recover and move forward with their lives. Though I wrote this book with stroke survivors in mind, the feedback I have received through my blog and Facebook page has shown me that *The Power of I Believe* is a source of inspiration for anyone who needs it. Everyone experiences doubt at some point whether in themselves or in God and this is especially true after a sudden and traumatic event. I know from experience. In December 2006 I experienced a sudden stroke, which left me battling aphasia. As part of my recovery, I returned to the journals I had kept for many years to find

the same inspiration that had motivated me throughout my life. Through these meditations, I came to understand The Power of I Believe. Many people who have a stroke simply do not find the motivation they need during recovery. And this is not an experience unique to stroke survivors; anyone struggling with a disability, or even a difficult time in their life, can find it hard to muster the strength they need. The Power of I Believe is written for these people. The Power of I Believe means making the choice to accomplish your goalsit means having the determination to keep striving and the faith to know that you will succeed. In this book, I share the thoughts and the inspirations that gave me the determination and faith to keep working to overcome my aphasia and recover from my stroke. My reflections focus on the power of God, the power of faith, and the power of the mind. Through these inspirational words and thoughts and through my faith, I found the personal strength preserve. I am now back riding my bike, playing golf, swimming, and going to the fitness center. While most books for stroke survivors focus on specific exercises and tasks that will help a survivor to recover and regain functioning, The Power of I Believe is focused on instilling the strength and faith necessary during the recovery process. www.robertleefields.com/

The Secrets of Spiritual Power Joyce Meyer.2008-12-14 Everyone is controlled by something. Who is controlling your life, you, the devil, or the Holy Spirit? The Bible says we are controlled by the Holy Spirit. But how can someone know who is in control? Our flesh will always manipulate, make demands, and pressure us to fulfill its desires. The Holy Spirit is always gentle, meek, and humble. He will lead and guide us in a still small voice. By contrast, the devil's voice is sharp, hard, and pressing. The Holy Spirit will always lead us into all truth and bring clarity and understanding to our minds. Satan has only one purpose: to lie, deceive and confuse us. In **THE SECRETS OF SPIRITUAL POWER**, Joyce Meyer shows you how to obey the Holy Spirit. And by doing this you will experience spiritual power as well as love, joy, peace, patience, kindness, goodness, gentleness, faithfulness, and self-control.

A Spiritual Uplifting Dorris Owney Jackson.2021-02-12 A SPIRITUAL UPLIFTING is a collection of experiences, encouragement and inspiration that helped me to be who I am today. A true believer and woman of God. To show others that everyday is not sunshine but that God delivers us through it all. One thing I realized in my belief that God answers all prayers. Sometimes it's YES what we all want to hear. Sometimes it's NO to protect us from forces we can't see. Sometimes it's WAIT you can't handle it right now. My poems are intended to uplift, elevate and console the mind. To remind those reading them there is a light at the end of the tunnel. Trouble comes to make us stronger. We were never promised there wouldn't be trials and tribulations. But, we were promised that we are not alone or forsaken. Our heavenly father always has a ram in the bush. In these contents there is something encouraging and inspiring for everyone. Even those whose lives have been sweeter (easier) than others. Prayerfully you will uplift someone else. Within are my truths, some of my life experiences. Along with the assurance that life is an awesome gift. No matter what one might face. There have been good people and good times in my life. There have been some not so good people and times. We can one day look back on the good and tough times smile and be thankful for the experiences that helped us realize our purpose in life. I inspire you yo stay positive to pray your way through. Laugh when you feel like crying. To put your trust and faith in God not in man. Know that God has all power in his hands. I know the plans I have for you declares the Lord. Plans to prosper you and not to harm you. Plans to give you hope and a future. Jeremiah 29:11 So relax, enjoy and allow your soul to be soothed. Life is worth the living.

Spiritual Mind Power Affirmations Paul Leon Masters.2016-03-30 Initiate Positive Changes in Your Life Through Creative Visualization and the Spiritual Power of Your Mind Everything begins

and is created in the realm of the mind. You cannot think and feel in the same old mental and emotional patterns and expect changes to take place in your life. Affirmations create oneness with the God Power in your mind and allow the God Power to flow through and into your daily activities. Feel the spiritual power, a higher power of your mind at work, activating psychic, mental, and spiritual laws into motion for the realization of the affirmation you give to yourself. Look to your inner, higher universal mind to guide you and give you the answers as to how to go about making positive changes in your life. Contacting higher spiritual consciousness within yourself, through affirmations, opens your conscious mind to being a part of the process of God's Mind. This gives you the mental perspective to see beyond the illusionary blockages of any present condition, so that you may travel an open, mental road that is filled with opportunity. - Dr. Paul Leon Masters

From Here to There Dennis Lee. 2015-07-28 When you look in the mirror, what do you see: a person who truly believes he/she is on the right path, or one struggling daily to find a sense of identity? More importantly, how do you see God as you seek the purpose for your life: as your back pocket Lord, or as your personal guide? For some, they may feel they are on the right path but have drifted away from discerning and understanding God’s will for them. This inspired pastor and author Dennis Lee to establish a meaningful resource for readers wanting to grow in their relationship with God, in his new Christian discipleship book; *From Here to There: A Journey to Spiritual Transformation*, part of his *Spiritual Formation* series. As an “A through Z roadmap on discipleship,” Dennis offers readers a biblically-sound guide to familiarize readers to biblical principles of what it’s like to be a follower of Jesus Christ, being found in His likeness. Each chapter clarifies this developing relationship with God, established when you accept Jesus as your Savior and Lord, and furthered through changing how you approach living this life in Christ. Pastor Lee takes the reader along this narrow road described by Jesus, looking at a Christian’s true identity when pursuing God’s presence

and becoming aligned with His will. To make sure his readers' stay upon this path, Lee looks at Satan's potholes that damages a person's spiritual transformation, as well as God's speed bumps to help believers slow down and not miss God's promises for their lives. It's a journey to the ultimate destination of Heaven with God, and this guide will help you make the necessary changes and take the required steps to stay upon God's path.

Spiritual Power Llewellyn Vaughan-Lee.2019-01-01 How can we use spiritual power to heal and transform the world? In this new, fully revised edition, Llewellyn Vaughan-Lee shows how spiritual activism addresses our current global crisis in a visionary and revolutionary way. He reintroduces us to the ancient wisdom of the power of the land, as well as the ways we can use our light and love to create real change. *Spiritual Power: How It Works* explores how spiritual practice and spiritual energy have a central part to play as a catalyst in the vitally needed shift from the story of separation—that lies at the root of our present ecocide—to a new story of the Earth's multihued unity. This is practical mysticism on a global level, the simple wisdom that can reconnect us to the magic of life and awaken us to its essential oneness. "If you want to learn how to be in service to the planet, *Spiritual Power* is an invaluable book. Vaughan-Lee shows us how we can direct our energy and light to create change. He shares his deep and profound insights about the true definition of power in a way that creates questions and answers as we move to the next evolution of consciousness. A brilliant and much needed book!" —Sandra Ingerman, author, *Soul Retrieval and Medicine for the Earth* "A poetic and energetic vision of a new way to experience life—the power of

the future made present today. It is a joy and relief to read a book about spirituality written from the viewpoint of unity, presence, and love. This is an important book, one that looks toward the integration of the wisdoms of the earth and sky cultivated over the past 15,000 years. Vaughan-Lee suggests that in order to liberate the love, life, and laughter that are already ours, we need to break down any artificial, conceptual, religious, or materialist barriers that prevent us from experiencing them.” —Neil Douglas-Klotz, Ph.D., author, *The Genesis Meditations: A Shared Practice of Peace for Christians, Jews, and Muslims* “... a visionary book and a daring one! Llewellyn Vaughan-Lee is a rare and hidden mystic of our time, a true seer who helps us to see that which our ordinary perception cannot perceive.... (a) courageous vision of the gravity of the modern predicament as well as the profound possibility for healing on a large scale.... conveys the importance of each individual's contribution to this healing, and passionately urges us to take responsibility for our own hidden knowledge and our necessary role in healing the planet ... a revolutionary book for the bravest of hearts and the most open of minds.” —Mariana Caplan, Ph.D., author, *Halfway Up the Mountain: the Error of Premature Claims to Enlightenment*

Personal Power Books William Walker Atkinson, Edward E. Beals. 2010-01-01 Presented here in its original 12-volume series, the Personal Power Books are a set of self-help books designed to be carefully studied to develop personal power. In the Foreword to Volume I, personal power is defined as The ability of strength possessed by the human individual, by which he does, or may, accomplish desired results in an efficient manner, along the lines of physical, mental, and spiritual effort and endeavor. In other words, these books describe the methods to attaining control and power in your own life, whether it be financial, physical, mental, or emotional--certainly a worthy goal for any individual. Volume IV includes information on the power and psychology of faith, how faith can

increase mental awareness and heal illness, and how to have faith in both yourself and the Infinite. American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine *New Thought* from 1901 to 1905 and editor of the journal *Advanced Thought* from 1916 to 1919. He authored dozens of *New Thought* books under numerous pseudonyms, including the name Yogi, some of which are likely still unknown today.

You Are What You Love James K. A. Smith. 2016-03-29 You are what you love. But you might not love what you think. In this book, award-winning author James K. A. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices. He explains that worship is the imagination station that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship. Following the publication of his influential work *Desiring the Kingdom*, Smith received numerous requests from pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music illustrations to engage readers and includes new material on marriage, family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life.

Metaphysical Divine Wisdom on Manifesting Fearless Assertive Confidence Kevin Hunter. 2019-06-29 Your confidence can crumble upon losing things in the key practical areas of your life. You might feel a shattering of self-worth when you lose your job, a relationship, a friend, or your home. It's interesting to note how losing a material or physical possession affects your confidence and sense of self-worth. It can cause you to lose interest in activities in life you once enjoyed. You may become bed ridden and depressed. You cancel plans, ignore phone calls, and are unreachable for a period of time. In those instances that your confidence is shattered by a material or physical loss, then that's when your soul's built-in confidence is needed more than ever. It has been insisted upon you to base your confidence and self-worth on the things you've achieved and attained when it is the reverse that is the case. You bring out your soul's confidence first, and then

use that as the driving force to achieve. When you lose anything of value that negatively affects your confidence, self-esteem and self-worth, then make that the driving force that propels you to rise up into confident warrior mode. Stand strong under the powerful Divine Light allowing it to be the nourishment your soul feeds off of that helps you move into manifesting a fearless assertive confidence. Your Life is Your Prayer Sam Beasley, B.J. Gallagher. 2019-04-15 "This book demonstrates how to pray and what to say to transform your life from failure to blessing and turn fear into faith." —Arielle Ford, author of *The Soulmate Secret Prayer* can point your life in the right direction—or the wrong one. Whatever you've got going on in your life is what you've been praying for—often unconsciously.

If you want something different, you must pray a different prayer. This book will show you how to do just that. Everything you do is prayer. Many don't realize it, but the decisions you make throughout the day, the attitudes you adopt, the conversations you have, the way you respond to other people, and the thoughts you think—even the food you choose to eat and the way you spend your money—are all prayers. We are constantly communing with the Divine, even in our most mundane activities. And our prayers are always answered in the affirmative: "Yes." Whatever you're thinking about (and therefore praying about) will manifest in your life. If you're worrying, "I don't have enough money," the Universe will say 'Yes, you don't have enough money.' If you're constantly lamenting, "I don't have a man in my life," the Universe will respond, 'Yes, you don't have a man.' If you frequently complain, "I'm fat," the Universe will answer, 'Yes, you're fat.' Your thoughts and words are prayers, and the Universe always gives you what you're praying for. Spiritual Power in Motion Ned Byron Pendergast,Lynne Pendergast Ferdon.2018-01-24 How often do we truly find the time to reflect and dwell on our thoughts? And even when we do take a moment to read or absorb ourselves in thought, how often do we deeply meditate on our thinking or even revisit our understandings? In *Spiritual Power in Motion*, authors Ned Byron Pendergast and Lynne Pendergast Ferdon invite you to join them in writing down your own thoughts and ideas in this touching, heartfelt, and faithful collection of inspirational essays, poems, and reflections. Sharing their own quiet moments and meditations on such themes as emotion, healing, the majesty of creation, the character of our loving God, and more, Ned and Lynne express in words the life-giving power of the Holy Spirit in offering us daily revelations. God and his Holy Spirit are with us throughout this lifetime, and by taking time to listen for the Lord in prayer, we can hear, see, and feel this abiding presence each and every step on the way. But in order to hear Gods voice or words, we must also tell him of our need, be willing to listen, and have faith that our prayers are heard.

In the first chapter, Tolle introduces readers to enlightenment and its natural

enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind and intensely in the Now, is there Enlightenment.

Spiritual Power Gian Kumar.2018-10-30 'What we achieve inwardly will change outer reality.'—

Plutarch In this compact volume, Gian Kumar, a thinker by nature, has delved into the essence of spirituality, and its relationship with every aspect of human existence. When we cease to blame destiny for every mishap occurring in our lives and instead seek answers from within, we will be on the path to illumination and awareness. Gian Kumar has put this wisdom to the test innumerable times in his life. His own struggles strengthened his resolve to fight life's battles from his inner resources rather than look outward. He shares his insights with us, offering some new revelations each time. He reiterates that spiritualism is purely based on the theory that 'all that exists is one and not two.' We are here to experience this oneness, with the realization that we are all interconnected and interrelated and simply cannot exist on our own. This volume should be used as an advanced guide to help us discover the inner path of spirituality, and how to live complete, fulfilling lives.

Personal Power IV Faith Power Or Your Inspirational Forces William Walker Atkinson.2017-02-27

This book deals with The Power of Faith-the Force of Confident Expectation-the Energy of Expectant Attention. It explains fully and in detail the third element of The Master Formula, i.e., Confident Expectation, or how to confidently expect that you will obtain what you want. It explains the fundamental principles of the Psychology of Faith, and shows just how and why Faith succeeds in producing many wonderful results and effects in the lives of men and women. It divests the subject of the miraculous character usually ascribed to it; it brings it down (or up) to the plane of Natural Cause and Effect-yet it removes one set of wonders only to disclose a still greater Wonder. It shows not only that Faith removes Mountains of Difficulties from the path of man; but also that it serves to bring to man that which he needs, desires and confidently expects to come to him. It also shows how Faith (i. e., Confident Expectation and Firm Belief) in the coming of undesirable and dreaded things, conditions and circumstances, tends to make the feared (and believed in) things materialize in

objective form. Faith is a spiritual power, a living force, which when trusted and rightly employed will annihilate the opposition of outward circumstances, or else convert and transmit them into helpful conditions. The ancient sages have said: Faith is the White Magic of Power. Those who understand its nature, and its laws of application, have in their hands a wondrous weapon of strength, power and force.
