

White House Years English Edition

Behind the Scenes Elizabeth Keckley.2009-01-01 Elizabeth Keckley's rise from slave to White House confidante details the cruel and terrible life for those in slavery, and the drive and determination of a woman who would not let others destroy her will.

Jacqueline Kennedy Hamish Bowles.2001 Catalog to accompany exhibition at the Metropolitan Museum of Art, May-August 2001 and at the John F. Kennedy Library and Museum in fall 2001.

Years of Upheaval Henry Kissinger.2011-05-24 In this second volume of Henry Kissinger's "endlessly fascinating memoirs" (The New York Times), Kissinger recounts his years as President Nixon's Secretary of State from 1972 to 1974, including the ending of the Vietnam War, the 1973 Middle East War and oil embargo, Watergate, and Nixon's resignation. This second volume of Henry Kissinger's monumental memoirs covers his years as President Richard Nixon's Secretary of State (1972-1974), including the ending of the Vietnam War, the 1973 Middle East War and oil embargo, Watergate, and Nixon's resignation. Years of Upheaval opens with Dr. Kissinger being appointed Secretary of State. Among other events of these turbulent years that he recounts are his trip to Hanoi after the Vietnam cease-fire, his efforts to settle the war in Cambodia, the "Year of Europe," two Nixon-Brezhnev summit meetings and the controversies over arms control and détente, the military alert and showdown with the Soviet Union over the Middle East war, the subsequent oil crisis, the origins of shuttle diplomacy in the Middle East, the fall of Salvador Allende in Chile, and the tumultuous events surrounding Nixon's resignation. Throughout are candid appraisals of world leaders, including Nixon, Golda Meir, Anwar Sadat, King Faisal, Hafez al-Asad, Chairman Mao, Leonid Brezhnev, Willy Brandt, Helmut Schmidt, Georges Pompidou, and many more. At once illuminating, fascinating, and profound, Years of Upheaval is a lasting contribution to the history of our time by one of its chief protagonists.

American Lion Jon Meacham.2009-04-30 The definitive biography of a larger-than-life president who defied norms, divided a nation, and changed Washington forever Andrew Jackson, his intimate circle of friends, and his tumultuous times are at the heart of this remarkable book about the man who rose from nothing to create the modern presidency. Beloved and hated, venerated and reviled, Andrew Jackson was an orphan who fought his way to the pinnacle of power, bending the nation to his will in the cause of democracy. Jackson's election in 1828 ushered in a new and lasting era in which the people, not distant elites, were the guiding force in American politics. Democracy made its stand in the Jackson years, and he gave voice to the hopes and the fears of a restless, changing nation facing challenging times at home and threats abroad. To tell the saga of Jackson's presidency, acclaimed author Jon Meacham goes inside the Jackson White House. Drawing on newly discovered family letters and papers, he details the human drama—the family, the women, and the inner circle of advisers— that shaped Jackson's private world through years of storm and victory. One of our most significant yet dimly recalled presidents, Jackson was a battle-hardened warrior, the founder of the Democratic Party, and the architect of the presidency as we know it. His story is one of violence, sex, courage, and tragedy. With his powerful persona, his evident bravery, and his mystical connection to the people, Jackson moved the White House from the periphery of government to the center of national action, articulating a vision of change that challenged entrenched interests to heed the popular will— or face his formidable wrath. The greatest of the presidents who have followed Jackson in the White House—from Lincoln to Theodore Roosevelt to FDR to Truman—have found inspiration in his example, and virtue in his vision. Jackson was the most contradictory of men. The architect of the removal of Indians from their native lands, he was warmly sentimental and risked everything to give more power to ordinary citizens. He was, in short, a lot like his country: alternately kind and vicious, brilliant and blind; and a man who fought a lifelong war to keep the republic safe—no matter what it took.

Inside the White House Ronald Kessler.1996 Investigative reporter Ronald Kessler created a media buzz with this insider's expose of the modern presidencies. And this revised and updated paperback edition contains the latest revelations on Whitewater and sexual harassment allegations against Clinton.

Inside the White House Betty Boyd Caroli.1992 America's most famous home, the White House- the first 200 years.

President Carter Stuart E. Eizenstat.2018-04-24 The definitive history of the Carter Administration from the man who participated in its surprising number of accomplishments—drawing on his extensive and never-before-seen notes. Stuart Eizenstat was at Jimmy Carter's side from his political rise in Georgia through four years in the White House, where he served as Chief Domestic Policy Adviser. He was directly involved in all domestic and economic decisions as well as in many foreign policy ones. Famous for the legal pads he took to every meeting, he draws on more than 5,000 pages of notes and 350 interviews of all the major figures of the time, to write the comprehensive history of an underappreciated president—and to give an intimate view on how the presidency works. Eizenstat reveals the grueling negotiations behind Carter's peace between Israel and Egypt, what led to the return of the Panama Canal, and how Carter made human rights a presidential imperative. He follows Carter's passing of America's first comprehensive energy policy, and his deregulation of the oil, gas, transportation, and communications industries. And he details the creation of the modern vice-presidency. Eizenstat also details Carter's many missteps, including the Iranian Hostage Crisis, because Carter's desire to do the right thing, not the political thing, often hurt him and alienated Congress. His willingness to tackle intractable problems, however, led to major, long-lasting accomplishments. This major work of history shows first-hand where Carter succeeded, where he failed, and how he set up many successes of later presidents.

Years of Renewal Henry Kissinger.2011-06-21 Perhaps the best-known American diplomatist of the twentieth century, Henry Kissinger is a major figure in world history, winner of the Nobel Peace Prize, and arguably one of the most brilliant minds ever placed at the service of American foreign policy, as well as one of the shrewdest, best-informed, and most articulate men ever to occupy a position of power in Washington. The eagerly awaited third and final volume of his memoirs completes a major work of contemporary history. It is at once an important historical document and a brilliantly told narrative of almost Shakespearean intensity, full of startling insights, unusual (and often unsparing) candor, and a sweeping sense of history. Years of Renewal is the triumphant conclusion of a major achievement and a book that will stand the test of time as a historical document of the first rank.

Forty-two Years in the White House Irwin Hood Hoover.1934 Ten presidents from Benjamin Harris on to Franklin D. Roosevelt.

My First Days in The White House [Illustrated Edition] Huey Pierce Long.2016-08-09 In this flamboyant fiction novel, Louisiana Governor Huey "Kingfish" Long, one of Franklin Roosevelt's political rivals, details a political fantasy in which he is president of the United States. Through imaginary conversations with men of power, he presents his aspirations, including the "Share Our Wealth" plan, created in 1934 under the motto "Every Man a King" and how he would enact the program if elected in 1936. The plan proposed new wealth redistribution measures in the form of a net asset tax on corporations and individuals to curb the poverty and homelessness endemic nationwide during the Great Depression. Long visualizes his inauguration as President of the United States and details his nomination picks for his executive cabinet, including William Edgar Borah as Secretary of State, James J. Couzens as Secretary of the Treasury, and Smedley Butler as Secretary of War. This book was published posthumously in 1935, following Long's assassination on Sunday, September 8, 1935. It is illustrated throughout with political cartoons.

Crisis Henry Kissinger.2003-08-26 By drawing upon hitherto unpublished transcripts of his telephone conversations during the Yom Kippur War (1973) and the last days of the Vietnam War (1975), Henry Kissinger reveals what goes on behind the scenes at the highest levels in a diplomatic crisis. The two major foreign policy crises in this book, one successfully negotiated, one that ended tragically, were unique in that they moved so fast that much of the work on them had to be handled by telephone. The longer of the two sections deals in detail with the Yom Kippur War and is full of revelations, as well as great relevancy: In Kissinger's conversations with Golda Meir, Israeli Prime Minister; Simcha Dinitz, Israeli ambassador to the U.S.; Mohamed el-Zayyat, the Egyptian Foreign Minister; Anatoly Dobrynin, the Soviet Ambassador to the U.S.; Kurt Waldheim, the Secretary General of the U.N.; and a host of others, as well as with President Nixon, many of the main elements of the current problems in the Middle East can be seen. The section on the end of the Vietnam War is a tragic drama, as Kissinger tries to help his president and a divided nation through the final

moments of a lost war. It is full of astonishing material, such as Kissinger's trying to secure the evacuation of a Marine company which, at the very last minute, is discovered to still be in Saigon as the city is about to fall, and his exchanges with Ambassador Martin in Saigon, who is reluctant to leave his embassy. This is a book that presents perhaps the best record of the inner workings of diplomacy at the superheated pace and tension of real crisis.

Mandate for Change, 1953-1956 Dwight David Eisenhower.1965

A to Z Mysteries Super Edition 3: White House White-Out Ron Roy.2010-03-24 Z was just the beginning! With A to Z Mysteries® Super Editions, chapter book readers keep on collecting clues and solving mysteries with Dink, Josh, and Ruth Rose. But in the confusion caused by all the people decorating the White House for Christmas, the president's dog goes missing! All five kids set out to find her, but it's not going to be easy. It's getting dark, and a monster snowstorm is on the way. Will they find the presidential pooch in time? Look for hidden messages inside A to Z Mysteries® Super Editions!

White House Chef Walter Scheib,Andrew Friedman.2009-03 An engaging book about life at the Executive Mansion. . . . Hillary Clinton had charged this fiercely competitive, meticulously organized chef with bringing 'what's best about American food, wine, and entertaining to the White House.' His sophisticated contemporary food was generally considered some of the best ever served there. --Marian Burros, New York Times White House Chef Join Walter Scheib as he serves up a taste--in stories and recipes--of his eleven years as White House chef under Presidents Bill Clinton and George W. Bush. Scheib takes readers along on his whirlwind adventure, from his challenging audition process right up until his controversial departure. He describes his approach to meals ranging from the intimate (rooftop parties and surprise birthday celebrations for the Clintons; Tex-Mex brunches for the Bushes) to his creative approach to bringing contemporary American cuisine to the people's house (including innovative ways to serve state dinners for up to seven hundred people and picnics and holiday menus for several thousand guests). Scheib goes beyond the kitchen and his job as chef. He shares what it is like to be part of President Clinton's motorcade (the security bubble) and inside the White House during 9/11, revealing how he first evacuates his staff and then comes back to fix meals for hundreds of hungry security and rescue personnel. Staying cool under pressure also helps Scheib in other aspects of his job, such as withstanding the often-changing temperature of the White House and satisfying the culinary sensibilities of two very different first families.

Real Life at the White House John Whitcomb,Claire Whitcomb.2002 An irresistible chronological overview of daily life in the presidential residence. Divided into 42 chapters representing each succeeding administration, this survey is brimming with fun facts, tantalizing tidbits, and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House. From George Washington, who chose the sight and initiated work on the presidential mansion, to Bill Clinton, whose well-documented White House escapades titillated and scandalized the nation, each individual president has contributed to the mystique of the most readily recognized home in the U.S. Together with scores of drawings, portraits, and photographs, the breezy text chronicles the significant physical, social, and emotional changes wrought by each First Family as they sought to personalize daily life in the White House.

Designing Camelot James Archer Abbott,Elaine M. Rice.1998 This exquisite book documents the extensive restoration of the White House under the Kennedy administration. It examines the physical transformation of America's premier residence from home of the President to house-museum. Kennedy enthusiasts, architects, interior designers, collectors, history buffs, preservationists, and White House watchers alike will covet this book. Full color throughout.

Blind Ambition John W. Dean.2016-12-20 A six-month New York Times bestseller: "Not only the best Watergate book, but a very good book indeed" (The Sunday Times). As White House counsel to Richard Nixon, a young John W. Dean was one of the primary players in the Watergate scandal—and ultimately became the government's key witness in the investigations that ended the Nixon presidency. After the scandal subsided, Dean rebuilt his career, first in business and then as a bestselling author and lecturer. But while the events were still fresh in his mind, he wrote this remarkable memoir about the operations of the Nixon White House and the crisis that led to the president's resignation. Called "fascinating" by Commentary, which noted that "there can be little doubt of [Dean's] memory or his candor," Blind Ambition offers an insider's view of the deceptions and machinations that brought down an administration and changed the American people's view of politics and power. It also contains Dean's own unsparring reflections on the personal demons that drove him to participate in the sordid affair. Upon its original publication, Kirkus Reviews hailed it "the flip side of All the President's Men—a document, a minefield, and prime entertainment." Today, Dean is a respected and outspoken advocate for transparency and ethics in government, and the bestselling author of such books as The Nixon Defense, Worse Than Watergate, and Conservatives Without Conscience. Here, in Blind Ambition, he "paints a candid picture of the sickening moral bankruptcy which permeated the White House and to which he contributed. His memory of who said what and to whom is astounding" (Foreign Affairs).

Beyond the White House Jimmy Carter.2007-10-02 The president's personal and passionate account of his twenty-five years in the service of humanitarian effort that won him the Nobel Peace Prize was received with the admiring respect of reviewers and readers and it will stand as the record of his brilliant post-presidential career. This is the story of President Jimmy Carter's post-presidency, the most admired and productive in the nation's history. Through The Carter Center, which he and Rosalynn Carter founded in 1982, he has fought neglected diseases, waged peace in war zones, and built hope among some of the most forgotten and needy people in the world. Serving in more than seventy nations, Carter has led peacekeeping efforts for Ethiopia, North Korea, Haiti, Bosnia and Herzegovina, Uganda, and Sudan. With his colleagues from The Carter Center, he has monitored more than sixty-five elections in troubled nations, from Palestine to Indonesia. Carter's bold initiatives, undertaken with dedicated colleagues, have eliminated, prevented, or cured an array of diseases that have been characterized as "neglected" by the World Health Organization and that afflict tens of millions of people unnecessarily. The Carter Center has taught millions of African families how to increase the production of food grains, and Rosalynn Carter has led a vigorous war against the stigma of mental illness around the world. "Immersing ourselves among these deprived and suffering people has been a great blessing as it stretched our minds and hearts," Jimmy Carter writes. "The principles of The Carter Center have been the same ones that should characterize our nation, or any individual. They are the beliefs inherent in all the great world religions, including commitments to peace, justice, freedom, humility, forgiveness or an attempt to find accommodation with potential foes, generosity, human rights or fair treatment of others, protection of the environment, and the alleviation of suffering. This is our agenda for the future."

Thanks, Obama David Litt.2017-09-19 "Litt is a funny and skillful storyteller... While the first half of the book is enjoyable, the second half is masterly, rising to a crescendo that is as rousing as, well, a particularly inspiring campaign speech." — New York Times Book Review "Graceful, instructive, wry speechwriter memoirs like Litt's are the exception rather than the norm. . . . Thanks, Obama will join the ranks of lasting works about the texture of political life, and of coming-of-age accounts by staffers who grow up personally and politically at the same time." — The Atlantic "His time [in the White House] was as 'hopey changey' as advertised—with a little bit of absurdity and humor added into the mix." — Elle, Best of the Month "Serve[s] as a more devastating indictment of the current administration than a campaign-style book ever could . . . limber, funny and illuminating." — New Republic "Highly entertaining . . . much more than a scrapbook of Beltway gossip and Obama idolatry." — Pacific Standard "Irresistibly charming . . . Litt minted his star converting world affairs into jokes. The translation of satire back to sincerity is trickier to pull off, and lands with its own undeniable grace." — Slate "Litt is a skilled storyteller with a keen sense of humor and unique experiences and insight to draw upon." — Bustle "Litt also offers both humor and optimism, two things many of us sorely need these days." — Bustle, Best of the Month "What Litt understands and what Thanks, Obama makes clear may very soon be forgotten: The finest presidential speeches can heal the nation." — Paste Magazine "A thoughtful and funny account of life as a minnow surrounded by Washington's self-important whales . . . ranks with other classics from former White House speechwriters, such as Peggy Noonan's What I Saw at the Revolution." — USA Today, *** 1/2 "Funny and unexpectedly moving . . . a powerful reminder that true fulfillment can come from wielding even the smallest bit of influence on behalf of those who have none." —

Washington Monthly “A fast, funny ride through the halls of power.” — Kirkus “Veering between tragedy and comedy, between self-doubt and hubris, Litt vividly recreates a period during which he saw his words sometimes become the words of a nation.” — Publishers Weekly “By turns moving and hilarious, David Litt’s rollicking account of his journey from campaign field grunt to presidential speechwriter is an irresistible read.” — David Axelrod, former Senior Advisor to Barack Obama and author of *Believer: My Forty Years in Politics* “David Litt has done the impossible: written a smart, insightful, and funny White House memoir you don’t have to be a political junkie to love. Even better, he takes us back to a saner more compassionate time when our president liked to read.” — Judd Apatow “Terrific—part first-hand story about being inspired by a cultural icon, part how-to manual for getting involved in politics and making change. Thanks, Obama is a hysterical, pithy, and heartfelt trip down memory lane. And boy, do we need it.” — Keegan-Michael Key “David Litt is brilliant. I’ve gotten to witness firsthand some of the work he did for President Obama at past White House Correspondents Dinners and it’s always intelligent, razor sharp and hilarious.” — Billy Eichner “An outstanding, hilarious, and precise memoir . . . I laughed again and again. This is an excellent account of what it felt like to work for the Second to Last President of The United States.” — John Mulaney, co-creator and star of *Oh, Hello* “Don’t be fooled by the self-deprecating narrator, this portrait of a young speechwriter is filled with wit, wisdom, and a loving touch. David’s labors remind of us a not-so-distant past when words mattered. If I was a simpleton and a book critic, I’d say thumbs up.” — Matt Walsh, HBO’s *Veep* “David Litt is a natural storyteller and an absolute joy.” — Tig Notaro, author of *I’m Just a Person* “Thanks, Obama is a wonderful book for the same reasons David Litt’s speeches for the White House were wonderful: it’s well-written, it’s funny, it tells us exactly what we’re curious about, and. . . it reminds us that a great president galvanizes not only his staff but his country.” — Anne Fadiman, author of *Ex Libris* “Funny and warm, David Litt knows how to make people laugh regardless of their political affiliation.” — Mike Birbiglia, author of *Sleepwalk With Me: And Other Painfully True Stories* “A magnificent memoir on the Obama presidency. You’ll walk away with another kind of hope that’s needed now more than ever: the belief that a government can actually do some good.” — Adam Grant, author of *Originals* and coauthor of *Option B* “A talented (and very funny) speechwriter, David will make you laugh. He’ll make you miss Obama more than you do already. Most of all, he’ll renew your faith in the politics of hope.” — Stephanie Cutter, former deputy campaign manager for Barack Obama

I’ll Take Your Questions Now Stephanie Grisham.2021-10-05 The most frank and intimate portrait of the Trump White House yet Stephanie Grisham rose from being a junior press wrangler on the Trump campaign in 2016 to assuming top positions in the administration as White House press secretary and communications director, while at the same time acting as First Lady Melania Trump’s communications director and eventually chief of staff. Few members of the Trump inner circle served longer or were as close to the first family as Stephanie Grisham, and few had her unique insight into the turbulent four years of the administration, especially the personalities behind the headlines.

White House, Inc. Dan Alexander.2020-09-22 An in-depth investigation into Donald Trump’s business—and how he used America’s top job to service it. *White House, Inc.* is a newsmaking exposé that details President Trump’s efforts to make money off of politics, taking us inside his exclusive clubs, luxury hotels, overseas partnerships, commercial properties, and personal mansions. Alexander tracks hundreds of millions of dollars flowing freely between big businesses and President Trump. He explains, in plain language, how Trump tried to translate power into profit, from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the presidency into a business doesn’t necessarily mean you turn it into a good business. After Trump won the White House, profits plunged at certain properties, like the Doral golf resort in Miami. But the presidency also opened up new opportunities. Trump’s commercial and residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone, anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president’s disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who came with their own conflict-ridden portfolios. Following the president’s lead, they trampled barriers meant to separate their financial holdings from their government roles. *White House, Inc.* is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now.

My 21 Years in the White House Alonzo Fields.2019-11-22 *My 21 Years in the White House*, first published in 1960, is the fascinating account by Alonzo Fields of his service as head butler under 4 presidents: Hoover, Roosevelt, Truman, and Eisenhower. Fields (1900-1994) began his employment at the White House in 1931, and kept a journal of his meetings with the presidents and their families; he would also meet important people like Winston Churchill, Princess Elizabeth of England, Thomas Edison, John D. Rockefeller, presidential cabinet members, senators, representatives, and Supreme Court Justices. He would also witness presidential decision-making at critical times in American history -- the attack on Pearl Harbor, the death of Franklin Roosevelt, the desegregation of the military, and the outbreak of hostilities in Korea. As Fields often told his staff, “...remember that we are helping to make history. We have a small part ... but they can't do much here without us. They've got to eat, you know.” Included are sample menus prepared for visiting heads-of-state and foreign dignitaries.

Art in the White House William Kloss, Doreen Bolger.2008 This book presents the White House collection of paintings, drawings, and sculptures. Works by Jacob Lawrence, George Bellows, Gilbert Stuart, Norman Rockwell, and Georgia O’Keeffe are among the nearly 50 recent acquisitions are included in this edition. The art selections are accompanied by an art historical essay.

The Black History of the White House Clarence Lusane.2013-01-23 *The Black History of the White House* presents the untold history, racial politics, and shifting significance of the White House as experienced by African Americans, from the generations of enslaved people who helped to build it or were forced to work there to its first black First Family, the Obamas. Clarence Lusane juxtaposes significant events in White House history with the ongoing struggle for democratic, civil, and human rights by black Americans and demonstrates that only during crises have presidents used their authority to advance racial justice. He describes how in 1901 the building was officially named the “White House” amidst a furious backlash against President Roosevelt for inviting Booker T. Washington to dinner, and how that same year that saw the consolidation of white power with the departure of the last black Congressman elected after the Civil War. Lusane explores how, from its construction in 1792 to its becoming the home of the first black president, the White House has been a prism through which to view the progress and struggles of black Americans seeking full citizenship and justice. “Clarence Lusane is one of America’s most thoughtful and critical thinkers on issues of race, class and power.”—Manning Marable Barack Obama may be the first black president in the White House, but he’s far from the first black person to work in it. In this fascinating history of all the enslaved people, workers and entertainers who spent time in the president’s official residence over the years, Clarence Lusane restores the White House to its true colors.—Barbara Ehrenreich Reading *The Black History of the White House* shows us how much we DON’T know about our history, politics, and culture. In a very accessible and polished style, Clarence Lusane takes us inside the key national events of the American past and present. He reveals new dimensions of the black presence in the US from revolutionary days to the Obama campaign. Yes, ‘black hands built the White House’—enslaved black hands—but they also built this country’s economy, political system, and culture, in ways Lusane shows us in great detail. A particularly important feature of this book its personal storytelling: we see black political history through the experiences and insights of little-known participants in great American events. The detailed lives of Washington’s slaves seeking freedom, or the complexities of Duke Ellington’s relationships with the Truman and Eisenhower White House, show us American racism, and also black America’s fierce hunger for freedom, in brand new and very exciting ways. This book would be a great addition to many courses in history, sociology, or ethnic studies courses. Highly recommended!—Howard Winant *The White House* was built with slave labor and at least six US presidents owned slaves during their time in office. With these facts, Clarence Lusane, a political science professor at American University, opens *The Black History of the White House*(City Lights), a fascinating story of race relations that plays out both on the domestic front and the international stage. As Lusane writes, ‘The Lincoln White House resolved the issue of slavery, but not that of racism.’ Along with the political calculations surrounding who gets invited to the White House are matters of musical tastes and opinionated first ladies, ingredients that make for good storytelling.—Boston Globe Dr. Clarence Lusane has published in *The Washington Post*, *The Miami Herald*, *The Baltimore Sun*, *Oakland Tribune*, *Black Scholar*, and *Race and Class*. He often appears on PBS, BET, C-SPAN, and other national media.

The Obamas The Editors of ESSENCE.2017-10-10 On November 4, 2008, Senator Obama was elected as the 44th President of the United States. Over the next eight years, he and his family would transform our nation, change the face of the White House, and transfix millions of supporters. Now, in *The Obamas: The White House Years*, ESSENCE is pleased to present a commemorative look at significant and seminal moments during the Obama's eight years in the White House. From their two inaugurations, international travels and state dinners to day-to-day encounters with everyday citizens, *The Obamas* showcases images that offer intimacy and empowerment to readers. It's all here: the historic moments, the invite-only events, the interactions with extraordinary everyday people and world leaders, the couples individual initiatives aimed at strengthening families and communities, and the blossoming of two future leaders - Malia and Sasha - before our very eyes. Among the highlights: "Be Fearless": an essay from the First Lady herself on her keys to success The full text of President Obama's powerful and important eulogy in South Carolina of the Honorable Reverend Clementa C. Pinckney Dozens of lavish and intimate photographs showcasing the special moments of the Obama presidency and much more

All the President's Pastries Christian Malard,Roland Mesnier.2015-10 This extraordinary success story of a humble young French pastry chef embodies the great American dream. After working at the Savoy in London, the George V in Paris, the Princess in Bermuda, and the Homestead in Virginia, Roland Mesnier took on the job of a lifetime as pastry chef to the White House. He provides behind-the-scenes insight into the characters, tastes, and obsessions of the five presidents and first ladies he served during his 25 years in Washington. Having witnessed major world events from the hub of the world's superpower, Mesnier has a unique perspective on both crises and celebrations. He recounts stories such as Carter's incessant battle for the return of American hostages in Tehran, the aftermath of the attempt to assassinate Reagan, reveals George H. W. Bush's concerns about Iraq, reports on Clinton's indiscretions, and conveys the shock and sorrow of 9/11. He uncovers the everyday secrets of the White House and recounts such intimate details such as Mrs. Reagan's perfectionism and Prince Charles's bewilderment the first time he was confronted with a teabag. Fiercely loyal to each of the first families that he served, Mesnier's message is positive and inspirational. Seventeen easy-to-follow recipes include the favorite desserts of presidents Jimmy Carter, Ronald Reagan, George Bush, Bill Clinton, and George W. Bush.

Thirty-Six Years in the White House Thomas F. Pendel.2008 The autobiographical story of the White House doorkeeper from the Lincoln presidency to the administration of Theodore Roosevelt.

My Thirty Years Backstairs at the White House Lillian Rogers Parks.1961 This is the combined biography of two domestic servants, a mother and her daughter, each of whom worked for thirty years in the White House. In 1909, he mother was hired by President Taft, who was the first president ever to allow a Black person to enter the White House. She worked in the White House until 1939. Her daughter was hired by President Hoover in 1929 and she worked there until the final days of the Eisenhower Administration in 1959. This book should be required reading for every serious student of American history. The authors were eye witnesses to some of the great events of history and offer different prospectives from that found elsewhere. For example, we learn that when Calvin Coolidge announced in 1927 that he did not intend to run for re-election, he was playing hard-to-get. He believed that the people would insist that he accept a third term of office. He expected to be drafted. He actually wanted a third term in office. Coolidge was disappointed when Herbert Hoover was nominated as he disagreed with Hoover's ideas and policies. We learn that in the last year and a half of the presidency of President Woodrow Wilson, he had to be wheeled around the White House in a wheel chair and was often engaged in sickbed rambling. When Franklin D. Roosevelt took office as president, he was an invalid, confined to a wheelchair. Few Americans knew this and elaborate means were devised to make it appear that Roosevelt was robust and healthy. Whenever he was to speak, railings were created beside where he was to be standing. This was done so that it would appear that FDR was walking, taking a few steps up to the speaker's podium, when in reality the handrails were holding him up and he was dragging his feet a short distance to create the illusion that he was walking. Also, Roosevelt was dependent on his mother, Sara Delano, who had all the money and controlled his finances.

LBJ Harry Joseph Middleton.1990 Captioned photographs and accompanying text provide a pictorial record of the presidency of Lyndon Johnson.

White House Diary Jimmy Carter.2010-09-20 The edited, annotated diary of President Jimmy Carter--filled with insights into his presidency, his relationships with friends and foes, and his lasting impact on issues that still preoccupy America and the world Each day during his presidency, Jimmy Carter made several entries in a private diary, recording his thoughts, impressions, delights, and frustrations. He offered unvarnished assessments of cabinet members, congressmen, and foreign leaders; he narrated the progress of secret negotiations such as those that led to the Camp David Accords. When his four-year term came to an end in early 1981, the diary amounted to more than five thousand pages. But this extraordinary document has never been made public--until now. By carefully selecting the most illuminating and relevant entries, Carter has provided us with an astonishingly intimate view of his presidency. Day by day, we see his forceful advocacy for nuclear containment, sustainable energy, human rights, and peace in the Middle East. We witness his interactions with such complex personalities as Ted Kennedy, Henry Kissinger, Joe Biden, Anwar Sadat, and Menachem Begin. We get the inside story of his so-called malaise speech, his bruising battle for the 1980 Democratic nomination, and the Iranian hostage crisis. Remarkably, we also get Carter's retrospective comments on these topics and more: thirty years after the fact, he has annotated the diary with his candid reflections on the people and events that shaped his presidency, and on the many lessons learned. Carter is now widely seen as one of the truly wise men of our time. Offering an unprecedented look at both the man and his tenure, *White House Diary* is a fascinating book that stands as a unique contribution to the history of the American presidency.

White House Nannie Maud Shaw.1966 Maud Shaw, an Englishwoman from Kent , is one of a famous, fast-disappearing and very special kind of governess- the English nannie. She came to the Kennedys just before the birth of Caroline, when John Fitzgerald Kennedy was still a promising young Senator. And she stayed with the family through triumph and tragedy for seven unforgettable years.

The Triumph & Tragedy of Lyndon Johnson Joseph A. Califano.2015-02-03 Describes Johnson's obsession with Vietnam and his manipulation of Congress and the economy to achieve his goals.

The White House Years: Waging Peace Dwight David Eisenhower.1965

White House Years Henry Kissinger.2011-05-12 This monumental work, covering Kissinger's first four years (1969-1973) as Assistant to the President for National Security Affairs and President Nixon's closest advisor on foreign policy, is one of the most significant books to come out of the Nixon administration. Among the countless moments Kissinger recalls in *White House Years* are his first meeting with Nixon, his secret trip to China, the first SALT negotiations, the Jordan crisis of 1970, the India-Pakistan war of 1971, and the historic summit meetings in Moscow and Beijing in 1972. He offers insights into the Middle East conflicts, Anwar Sadat's break with the Soviet Union, the election of Salvador Allende in Chile, issues of defense strategy, and relations with Europe and Japan. Other highlights are his relationship with Nixon, brilliant portraits of major foreign leaders, and his views on handling crises and the art of diplomacy. Few men have wielded as much influence on American foreign policy as Henry Kissinger. *White House Years*, his own record, makes an invaluable and lasting contribution to the history of this crucial time.

Upstairs at the White House J. B. West,Mary Lynn Kotz.2013-10-01 In this New York Times bestseller, the White House chief usher for nearly three decades offers a behind-the-scenes look at America's first families. J. B. West, chief usher of the White House, directed the operations and maintenance of 1600 Pennsylvania Avenue—and coordinated its daily life—at the request of the president and his family. He directed state functions; planned parties, weddings and funerals, gardens and playgrounds, and extensive renovations; and, with a large staff, supervised every activity in the presidential home. For twenty-eight years, first as assistant to the chief usher, then as chief usher, he witnessed national crises and triumphs, and interacted daily with six consecutive presidents and first ladies, as well as their parents, children and grandchildren, and houseguests—including friends, relatives, and heads of state. J. B. West, whom Jackie Kennedy called "one of the most extraordinary men I have ever met," provides an absorbing, one-of-a-kind history of life among the first ladies. Alive with anecdotes ranging from Eleanor Roosevelt's fascinating political strategies to Jackie Kennedy's tragic loss and the personal struggles of Pat Nixon, *Upstairs at the White House* is a rich account of a slice of American history that usually remains behind closed doors.

The White House Years Henry Kissinger.2000 In this first volume of his memoirs, Dr Kissinger covers his first four years (1969-1973) as Assistant to

the President for National Security Affairs - and President Nixon's closest adviser on foreign policy. It is undoubtedly the most significant book to come out of the Nixon Administration. Among the countless great and critical moments Dr Kissinger recalls are his first meeting with Nixon, his secret trip to China, the first SALT negotiation, the Jordan crisis of 1970, the India-Pakistan war of 1971, and the historic summit meetings in Peking and Moscow. He covers the major controversies over Indochina policy during that period, including events in Laos, the overthrow of Cambodia's Prince Sihanouk, his secret talks with the North Vietnamese in Paris, his 'Peace is at hand' press conference, and the breakdown of the talks that led to the 'Christmas bombing' of 1972. He offers his insights into the Middle East conflicts, Sadat's break with the Soviets, the election of Salvador Allende in Chile, issues of defence strategy, and relations with Europe and Japan. Other highlights are his relationship with Nixon, brilliant portraits of major foreign leaders, and his views as to the handling of crises and the art of diplomacy. Few men have wielded as much influence in the arena of American foreign policy as Henry Kissinger. This record makes an invaluable and lasting contribution to the history of this crucial time.

The White House Plumbers Egil "Bud" Krogh, Matthew Krogh. 2022-12-27 SOON TO BE A FIVE-PART HBO SERIES, STARRING WOODY HARRELSON AND JUSTIN THEROUX The true story of The White House Plumbers, a secret unit inside Nixon's White House, and their ill-conceived plans stop the leaking of the Pentagon Papers, and how they led to Watergate and the President's demise. On July 17, 1971, Egil "Bud" Krogh was summoned to a closed-door meeting by his mentor—and a key confidant of the president—John Ehrlichman. Expecting to discuss the most recent drug control program launched in Vietnam, Krogh was shocked when Ehrlichman handed him a file and the responsibility for the Special Investigations Unit, or SIU, later to be notoriously known as "The Plumbers." The Plumbers' work, according to Nixon, was critical to national security: they were to investigate the leaks of top secret government documents, including the Pentagon Papers, to the press. Driven by blind loyalty, diligence, and dedication, Krogh, along with his co-director, David Young, set out to handle the job, eventually hiring G. Gordon Liddy and E. Howard Hunt, who would lead the break-in to the office of Dr. Fielding, a psychiatrist treating Daniel Ellsberg, the man they suspected was doing the leaking. Krogh had no idea that his decisions would soon lead to one of the most famous conspiracies in presidential history and the demise of the Nixon administration. The White House Plumbers is Krogh's account of what really happened behind the closed doors of the Nixon White House, and how a good man can make bad decisions, and the redemptive power of integrity. Including the story of how Krogh served time and later rebuilt his life, The White House Plumbers is gripping, thoughtful, and a cautionary tale of placing loyalty over principle.

Eisenhower Jim Newton. 2012-10-02 Newly discovered and declassified documents make for a surprising and revealing portrait of the president we thought we knew. America's thirty-fourth president was belittled by his critics as the babysitter-in-chief. This new look reveals how wrong they were. Dwight Eisenhower was bequeathed the atomic bomb and refused to use it. He ground down Joseph McCarthy and McCarthyism until both became, as he said, McCarthyism. He stimulated the economy to lift it from recession, built an interstate highway system, turned an \$8 billion deficit in 1953 into a \$500 million surplus in 1960. (Ike was the last President until Bill Clinton to leave his country in the black.) The President Eisenhower of popular imagination is a benign figure, armed with a putter, a winning smile, and little else. The Eisenhower of veteran journalist Jim Newton's rendering is shrewd, sentimental, and tempestuous. He mourned the death of his first son and doted on his grandchildren but could, one aide recalled, peel the varnish off a desk with his temper. Mocked as shallow and inarticulate, he was in fact a meticulous manager. Admired as a general, he was a champion of peace. In Korea and Vietnam, in Quemoy and Berlin, his generals urged him to wage nuclear war. Time and again he considered the idea and rejected it. And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools. Rare interviews, newly discovered records, and fresh insights undergird this gripping and timely narrative.

President Lincoln Demi. 2016 From a small log cabin in Kentucky to the frontier of Indiana to the steps of the White House, Abraham Lincoln rose from humble beginnings to become the sixteenth president of the United States.

White House Years HENRY KISSINGER. 1979

The Enigmatic Realm of **White House Years English Edition**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary.
