Shiva Manasa Pooja Koushik K.2020-06-03 Shiva manasa pooja is one of the easiest and shortest and most beautiful hymns on Shiva which helps us to do a mental worship or internal worship. Wherever we are and in whichever time we want, we can do the mental worship. Mental worship is the process of visualizing the god, then visualizing various offerings and offer them to the lord mentally. The basic offerings are of sixteen kinds which will be discussed in detail throughout this book. This worship is one of the best ways to connect with god. You don't need to depend on any external factors or availability of things. You can create things out of our visualization and offer them to god. All that god cares is that you wish to offer him something with love and you are thinking about him with love and devotion while offering mentally. This kind of worship has an equal importance just like external ritualistic worship (baahya pooja) - external worship. Even at times when you are not able to do the external worship, it is prescribed that you do internal worship of the lord. This hymn is one of the simplest ways to help you do it. You can do it two times a day. There are no special rules to be followed. Just chant this hymn with devotion and visualize every offering in each step and offer it to lord Shiva. I will give you a couple of Dhyana shlokas (verses for contemplation and visualization) of lord Shiva which you can use to visualize Shiva and then slowly visualize various offerings and offer them to lord Shiva as guided by the hymn.

Decoding 'The God' and 'The Religion' - (Volume-1) Akhil Rajendra.2020-09-15 Decoding 'The God' and 'The Religion' is written in a format that is easy to read and understand, whether the reader is a 13-15 years old or 50-60 years old, a 10th grader or a post graduate. It caters to everyone in a simplified manner with the idea of not asking one to 'believe', but to understand, feel, introspect, explore and know the answers. Each line is written matter-of-factly, which will make readers feel like this is something they already knew, they already had inside them and will hopefully encourage you to look within. Evolution plays a huge part here in this era, so to help you enjoy the experience of your individual journey into the Divinity, I do not need to make you wear the coloured spectacles of belief and dogmas. In today's time, there already is so much information, and awareness, so many studies on physical and medical education, which are progressing every passing day. Social and judicial systems also get upgraded in most democratic countries, so I do not need to write a lot about it; that would be like rewriting an existing software as religion in a book or this series of books. All I need to do here is remove the coloured lens of belief and dogma, and open all eyes to understanding, giving accessibility to upgrades and updates of existing software, with the right intent, taking the human brain as the hardware. I have refrained from taking the name of any religion, sect or belief, or of their respective preachers, so that opportunists do not mislead people from the right context and intent of this book for the sake of their greed, lust, personal gains and agendas.

Yoga Deepak Kashyap.2021-08-23 This book is about the forgotten art and science of healing: retrieved and reaped in easy steps. Equally, it is an attempt at interpreting the ancient Upanishadic wisdom through the author's insight: showing the essential oneness of spirituality with the mind-body matrix. Layers of wisdom unravel as the author unfolds the science of Yoga: dispelling myths while reinforcing the Truth. Touching upon subjects of contemporary interest - Cosmic Energy, Reiki, Karma, Kundalini, Yoga, Health etc. - the book has a universal appeal. Of particular interest to the scientifically-inclined is the author's juxtaposing of scriptural wisdom of the East with the West's path-breaking findings in Quantum Physics, Probabilistic nature of the Universe, Psychoneuroimmunology and Parapsychology. That the author throws light on these esoteric matters through
