

Mind Your Business A Workbook To Grow Your Creati

A Whole New Mind Daniel H. Pink.2006-03-07 New York Times Bestseller An exciting--and encouraging--exploration of creativity from the author of *When: The Scientific Secrets of Perfect Timing* The future belongs to a different kind of person with a different kind of mind: artists, inventors, storytellers-creative and holistic right-brain thinkers whose abilities mark the fault line between who gets ahead and who doesn't. Drawing on research from around the world, Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*) outlines the six fundamentally human abilities that are absolute essentials for professional success and personal fulfillment--and reveals how to master them. *A Whole New Mind* takes readers to a daring new place, and a provocative and necessary new way of thinking about a future that's already here.

Beyond Digital Paul Leinwand,Mahadeva Matt Mani.2022-01-04 Two world-renowned strategists detail the seven leadership imperatives for transforming companies in the new digital era. Digital transformation is critical. But winning in today's world requires more than digitization. It requires understanding that the nature of competitive advantage has shifted—and that being digital is not enough. In *Beyond Digital*, Paul Leinwand and Matt Mani from Strategy&, PwC's global strategy consulting business, take readers inside twelve companies and how they have navigated through this monumental shift: from Philips's reinvention from a broad conglomerate to a focused health technology player, to Cleveland Clinic's engagement with its

broader ecosystem to improve and expand its leading patient care to more locations around the world, to Microsoft's overhaul of its global commercial business to drive customer outcomes. Other case studies include Adobe, Citigroup, Eli Lilly, Hitachi, Honeywell, Inditex, Komatsu, STC Pay, and Titan. Building on a major new body of research, the authors identify the seven imperatives that leaders must follow as the digital age continues to evolve: Reimagine your company's place in the world Embrace and create value via ecosystems Build a system of privileged insights with your customers Make your organization outcome-oriented Invert the focus of your leadership team Reinvent the social contract with your people Disrupt your own leadership approach Together, these seven imperatives comprise a playbook for how leaders can define a bolder purpose and transform their organizations.

The Business Plan Workbook Colin Barrow, Paul Barrow, Robert Brown. 2018-02-03 One of the most important steps in launching or expanding a venture is the creation of a business plan. The absence of a written business plan can lead to failure for new businesses, and inhibit growth and development. Based on methodology developed at Cranfield School of Management, *The Business Plan Workbook* takes a practical approach to the topic of business planning. Perfect for those growing businesses, as well as a range of academic and professional courses, this title takes the reader step-by-step through each phase of the development of a business plan, from creating a competitive business strategy to its writing and presentation. With 29 corresponding assignments that each includes case studies such as Hotmail, Cobra Beer, IKEA and Amazon, actively engaging questions and worksheets, it will enable you to validate your business idea, brand your business, research your market, and raise finance. This new edition includes an additional assignment covering online content, key words, SEO, Social Media, traffic tracking, affiliate marketing and online advertising. With a range of fresh case

studies including BrewDog, Chilango and Honest Burgers, this fully updated ninth edition of The Business Plan Workbook is an invaluable and comprehensive guide to all aspects of business planning.

Business For Authors Joanna Penn.2018-08-12 Are you ready to take the next step in your author journey? Art for the sake of art is important. Writing for the love of it, or to create something beautiful on the page, is absolutely worthwhile and critical to expand the sum of human expression. But I'm not here to talk about creativity or the craft of writing in this book. My aim is to take the result of your creativity into the realm of actually paying the bills. To take you from being an author to running a business as an author. I was a business consultant for 13 years before I gave up my job in September 2011 to become a full-time author-entrepreneur. I worked for large corporates and small businesses, implementing financial systems across Europe and Asia Pacific. I've also started a number of my own businesses " a scuba dive charter boat in New Zealand, a customized travel website, a property investment portfolio in Australia as well as my freelance consultancy. I've failed a lot and learned many lessons in my entrepreneurial life and I share them all in this book. In the last six years of being an author, through tempestuous changes in the publishing world, I've learned the business side of being a writer and I now earn a good living as an author-entrepreneur. I'm an author because it's my passion and my joy but also because it's a viable business in this age of global and digital opportunity. In the book, you will learn: Part 1: From Author To Entrepreneur The arc of the author's journey, definition of an author-entrepreneur, deciding on your definition of success. Plus/ should you start a company? Part 2: Products and Services How you can turn one manuscript into multiple streams of income by exploiting all the different rights, various business models for authors and how to evaluate them, information on contracts, copyright and piracy. Plus/ putting together a production plan. Part 3: Employees,

Suppliers and Contractors The team you need to run your business. Your role as author and what you're committing to, as well as co-writing. Editors, agents and publishers, translators, book designers and formatters, audiobook narrators, book-keeping and accounting, virtual assistants. Plus/ how to manage your team. Part 4: Customers In-depth questions to help you understand who your customers are and what they want, as well as customer service options for authors. Part 5: Sales and Distribution How to sell through distributors and your options, plus all the information you need to sell direct. ISBNs and publishing imprints " do you need them? Plus/ your options for pricing. Part 6: Marketing Key overarching marketing concepts. Book-based marketing including cover, back copy and sales pages on the distributors. Author-based marketing around building your platform, and customer-based marketing around your niche audience and targeted media. Part 7: Financials Revenues of the author business and how to increase that revenue. Costs of the author business and funding your startup. Banking, PayPal, accounting, reporting, tax and estate planning. Part 8: Strategy and Planning Developing your strategy and business plan. Managing your time and developing professional habits. The long-term view and the process for becoming a full-time author. Plus/ looking after yourself. Part 9: Next Steps Questions from the book to help you work out everything to do with your business, plus encouragement for your next steps. Appendices, Workbook and Bonus Downloads including a workbook and business plan template. If you want to go from being an author to running a business as an author, download a sample or buy now.

For small to mid-size business owners and marketing professionals, *Marketing For Dummies* lets you harness the latest ideas to drive traffic, boost sales, and move your business forward.

Building a Second Brain Tiago Forte. 2022-06-14 "One of my favorite books of the year. It completely reshaped how I think about information and how and why I take notes." —Daniel Pink, bestselling author of *Drive* A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often left feeling overwhelmed by this constant influx of information. The very knowledge that was supposed to set us free has instead led

to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain.

[CREATE an Intensive Biz Playbook and Planner](#) Meera

Kothand.2018-11-05 An intensive business playbook for ambitious solopreneurs & small business owners who want to build an online business they crave, experience explosive growth, and embrace their zone of genius Need a business coach or mentor without the hefty price tag? Meet CREATE. This intensive business playbook is a companion to the wildly popular CREATE: One-Year Blog & Editorial Planner. Designed to be picked up at any time of the year, you can use this workbook as an end of year business retreat exercise to reflect and reorganize, a mid-year declutter-your-biz exercise, or simply because you need a surge of inspiration. But unlike other planners and workbooks that ask surface level questions, CREATE will help you dig deeper into your business. Here's what you'll uncover with CREATE: How to visualize and create your own powerful 4-step marketing funnel that seamlessly moves your subscriber through his or her buying journey. WHY you're probably sitting on gold mines of existing offers(and WHAT you need to do to polish, refine & relaunch them) How to avoid the feast or famine trapthat businesses fall

into How to create an income plan for your business TODAY with real numbers you can track (it's not rocket science. Neither is it scary!) My 4-part process that gives your business a 360 view into 7 critical areas Discover 2 unique ways to increase the number of revenue streams WITHOUT adding a new one The 5 types of people who come into contact with your business and brand (and why you need all 5 of them!) And more... This 160-page playbook has plenty of space to hold your creative thoughts, ideas, and scribbles. The questions it raises will help you reflect, reframe, and realign different aspects of your business. Yet, you'll never feel lost because of the prompts and suggestions you'll be presented with every step of the way. CREATE will hand-hold you through the process as you consider the tough questions that will enable you to design a business that embraces your zone of genius. Intrigued yet? Then scroll to the top and click or tap Buy Now.

Your Next Big Idea Samuel Sanders. 2022-01-08 Barnes & Noble Version: This is the black and white version of the Your Next Big Idea book. The goal of Your Next Big Idea - Improve Your Creativity and Problem-Solving is to help the reader develop innovative ideas. Whether those ideas are giant multi-million-dollar businesses or simply ways to improve everyday activities, this book describes a process that can be used to help the reader originate and cultivate ideas that can change their life. It is styled as an interactive workbook where the main character is the reader, with each section featuring exercises that will challenge the reader's perspective, improve creativity and help them become a better problem solver. The book is split up into six sections. The first section outlines how to notice problems, needs, wants and questions in our everyday world. The book then follows with a second section that examines how to erase stigmas or assumptions about these problems, needs, wants and questions. Following that, the book investigates how to create solutions to these problems, needs and wants using the skills learned from the

first two sections. Next, the reader takes those solutions to section four where they do a feasibility check to see if the solutions and ideas are viable. Section five explains how and why the reader should share those ideas and solutions with others to receive feedback and improve upon them. By the end of the fifth section, each reader should understand the full creative idea innovation process. The final section builds off the process and explores the next steps to follow to implement these innovative ideas. Ultimately, *Your Next Big Idea - Improve Your Creativity and Problem-Solving* is essentially a complete program that guides the reader to come up with their own next big idea.

Conquer Your Year Natalie MacNeil.2016-11-15 This is the ultimate planning system to help you stay on track with your entrepreneurial goals. Mind Your Mindset Michael Hyatt, Megan Hyatt

Miller.2023-01-31 Do you trust the voice in your head? Our brains are remarkable. They subconsciously translate the events around us into meaningful storylines that inform what we think and how we live. The problem is, the stories our minds feed us as facts aren't always true. Worse, these stories turn into false beliefs about others, the world, and ourselves that keep us from our true potential. These limiting beliefs confront us all. But what if you could harness your brain's operating system to tell a new story? Not just any story. A true story that empowers you to overcome limitations and surpass your goals. Drawing upon the latest insights in performance psychology, neuroscience, and cognitive science, as well as case studies from their own clients, New York Times bestselling author Michael Hyatt and Megan Hyatt Miller outline a framework anyone can follow to test their own assumptions and start living better, truer stories that shape superior outcomes in business and life.

The Creative Entrepreneur Isa Maria Seminega.2015-10-22

Start Your Own Business Rieva Lesonsky.2001 With this newly updated edition, the experts show you how to make your dreams of starting a business come true!

INSPIRED Marty Cagan.2017-11-17 How do today's most successful tech companies—Amazon, Google, Facebook, Netflix, Tesla—design, develop, and deploy the products that have earned the love of literally billions of people around the world? Perhaps surprisingly, they do it very differently than the vast majority of tech companies. In **INSPIRED**, technology product management thought leader Marty Cagan provides readers with a master class in how to structure and staff a vibrant and successful product organization, and how to discover and deliver technology products that your customers will love—and that will work for your business. With sections on assembling the right people and skillsets, discovering the right product, embracing an effective yet lightweight process, and creating a strong product culture, readers can take the information they learn and immediately leverage it within their own organizations—dramatically improving their own product efforts. Whether you're an early stage startup working to get to product/market fit, or a growth-stage company working to scale your product organization, or a large, long-established company trying to regain your ability to consistently deliver new value for your customers, **INSPIRED** will take you and your product organization to a new level of customer engagement, consistent innovation, and business

success. Filled with the author's own personal stories—and profiles of some of today's most-successful product managers and technology-powered product companies, including Adobe, Apple, BBC, Google, Microsoft, and Netflix—INSPIRED will show you how to turn up the dial of your own product efforts, creating technology products your customers love. The first edition of INSPIRED, published ten years ago, established itself as the primary reference for technology product managers, and can be found on the shelves of nearly every successful technology product company worldwide. This thoroughly updated second edition shares the same objective of being the most valuable resource for technology product managers, yet it is completely new—sharing the latest practices and techniques of today's most-successful tech product companies, and the men and women behind every great product.

Business Minded Carly A. Riordan. 2021-12-28 Carly's goal for you: become a happy, healthy, successful, business-minded boss. Mind Your Business puts you in the driver's seat. It will help you navigate the journey of starting your first business and take your ambitions and ideas from wishful thinking to successful reality.

Start with Why Simon Sinek.2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY

Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

In Your Dreams Ilana Griffo.2020-10-29 Make 2023 your year with this complete vision board kit, including all the supplies, clip art and stickers you need to create a personalized vision board. *In Your Dreams* includes all the supplies you need to create your vision board—a collage of words, quotes, and pictures that visually represent the life and future you want. Boss Up! Lindsay Teague Moreno.2019-08-06 *Boss Up!* will help you put your business on the map and the ideas you've previously only dreamed about into the marketplace. Learn to overcome your fears and guilt to find a fulfillment that changes you and your family for the better— breaking free of the hard and boring and having fun along the way. In *Boss Up!* Lindsay helps you gain confidence to understand that having ambition doesn't make you a bad wife or mother. That it's okay to have a desire for something more than endless sippy cups, clean-ups, Band-Aids, and groundings. That no matter your education or experience, you can tap into your passions and create businesses that give you increased flexibility, fulfillment, and financial security. Lindsay doesn't just do this through commiserating but by giving you the tools for change. Using the lessons she learned on her own path to success, Lindsay shares real, solid business principles with ten distinct success philosophies that you will encounter on the journey to entrepreneurship, such as: Thinking long-term Being unapologetically yourself Use the "unsales" tactic Understand your "why" Lindsay is a stay-at-home mom turned multimillion-dollar-producing business owner, but she doesn't just have a passion for entrepreneurship. She has a deep passion for helping women of all walks of life gain the confidence and skills to tap into their ambition and achieve success in their

own business endeavors. Are you ready to Boss Up?
Grow Your Handmade Business Kari Chapin.2012-01-01
Addresses all aspects of turning a creative interest into a profitable business, covering business planning, licensing, budgeting, time management, and legal issues.

Storytelling with Data Cole Nussbaumer Knaflic.2015-10-09
Don't simply show your data—tell a story with it! Storytelling with Data teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

Craft, Inc. Meg Ilasco.2010-07-01 Craft, Inc. is the hipster business primer for entrepreneurial crafters to turn what they do for fun into what they do for money. Pro crafter Meg Mateo Ilasco offers a step-by-step guide to everything from developing

Learn the eight steps to building a valuable, saleable business that makes money without you. This book will change the way your approach your business planning ... forever--Publisher information.

Atomic Habits James Clear. 2018-10-16 The #1 New York Times bestseller. Over 10 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and

work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Product-Led Growth Bush Wes.2019-05 Product-Led Growth is about helping your customers experience the ongoing value your product provides. It is a critical step in successful product design and this book shows you how it's done. - Nir Eyal, Wall Street Journal Bestselling Author of Hooked

- Suggestions on how to dominate online platforms
- Tips to beat your competitors with SEO and social media

Mind Your Business puts you in the driver's seat. It will help you navigate the journey of starting your first business and take your ambitions and ideas from wishful thinking to successful reality.

Build the Damn Thing Kathryn Finney. 2022-06-07 The Wall Street Journal Bestseller featured in Bloomberg, Fast Company, Masters of Scale, the Motley Fool, Marketplace and more. An indispensable guide to building a startup and breaking down the barriers for diverse entrepreneurs from the visionary venture capitalist and pioneering entrepreneur Kathryn Finney. Build the Damn Thing is a hard-won, battle-tested guide for every entrepreneur who the establishment has left out. Finney, an investor and startup champion, explains how to build a business from the ground up, from developing a business plan to finding investors, growing a team, and refining a product. Finney empowers entrepreneurs to take advantage of their unique networks and resources; arms readers with responses to investors who say, "great pitch but I just don't do Black women"; and

inspires them to overcome naysayers while remaining “100% That B*tch.” Don’t wait for the system to let you in—break down the door and build your damn thing. For all the Builders striving to build their businesses in a world that has overlooked and underestimated them: this is the essential guide to knowing, breaking, remaking and building your own rules of entrepreneurship in a startup and investing world designed for and by the “Entitleds.”

The Stonewall Reader New York Public Library, Jason Baumann. 2019-04-30 For the fiftieth anniversary of the Stonewall uprising, an anthology chronicling the tumultuous fight for LGBTQ rights in the 1960s and the activists who spearheaded it, with a foreword by Edmund White. Finalist for the Randy Shilts Award for Gay Nonfiction, presented by The Publishing Triangle Tor.com, Best Books of 2019 (So Far) Harper’s Bazaar, The 20 Best LGBTQ Books of 2019 The Advocate, The Best Queer(ish) Non-Fiction Tomes We Read in 2019 June 28, 2019 marks the fiftieth anniversary of the Stonewall uprising, which is considered the most significant event in the gay liberation movement, and the catalyst for the modern fight for LGBTQ rights in the United States. Drawing from the New York Public Library’s archives, The Stonewall Reader is a collection of first accounts, diaries, periodic literature, and articles from LGBTQ magazines and newspapers that documented both the years leading up to and the years following the riots. Most importantly the anthology spotlights both iconic activists who were pivotal in the movement, such as Sylvia Rivera, co-founder of Street Transvestites Action Revolutionaries (STAR), as well as forgotten figures like Ernestine Eckstein, one of the few out, African American, lesbian activists in the 1960s. The anthology focuses on the events of 1969, the five years before, and the five years after. Jason Baumann, the NYPL coordinator of humanities and LGBTQ collections, has edited and introduced the volume to coincide with the NYPL exhibition he has curated on the Stonewall uprising and gay liberation

movement of 1969.

Your Next Five Moves Patrick Bet-David.2021-06 From the creator of Valuetainment, the #1 YouTube channel for entrepreneurs, and “one of the most exciting thinkers” (Ray Dalio, author of Principles) in business today, comes a practical and effective guide for thinking more clearly and achieving your most audacious professional goals. Both successful entrepreneurs and chess grandmasters have the vision to look at the pieces in front of them and anticipate their next five moves. In this book, Patrick Bet-David “helps entrepreneurs understand exactly what they need to do next” (Brian Tracy, author of Eat That Frog!) by translating this skill into a valuable methodology. Whether you

feel like you've hit a wall, lost your fire, or are looking for innovative strategies to take your business to the next level, *Your Next Five Moves* has the answers. You will gain: CLARITY on what you want and who you want to be. STRATEGY to help you reason in the war room and the board room. GROWTH TACTICS for good times and bad. SKILLS for building the right team based on strong values. INSIGHT on power plays and the art of applying leverage. Combining these principles and revelations drawn from Patrick's own rise to successful CEO, *Your Next Five Moves* is a must-read for any serious executive, strategist, or entrepreneur. *The Young Entrepreneur's Guide to Starting and Running a Business* Steve Mariotti.2014-04-29 It doesn't matter how old you are or where you're from; you can start a profitable business. *The Young Entrepreneur's Guide to Starting and Running a Business* will show you how. Through stories of young entrepreneurs who have started businesses, this book illustrates how to turn hobbies, skills, and interests into profit-making ventures. Mariotti describes the characteristics of the successful entrepreneur and covers the nuts and bolts of getting a business up, running and successful.

Find Mind Your Business A Workbook To Grow Your Creati

Looking for the next great book to sink your teeth into? Look no further. As the year rolls on, you may find yourself wanting to set aside time to catch up on reading. We have good news for you, digital bookworms — you can get in a good read without spending a dime. The internet is filled with free e-

book resources so you can download new reads and old classics from the comfort of your iPad. A few genres available in eBooks at Freebooksy include Science Fiction, Horror, Mystery/Thriller, Romance/Chick Lit, and Religion/Spirituality. The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories. The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author’s website. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you’d rather not check Centsless Books’ website for updates, you can follow them on Twitter and subscribe to email updates. In some cases, you may also find free books

that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here’s how to find free books (both public domain and otherwise) through Google Books. We provide a wide range of services to streamline and improve book production, online services and distribution. For more than 40 years, \$domain has been providing exceptional levels of quality pre-press, production and design services to book publishers. Today, we bring the advantages of leading-edge technology to thousands of publishers ranging from small businesses to industry giants throughout the world. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It’s a shame that fiction and non-fiction aren’t separated, and you have to open a bookshelf before you can sort books by

country, but those are fairly minor quibbles. Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic.
