She's no longer mute, though she keeps her faded scars hidden under her school uniform, and though she opens up only to her two best friends, Ruby and Ellie, and to Nico, who has become more than a brother to her. But even though Cami is a pampered Vultusino heiress, she knows that she is not really Family. Unlike them, she is a mortal with a past that lies buried in trauma. And it's not until she meets the mysterious Tor, who reveals scars of his own, that Cami begins to uncover the secrets of her birth...to find out where she comes from and why her past is threatening her now.

Fairy tales retold—with a twist—from “some of our best storytellers” including Neil Gaiman, Gahan Wilson, Tanith Lee, and others (The Washington Post). In this “no holds barred . . . nightmarish . . . provocative” collection, bestselling and award-winning fantasy masters put a dark, disturbing, and erotic spin on your favorite bedtime stories—and give you something entirely new to trouble your dreams (The New York Times Book Review). A boy is haunted through adulthood by a soul-eating creature that lies forever in wait under Neil Gaiman’s “Troll Bridge”; a melancholy amphibian shares his most private fantasies with a therapist in Gahan Wilson’s “The Frog Prince”; in Tanith Lee’s “Snow-Drop,” a lonely artist invites seven circus performers into her home to satisfy an obsession; in Steve Rasnic Tem’s “Little Poucet,” a band of lost brothers find refuge and terror with a hungry family in the woods; and Wendy Wheeler delves into the deviant psyche of the predatory male in “Little Red.” Also featuring Nancy Kress, Charles de Lint, Melanie Tem, Patricia A. McKillip, Jack Dann, and others, all paying a revisit to our favorite fairy tales in ways you’ve never dared to imagine.

I am the bringer of death the whole world fears... Richard can't die. And he's sure he's a monster, though can't remember. Cranky, changing names and inventing his own reality century after century, a healer by trade, he's riddled with guilt over the blood-stealing curse he can't outrun while people keep showing up for help. Mostly? He wants to be left alone. He says he's been in the world so long he stopped looking at why things happen. But maybe he should. And ten-year-old Myles sees past his growling to worm his way into his undead heart, too. But after vicious pirate captain, Billy the Blackdeath, calls at the little house in the hills Richard builds for Maggie, things are never the same again. Morose, Richard drifts through three-hundred years of self-imposed isolation in a remote forest in the New World until, to his undying annoyance, in the present day

he's forced into foster-parenthood by an exasperating, young, computer-savvy vampire, Alan, and his cohorts. And learns there is a reason for everything. Richard protests he's nobody's hero though a manic, all-consuming need to protect human and not-so-human says otherwise, but the harder he resists, the more it smacks of godly interference of mythological proportion that threatens to drop destiny and the fate of the entire world in his own backyard.

**Vampires & Gargoyles** RaShelle Workman.2020-02-26 Be careful what you wish for... After meeting a genie named Laeddin, he promised to grant me three wishes. Since I made my first wish, the world has fallen into chaos. Akuma rage across the land, killing without remorse. Laeddin thinks if we find all the pieces to a crown created by elves thousands of years ago, I can defeat the evil determined to rule over the Earth. I'm not sure. But I'll do anything to fix what I've broken. The first piece of the crown is located in Connecticut. The second in the gargoyle realm. In both places, I have to fight the demons inside of me as well as those desperate to stop me. Thankfully I have friends to help, including the half dragon, Troy, and even Christopher, the Hunter. Wish me luck!

**Blood and Snow 11** Rashelle Workman.2016-08-15 My name is Jasmine and I am an original vampire. To me, that meant living in the land of Sharra with my mom and dad, the king and queen. It also meant that I had wings firmly planted on my back and oodles of magic at my fingertips. It sounds amazing now, but for years I despised those unique qualities about myself. Instead of embracing my differences, I longed to be normal. I wanted to live in the human realm. Attend a regular high school, find a boyfriend, and receive my first kiss. One day, I met a genie named Laeddin and he granted my wish. That was a few months ago. A lot has happened since then. People have died. The world is

dwindling in darkness. And a pestilence is turning all creatures into Akuma, demons whose only purpose is to serve the evil mistress, Maleficent. There is a single thread of hope. I must find a crown created by fairies thousands of years ago and use its power to stop Maleficent. The crown has been split into five fragments. I've already retrieved one piece, but there are still four to go. Laeddin believes he's located a piece in the gargoyle realm, a land covered in steep mountains, jagged rocks, and gargoyles. They aren't a very friendly bunch, but I will do whatever it takes to collect the remaining pieces and save the world.

**Eternally Entangled** RaShelle Workman.2020-10-20 My first week of college, and I already had an embarrassing mishap with magical jungle juice. On the plus side, I also got my first toe-curling kiss. Too bad the guy with the amazing lips is off-limits. At least, he should be. ♥ After escaping my lonely prison, all I wanted was to attend Gothel Springs University. Filled with humans and supernaturals, it seemed the perfect place to hide. Even with a magical spell protecting me, there are those who know what I am, and they will do anything for my blood. That's why I've always stayed away from vampires. My parents taught me how to slay them before I learned how to ride a bike. But what if the man I'm beyond attracted to has become one? I can't tell, and I don't want to because I want more of his kisses. I'm already half-way to falling for him. And with vampires, love is eternal.
