Khullam Khulla Rishi Kapoor.2017-01-15 Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (Mera Naam Joker, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (Bobby, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like Do Dooni Chaar, D-Day, Agneepath and others.Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of Khullam Khulla. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in Mera Naam Joker, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned.

Cues Vanessa Van Edwards.2022-03-01 Wall Street Journal bestseller! For anyone who wants to be heard at work, earn that overdue promotion, or win more clients, deals, and projects, the bestselling author of Captivate, Vanessa Van Edwards, shares her advanced guide to improving professional relationships through the power of cues. What makes someone charismatic? Why do some captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? If you have ever been interrupted in meetings, overlooked for career opportunities or had your ideas ignored, your cues may be the problem - and the solution. Cues - the tiny signals we send to others 24/7 through our body language, facial expressions, word choice, and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likeability, and charisma in every interaction. You'll learn: • Which body language cues assert, "I'm a leader, and here's why you should join me." • Which vocal cues make you sound more confident • Which verbal cues to use in your résumé, branding, and emails to increase trust (and generate excitement about interacting with you.) • Which visual cues you are sending in your profile pictures, clothing, and professional brand. Whether you're pitching an investment, negotiating a job offer, or having a tough conversation with a colleague, cues can help you improve your relationships, express empathy, and create meaningful connections with lasting impact. This is an indispensable guide for entrepreneurs, team leaders, young professionals, and anyone who wants to be more influential.

Why Women Have Sex Cindy M. Meston,David M. Buss.2009-09-29 An unparalleled exploration of the mysteries underlying women's sexuality that rivals the culture-shifting Kinsey Report, from two of America's leading research psychologists Do women have sex simply to reproduce or display their affection? When University of Texas at Austin clinical psychologist Cindy M. Meston and evolutionary psychologist David M. Buss joined forces to investigate the underlying sexual motivations of women, what they found astonished them. Through the voices of real women, Meston and Buss reveal the motivations that guide women's sexual decisions and explain the deep-seated psychology and biology that often unwittingly drive women's desires—sometimes in pursuit of health or pleasure, or sometimes for darker, disturbing reasons that a woman may not fully recognize. Drawing on more than a thousand intensive interviews conducted solely for the book, as well as their pioneering research on physiological response and evolutionary emotions, Why Women Have Sex uncovers an amazingly complex and nuanced portrait of female sexuality. They delve into the use of sex as a defensive tactic against a mate's infidelity (protection), as a ploy to boost self-confidence (status), as a barter for gifts or household chores (resource acquisition), or as a cure for a migraine headache (medication). Why Women Have Sex stands as the richest and deepest psychological understanding of female sexuality yet achieved and promises to inform every woman's (and her partner's) awareness of her relationship to sex and her sexuality.

Wild And Wilful Neha Sinha.2021-02-10 A profound truth of the wild, and the world at large, is that we are a part of it, not owners of it. Is there any animal we love and hate as much as the Royal Bengal Tiger? Tigers are feared and poached, but they also endure, becoming pin-ups for candlelight marches. Indian elephants are trapped by railway lines and fences, but are reclaiming their bodies and colonizing new areas in central India. And in our dirty cities, the sparkling Plain Tiger Butterfly flourishes as one of our last links to wildlife. Wild animals exist beyond our control. They are harmless, only occasionally dangerous. They live with us, or in spite of us. Those who know them understand that wild animals require acceptance for what they are, not enslavement for what we want them to be. In this book, we meet fifteen iconic Indian species in need of conservation and heart. The author explores what these creatures need, and how they exert agency and decision-making. With an equal emphasis on human and animal, science and skilled prose, Wild and Wilful reveals the magic of the wild in our daily lives. It will take you from fear to wonder.

Professor Kelli's Guide to Finding a Husband M. S. W. Kelli Miller.2010-05-22 I know what youOre thinking. You hate me. You got a glimpse of my ring and youOre pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last nightOs dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about OkaratsO was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. IOd been on blind dates and IOve been on dates where I wish I were blind. But I finally did find Mr. Right. And IOm going to show you how. Through humor, empowerment, and basic common sense clinical social worker Professor Kelli instills confidence in women, makes them laugh at their situation (or the men theyOve dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.

Plus a detailed menu plan, recipes and time-saving kitchen tips

Principles Ray Dalio.2018-08-07 #1 New York Times Bestseller “Significant...The book is both instructive and surprisingly moving.” —The New York Times Ray Dalio, one of the world’s most successful investors and entrepreneurs, shares the unconventional principles that he’s developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time magazine’s list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater’s exceptionally effective culture, which he describes as “an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency.” It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In *Principles*, Dalio shares what he’s learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book’s hundreds of practical lessons, which are built around his cornerstones of “radical truth” and “radical transparency,” include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating “baseball cards” for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, *Principles* also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they’re seeking to achieve. Here, from a man who has been called both “the Steve Jobs of investing” and “the philosopher king of the financial universe” (CIO magazine), is a rare opportunity to gain proven advice unlike anything you’ll find in the conventional business press.

Chanakya Neeti Chanakya.2020-09 Chanakya Neeti' is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. The topics discussed in this book are morality, ethics, governance and several others. Chanakya, traditionally known as Kautilya or Vishnu Gupta, was an Indian teacher, philosopher, economist, jurist and royal advisor. He wrote the 'Arthashastra', an ancient Indian political treatise. Considered a pioneer in the field of Political Science and Economics in India, his works, lost towards the end of the Gupta Empire, were fortunately rediscovered in 1915. He played a crucial role in the establishment and expansion of the Mauryan Empire.

Study Less, Study Smart Marty Lobdell.2015-03-16 This book present proven strategies to enhance learning and reduce wasted study time in any learning situation.

Hallucinations Oliver Sacks.2012-11-06 NATIONAL BESTSELLER • The poet laureate of medicine (The New York Times) and author of *The Man Who Mistook His Wife for a Hat* weaves together stories of mind-altering experiences to reveal what they tell us about our brains, our folklore and culture, and why the potential for hallucination exists in us all. “An absorbing plunge into a mystery of the mind.” —Entertainment Weekly To many people, hallucinations imply madness, but in fact they are a common part of the human experience. These sensory distortions range from the shimmering zigzags of a visual migraine to powerful visions brought on by fever, injuries, drugs, sensory deprivation, exhaustion, or even grief. Hallucinations doubtless lie behind many mythological traditions, literary inventions, and religious epiphanies. Drawing on his own experiences, a wealth of clinical cases from among his patients, and famous historical examples ranging from Dostoevsky to Lewis Carroll, the legendary neurologist Oliver Sacks investigates the mystery of these sensory deceptions: what they say about the working of our brains, how they have influenced our folklore and culture, and why the potential for hallucination is present in all humans.

Gandhi Jad Adams.2012-05-01 “Provocative. Adams strips away Gandhi’s saintly aura and explores the duality of India’s most famous leader.” —Financial Times Jad Adams traces the course of Gandhi’s multi-faceted life and the development of his religious, political, and social thinking over seven tumultuous decades: from his comfortable upbringing in a princely state in Gujarat; his early civil rights campaigns; his leadership through civil disobedience in the 1920s and 1930s that made him a world icon; and finally to his assassination by a Hindu extremist in 1948, only months after the birth of an independent India. An elegant and masterly account of one of the seminal figures of twentieth-century history, Adams presents for the first time the true story behind the man whose life may truly be said to have changed the world.

Why I Killed Gandhi Nathuram Godse.2020-10-02 While the nation was celebrating Independence from British Rule and singing all praises for the ‘Father of The Nation’ - Mahatma Gandhi, the news of his assassination came as a shock. He was shot in the chest three times while he was walking towards the prayer grounds at the Birla House, New Delhi. The man behind the assassination - Nathuram Godse was a well known nationalist. He was arrested at the crime scene and sentenced to death after a year long trial. The book contains the final speech given by Godse in the court, mentioning the reason behind the drastic step he took.

Everything Men Know About Women Alan Francis Garner,Cindy Cashman.2009-01-01 Fully reveals the shocking truth! --Daily News * A landmark book completely revised and updated to reveal what men really know about the opposite sex. In a little more than 100 pages, Dr. Alan Francis distills years of research and thousands of interviews to reveal the most comprehensive understanding of men's knowledge and understanding of the opposite sex in *Everything Men Know About Women*. * Fiercely frank and insightfully funny, Dr. Francis literally spells out everything men know on topics ranging from making friends with women to satisfying women in bed. To quote directly from famed Dr. Francis, men already know, about women and this book will teach them. * That's right, between the pages of this telling tome, readers will find 128 blank pages. Because in reality, what do men really know about women?

Asha Parekh The Hit Girl Khalid Mohamed.2017-04-10 Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An

alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

The Sun's Seventh Horse Dharmvir Bharati.1999 Novel written about the humor and hope in the lives of the lower middle class people of India.

The Rat Eater Anand Ranganathan, Chitra Subramaniam.2019-11-18 'I was born on a bloody road. The blood was my mother's. My sisters couldn't find a midwife in time. There was no way my mother could get relief from the upper-caste well, and so they tell me, that my sisters ran to some puddles to fill their little mouths up and then ran back to where my mother was almost dying of pain and then spat out some water on her face and the rest down below on mine. That is how I came into this world.' Someone is disposing of politicians one by one. And the murderer has borrowed from the genius of Agatha Christie. When a local Mumbai politician is found wrapped in a plastic bag behind a park bench, the dashing and capable DIG Ajay Biswas is told to take over the case. Ajay arrives in Mumbai along with his wife Aparajita and soon discovers he is being misled by his Mumbai compatriots who are determined to save their own skin. Someone is deliberately providing false leads; his presence is not wanted. While in Mumbai, Ajay and Aparajita meet up with their old college friend Akhil Sukumar. Akhil and Aparajita have had a tortuous history, and it appears that the one-time lovers now want nothing more than to let bygones be bygones. Easier said. From the barren lands of rural India to the immaculate lawns of Cambridge, *The Rat Eater* is a book whose uninhibitedness may offend purists as it lays bare a few uncomfortable truths about India—a country entangled in a web of caste, corruption and cover-ups. The privileged flourish at the cost of the oppressed. The price has to be paid, and someone has decided that it needs to be paid in blood.

Mira Virendra Kumar Sethi.1996

Everything Men Know about Women Alan Francis Garner, Cindy Cashman.2018-05-15 Everything Men Know About Women is my go to present for every birthday and anniversary, it's terrific. --Barbara Corcoran, Shark Tank star and author of Shark Tales Fully reveals the shocking truth --Daily News A landmark book completely revised and updated to reveal everything men really know about the opposite sex. Fiercely frank and brilliantly insightful, this book spells out everything men know about such topics as: Making friends with women Romancing women Achieving emotional intimacy with women Making commitments to women Satisfying women in bed ***That's right, this book is completely BLANK A great gag gift for your boyfriend or husband, for a birthday or anniversary, or just to give to your girlfriends when you want a laugh

Lethal Marriage Nick Pron.2012-08-14 One of Canada's finest crime reporters tells the whole story of the infamous Bernardo-Homolka case. NOW UPDATED WITH A NEW CHAPTER The sensational trials of Paul Bernardo and Karla Homolka for abduction, rape, manslaughter and murder caused widespread controversy that continues to this day. The public was particularly outraged by the so-called "sweetheart deal" — the twelve-year sentence Homolka received as part of an agreement with government lawyers. Journalist Nick Pron gives us a comprehensive account of previously banned information about Bernardo and Homolka; about Homolka's role in the death of her sister Tammy; of slipshod police work and lack of communication that allowed Bernardo and Homolka the opportunity to murder schoolgirls Kristen French and Leslie Mahaffy; of the host of disturbing facts that were ruled inadmissible at the trial. A new chapter details the most recent, shocking facts of Homolka's life in prison, including her alleged "special treatment," such as private access to the prison's beauty salon and gym, and rumoured liaisons in Kingston's Prison for Women. Also detailed are her startling plans for the future. As Karla Homolka's release date nears, many will reflect on her place in history, and on the Canadian legal system.

Charisma on Command Charlie Houpert.2014 Have you ever encountered someone with magnetic charisma? The type of person that you just immediately liked and trusted? That commanded respect without hardly uttering a word? Maybe you've even felt something like it before, like everything you said was engaging and made people laugh. Like people were just drawn to you. Do you want to know how to turn that personal magnetism on at a moment's notice? Then this book is for you! Charisma on Command will teach you how to tap into your charismatic potential so that you can turn it on whenever you want. It draws on analysis of the most charismatic people in the world, including Steve Jobs, Bill Clinton, Russell Brand, Oprah Winfrey, Martin Luther King, Tony Robbins, and more. You will learn the mindsets, body language, and exercises that can make you the person others are drawn to. The type of person you might meet for a minute, but remember for a lifetime.

Reminiscences of the Nehru Age M. O. Mathai.1978 Reminiscences of the author, special assistant, 1946 to 1959, to Jawaharlal Nehru, 1889-1964, former Prime Minister of India.

Disease Control Priorities, Third Edition (Volume 4) Vikram Patel, Dan Chisholm, Tarun Dua, Ramanan Laxminarayan, Mari'a Lena Medina-Mora, Theo Vos.2016-03-10 Mental, neurological, and substance use disorders are common, highly disabling, and associated with significant premature mortality. The impact of these disorders on the social and economic well-being of individuals, families, and societies is large, growing, and underestimated. Despite this burden, these disorders have been systematically neglected, particularly in low- and middle-income countries, with pitifully small contributions to scaling up cost-effective prevention and treatment strategies. Systematically compiling the substantial existing knowledge to address this inequity is the central goal of this volume. This evidence-base can help policy makers in resource-constrained settings as they prioritize programs and interventions to address these disorders.

The Dud Bud Michaela Skilney.2021-12-05 With all the catastrophic things that could take place should she bloom, Rosie is certain the only place she wants to be is safely inside her little red bud. But as her floral friends bravely blossom around her in the garden, Rosie must face an uncomfortable truth: the world can indeed be a scary place, but our inner fears are often harder to face. A terrifically tall tale filled with disasters, drama and self-doubt, *The Dud Bud* beautifully illustrates the power of letting go and the magic to be found in embracing the unknown. www.michaelaskilney.com

You Can Win Shiv Khera.2018-11-30 Winners don't do different things, they do things differently A practical, common-sense guide that will lead you from ancient wisdom to modern-day thinking, *You Can Win* will help you to establish new goals, develop a renewed sense of purpose, and generate fresh and exciting ideas about yourself and your future. Shiv Khera guarantees, as the title suggests, a lifetime of success. The book enables you to translate positive thinking into attitude, ambition and action, all of which combine to give you the winning edge. This book will help you to: · Build confidence by mastering the seven steps to positive thinking; · Be successful by turning weaknesses into strengths; · Gain credibility by doing the right things for the right reasons; · Take charge by controlling things instead of letting them control you; · Build trust by developing mutual respect with the people around you; and · Accomplish more by removing the barriers to effectiveness.

Andha Yug Dharmvir Bharati.2005 *Andha Yug - A Significant Play Of Modern India - Written Immediately After The Partition - The Play Is A Profound Meditation On The Politics Of Violence And Agressive Selfhood - Propounds That Every Act Of Violence Debases Society As A Whole - Translated From Hindi - 5 Acts - Epilogue.*

Reverse Your Diabetes David Cavan.2014-11-06 *Reverse Your Diabetes* provides all the information and support you need to take control of type 2 diabetes and, potentially, to reverse it. Based on the latest research and proven results, this clear and effective programme outlines the key steps you need to take to turn around your health: watch what you eat, get more active, monitor your progress and commit to change. Written by diabetes expert Dr David Cavan and in association with diabetes.co.uk, the UK's largest online diabetes community, *Reverse Your Diabetes* also tackles the myths and misinformation about type 2 diabetes. This is an essential book that will empower you to take control of your diabetes and maximise your health for good.

Nikah Halala Ziya Us Salam.2020-07-18 Muslim society in India remains in a state of denial when it comes to *nikah halala*. The Quran allows divorce twice. After that the spouses either live together happily or divorce gracefully. Nowhere does it allow marriage with a pre-arranged date of divorce to a new man only to go back to the former husband. *Nikah Halala: Sleeping with a Stranger* is a probing exercise that exposes the cycle of instant triple talaq followed by a fake marriage, which too ends with another instant triple talaq that allows the woman to marry the former husband. While the holy book does not mention instant triple talaq, this tradition is unique to the Indian subcontinent that claims to bring squabbling couples together but ends up making a mockery of the faith and punishes women for the crimes of men. The first ever book to talk of the subject, *Nikah Halala* presents the sordid reality of mock marriages against the background of Quranic injunction on the subject and exposes the departure in practice from the teachings of the holy book that gives divorced women complete freedom to follow their path.

A New English-Hindustani Dictionary S. W. Fallon.1883

The Molecule of More Daniel Z. Lieberman,Michael E. Long.2018-08-14 Why are we obsessed with the things we want only to be bored when we get them? Why is addiction perfectly logical to an addict? Why does love change so quickly from passion to indifference? Why are some people die-hard liberals and others hardcore conservatives? Why are we always hopeful for solutions even in the darkest times—and so good at figuring them out? The answer is found in a single chemical in your brain: dopamine. Dopamine ensured the survival of early man. Thousands of years later, it is the source of our most basic behaviors and cultural ideas—and progress itself. Dopamine is the chemical of desire that always asks for more—more stuff, more stimulation, and more surprises. In pursuit of these things, it is undeterred by emotion, fear, or morality. Dopamine is the source of our every urge, that little bit of biology that makes an ambitious business professional sacrifice everything in pursuit of success, or that drives a satisfied spouse to risk it all for the thrill of someone new. Simply put, it is why we seek and succeed; it is why we discover and prosper. Yet, at the same time, it's why we gamble and squander. From dopamine's point of view, it's not the having that matters. It's getting something—anything—that's new. From this understanding—the difference between possessing something versus anticipating it—we can understand in a revolutionary new way why we behave as we do in love, business, addiction, politics, religion—and we can even predict those behaviors in ourselves and others. In *The Molecule of More: How a Single Chemical in Your Brain Drives Love, Sex, and Creativity—and will Determine the Fate of the Human Race*, George Washington University professor and psychiatrist Daniel Z. Lieberman, MD, and Georgetown University lecturer Michael E. Long present a potentially life-changing proposal: Much of human life has an unconsidered component that explains an array of behaviors previously thought to be unrelated, including why winners cheat, why geniuses often suffer with mental illness, why nearly all diets fail, and why the brains of liberals and conservatives really are different.

On the Way to Krsna A. C. Bhaktivedanta Swami Prabhupāda.1973 *The Bhagavad-gita* is the main source-book on yoga and a concise summary of India's Vedic wisdom. Yet remarkably, the setting for this classic of spiritual literature is an ancient Indian battlefield. At the last moment, the great warrior Arjuna begins to wonder about the real meaning of his life. In the *Bhagavadgita*, Lord Krsna brings His disciple from perplexity to spiritual enlightenment. *Bhagavad-gita As It Is* is the largest-selling, most widely used edition of the *Gita* in the world.

Learn Palmistry Bharti Anand. According to palmist Shastra, human hand is a horoscope which never perishes and Lord Brahma is its creator. The horoscope made by the creator Lord Brahma Contains Solution of every problems in which there is no possibility of any mathematical error. Even the lines on the palm provide prediction like planets & nakshatra and provide guidelines for the future. Just as two people can not have same destiny, same views and same course of life, in the same way palm lines can't be same for two persons. The great palmist from Paris Disbarsolalas has declared that, if anyone in the world gets me two people with same palm lines and I will make my life's will and wealth on his/her name. Everyone in the world has different lines. This is a definite and a universal fact. Every person has got his or her own destiny&character. Even the twins have some dissimilarities between them. A palmist works like a doctor. A doctor treats the patient and cures his diseases. A palmist treats the mind of the patient which is more complicated than physical cure. Each body part of every human being created by that supreme God has its own special significance and purpose. God has created palm lines to know the life events. That is the reason, finger prints never change but palm lines keep changing at various stages of our life. According to Shastras the first thing one should see in the morning after getting up from the bed is his/her own palm lines. Palmistry is a science, an art as well as a divine knowledge which helps one to understand the path of life. The knowledge of palmistry has been prevalent in Indian society & its boundary since ages. Samudara Rishi was the first one who takes the credit of creating this astrological science in chronological order. So Jyotish Shastra is called Samudrik Shashtra also. The book 'Learn Palmistry' contains history of palmistry, principle to see palm, type and characteristics of hands, type of fingers and nails, different lines of the palm, life line bracelet line, sun line.....,palm lines and nine planets, mudrikas, description of moles, secret of death is hidden in palm lines, palm lines and mental peace, a common description of a womans real palm lines, hand print of Pakistani Prime Minister, hand print of film artist Manoj Kumar... and much more.
