**The Mirror of Ideas** Michel Tournier.1998-01-01 Tournier treats pairs both lowly and exalted - moving from fork and spoon, horse and bull, cat and dog, to fear and anguish, poetry and prose, body and soul, being and nothingness. Hardly an exhaustive inventory of traditional pairs, his selection nonetheless opens the door to patterns deeply embedded in culture and civilization, speech and writing, memory and habit.

**The Gods Made Flesh** Leonard Barkan.1986 Pagan myths of metamorphosis were an essential point of origin for artistic inspiration from antiquity through the Renaissance. As the beliefs implicit in metamorphosis come to be identified with paganism, the heritage of these myths becomes the heritage of antiquity itself.

**Edgar Allan Poe** Charles Baudelaire.1973-12-15 The earliest foreign study of the life and works of Edgar Allan Poe, the text presented in this volume is something of a landmark in the history of comparative literature. Baudelaire's first and longest essay on Poe was published in the Revue de Paris in 1852; it was revised and abridged for use as the preface of the first volume of his translation of Poe's tales, Histoires extraordinaires. This study was significant especially in the area of Franco-American literary relations because it was the basis of not only the French attitude toward Poe, but of his reputation throughout Europe—one might almost say, throughout the world. The essay on Poe has never been the subject of a separate publication. This edition reveals for the first time the sources of information used by Baudelaire. It shows that a considerable part of the study was translated literally from articles by John M. Daniel and John R. Thompson in the Southern Literary Messenger (1849-50). Previous editions vary widely in excellence because almost all suffered from the mistaken belief that Baudelaire was acquainted with the American edition of Poe's works when he wrote the 1852 essay and that it was largely based on Rufus Griswold's Memoir contained in that edition. This led to the commentary and notes that were unconsciously misleading and in many cases false. The introduction to this edition presents a complete and accurate account of the genesis of Baudelaire's essay, with supporting documents showing his indebtedness to American, French, and British sources. It enables the reader to distinguish clearly between what Baudelaire himself knew or thought about Poe and what he borrowed from other writers.

**Torture Garden** Octave Mirbeau.2022-05-29 The Torture Garden is a novel written by the French journalist, novelist, and playwright Octave Mirbeau. It was first published in 1899 during the Dreyfus affair. This book is an allegory on the hypocrisy of European civilization. It presents strong criticism of bloody French and British colonialism and a ferocious attack on what Mirbeau saw as the corrupt morality of bourgeois capitalist society and the state, which he believed were based on murder.

**Rogomelec** Leonor Fini.2020 This novella's ambiguous narrator sets off for the isolated local of Rogomelec--where a crumbling monastery serves as a sanatorium and offers a cure involving a diet of plants and flowers--and moves through a walking dream involving strangely scented monks,

vibratory concerts in a cavernous ossuary, and ritualist pomp with costumes of octopi and shining beetles. As the days unfold, the narrator discovers that the celebration of the king is approaching, the events of which will lead to a shocking discovery in Rogomelec's gothic ruins

The Abandoned Baobab Ken Bugul.2008 Despite its unflinching look at our darkest impulses, and at the stark facts of being a colonized African, the book is ultimately inspirational, for it exposes us to a remarkable sensibility and a hard-won understanding of one's place in the world.CARAF Books: Caribbean and African Literature Translated from French

Swann's Way Marcel Proust.2021-05-11 Swann's Way (1913) is the first volume of Marcel Proust's seven-part novel In Search of Lost Time. Written while Proust was virtually confined to his bedroom from a lifelong respiratory illness, Swann's Way is a story of memory, history, family, and romance from a master of Modernist literature. Praised by Virginia Woolf, Vladimir Nabokov, Michael Chabon, and Graham Greene, In Search of Lost Time explores the nature of memory and time while illuminating the history of homosexuality in nineteenth century Europe. For a long time I used to go to bed early." Alone in his bedroom, the narrator meditates on sleep, dreams, and the passing of time. Spurred into memory by the taste of a madeleine dipped in a cup of lime blossom tea, he recalls his childhood in Combray, a rural village on the outskirts of Paris. Slowly, faces and names from the past come back to him—he recalls a neighbor named Swann, whose promising marriage proved disastrous; his Jewish friend Bloch, who introduced him to literature; and the walks he would take with his parents through the beautiful countryside. As he grows and learns, he begins to recognize the reality concealed by convention: the secret liaisons between lovers; the petty competitions of artists; the fleeting nature of affection and lust alike. Written in flowing prose, Swann's Way is a masterpiece of twentieth century fiction that continues to entertain and astound over a century after it appeared in print. With a beautifully designed cover and professionally typeset manuscript, this edition of Marcel Proust's Swann's Way is a classic work of French literature reimagined for modern readers.

*The Omnibus Crime* Fortuné Du Boisgobey.2011-03-01 Paul Freneuse, a young, successful, Parisian artist, returning to his studio in the Place Pigalle by the Les Halles omnibus at midnight, is seated in the omnibus when a young, beautiful girl suddenly dies. He at first thinks the poorly clad girl has been murdered, but logic tells him no one would have a reason to kill such an unlikely victim. He dismisses the idea and continues his work on an almost completed canvas which he hopes to submit to the up-coming Paris Exposition. He is highly regarded by the critics and is expected to win, cementing his already considerable reputation. Fortunately for justice, his ne'er-do-well friend, Binos, will not abandon the search for the supposed murderers and solicits the aid of the mysterious Piedouche to bring the killers to justice.

**Swann in Love** Marcel Proust.2017-11-16 'Swann's love . . . could not have been torn out of him without destroying him almost entirely' Swann in Love is a brilliant, devastating novella that tells of infatuation, love, and jealousy. Set against the backdrop of Paris at the end of the nineteenth century, the story of Charles Swann illuminates the fragilities and foibles of human beings when in the grip of desire. Swann is a highly cultured man-about-town who is plunged into turmoil when he falls for a young woman called Odette de Crécy. The novel traces the progress of Swann's emotions with penetrating exactitude as he encounters Odette at the regular gatherings in the salon of the Verdurins. His wilful self-delusion is both poignant and ridiculous , and his tormented feelings play out in scenes of high comedy amongst Odette's socially pretentious circle. Swann in Love is part of Proust's monumental masterpiece *In Search of Lost Time*, and it is also a captivating self-contained story. This new translation encapsulates the qualities that have secured Proust's reputation, and serves as a perfect introduction to his writing.

**Revisiting Moroccan Migrations** Mohammed Berriane,Hein De Haas,Katharina Natter.2018-02-02 Over the 20th century, Morocco has become one of the world's major emigration countries. But since 2000, growing immigration and settlement of migrants from sub-Saharan Africa, the Middle East, and Europe confronts Morocco with an entirely new set of social, cultural, political and legal issues. This book explores how continued emigration and increasing immigration is transforming contemporary Moroccan society, with a particular emphasis on the way the Moroccan state is dealing with shifting migratory realities. The authors of this collective volume embark on a dialogue between theory and empirical research, showcasing how contemporary migration theories help understanding recent trends in Moroccan migration, and, vice-versa, how the specific Moroccan case enriches migration theory. This perspective helps to overcome the still predominant Western-centric research view that artificially divide the world into 'receiving' and 'sending' countries and largely disregards the dynamics of and experiences with migration in countries in the Global South. This book was previously published as a special issue of *The Journal of North African Studies*.

**Father Brown and the Ten Commandments** John Peterson,G. K. Chesterton.2017-05-01 This unique collection of Father Brown mysteries links tales by G.K. Chesterton with the Ten Commandments. The connection is often surprising, however, for the criminal is not necessarily the worst sinner in the story, nor is his crime necessarily the worst offense. When Chesterton created the character of Father Brown, he brought a new

dimension to mystery stories--the distinction between crime and sin. As the priest- detective applies his powers of observation to solve a case, he picks up clues about other offenses, such as those against the Sabbath or one's parents. Father Brown's main concern is not the laws of the State but the Commandments of God. As Dorothy Sayers once wrote, G.K. Chesterton was the first man of our time to introduce the great name of God into a detective story . . . to enlarge the boundaries of the detective story by making it deal with death and real wickedness and real, that is to say, divine judgment. This edition includes footnotes not available in other versions, which help to clarify the literary and historical allusions made by Father Brown. It is based on the texts of Chesterton's original editions, for assurance of authenticity, and is set in easily readable type. John Peterson is the world's greatest expert on Chesterton's famous priest- detective. His presentation of these particular Father Brown stories only adds to their craftiness and profundity. — Dale Ahlquist, President, American Chesterton Society

*The Family in Crisis in Late Nineteenth-Century French Fiction* Nicholas White.1999-01-13 The Family in Crisis in Late Nineteenth-Century French Fiction, first published in 1999, focuses on a key moment in the construction of the modern view of the family in France. Nicholas White's analysis of novels by Zola, Maupassant, Hennique, Bourget and Armand Charpentier is fashioned by perspectives on a wide cultural field, including legal, popular and academic discourses on the family and its discontents. His account encourages a close rereading of canonical as well as overlooked texts from fin de siècle France. What emerges between the death of Flaubert in 1880 and the publication of Bourget's *Un divorce* in 1904 is a series of Naturalist and post-Naturalist representations of transgressive behaviour in which tales of adultery, illegitimacy, consanguinity, incest and divorce serve to exemplify and to offer a range of nuances on the Third Republic's crisis in what might now be termed 'family values'.

**In Praise of the Variant** Bernard Cerquiglini.1999 It has long been a task of great scholars to establish definitive texts of major works. But why, Bernard Cerquiglini asks, must there be such a preference? Might such a preference distort the fundamental understanding of what texts are or could be?

*Memoirs of Vidocq, Principal Agent of the French Police* Eugène François Vidocq.1853

The Opposing Shore Julien Gracq.1986 With four elegant and beautifully crafted novels Julien Gracq has established himself as one of France's premier postwar novelists. A mysterious and retiring figure, Gracq characteristically refused the Goncourt, France's most distinguished literary prize, when it was awarded to him in 1951 for this book. As the latest work in the Twentieth-Century Continental Fiction Series, Gracq's masterpiece is now available for the first time in English. Set in a fictitious Mediterranean port city, *The Opposing Shore* is the first-person account of a young aristocrat sent to observe the activities of a naval base. The fort lies at the country's border; at its feet is the bay of Syrtes. Across the bay is territory of the enemy who has, for three hundred years, been at war with the narrator's countrymen; the battle has become a complex, tacit game in which no actions are taken and no peace declared. As the narrator comes to understand, everything depends upon a boundary, unseen but certain, separating the two sides. Besides the narrator there are two other main characters, the dark and laconic captain of the base and a woman whose complex relations to both sides of the war brings the narrator deeper into the story's web. For many French readers *The Opposing Shore* (published as *Le rivage des Syrtes*), with its theme of transgressions and boundaries, spoke to the issue of defeat and the desire to fail: a particularly sensitive motif in postwar French literature. But there is nothing about the novel tying it either to France or to the 1950s; in fact, Gracq's novel, with its elaborate, richly detailed prose, will be of greater interest now than at any point in the last twenty years.

**The Man Who Laughs** Victor Hugo.2022-01-11 *The Man Who Laughs* (1869) is a novel by Victor Hugo. Written while Hugo was living in exile on

the island of Guernsey, *The Man Who Laughs* is set between the 17th and 18th centuries in England, a time of political unrest and class conflict in which he identified parallels to France of the 19th century. Although the novel was largely panned at the time, it has since been recognized as one of Hugo's greatest works. *The Man Who Laughs* has inspired over a dozen adaptations in film, theater, and comics, including a 1928 American silent film that served as source material for the Joker in the original 1940 issue of *Batman*. "Again the child set himself to sweep away the snow. The neck of the dead woman appeared; then her shoulders, clothed in rags. Suddenly he felt something move feebly under his touch. It was something small that was buried, and which stirred. The child swiftly cleared away the snow, discovering a wretched little body—thin, wan with cold, still alive, lying naked on the dead woman's naked breast." Abandoned by a group of Comprachicos, criminals who buy and capture children for the purpose of mutilating them and forcing them to work as beggars or performers, the young Gwynplaine wanders the English coast alone. During a storm, he discovers an infant girl and her dead mother lying in the snow, and endeavors to save the child. Left with no choice but to rely on strangers, Gwynplaine joins a carnival run by the merciful Ursus, a man with a pet wolf. Horrified at first by the boy's disfigurement, which has left a perpetual smile on his face, Ursus agrees to care for the children and soon finds that Gwynplaine is a versatile and lucrative attraction at his shows. When the Duchess Josiana attends the carnival to see Gwynplaine, now a young man, she finds herself strangely attracted to him. With a beautifully designed cover and professionally typeset manuscript, this edition of Victor Hugo's *The Man Who Laughs* is a classic work of French literature reimagined for modern readers.

*Stranded* Joris-Karl Huysmans.2010 Jacques' waking reveries and daydreams are balanced by a succession of dreams and nightmares that explore the seemingly irrational, often grotesque, world of unconscious desire, producing a series of images that challenges anything to be found in the fantasies of 'Against Nature', or the Satanic obsessions of 'La-Bas'.

*Afrique Sur Seine* Odile Cazenave.2006-09 Addresses the development since the 1950s of a new type of Francophone African novel created by first-generation African authors living in France. This book examines how these authors, men and women, part from mainstream African literature by exploring more personal avenues while retaining a shared interest in the community of African emigrants.

**Rebel Daughters** Sara E. Melzer,Leslie W. Rabine.1992-05-21 This interdisciplinary collection of essays examines the important and paradoxical relation between women and the French Revolution. Although the male leaders of the Revolution depended on the women's active militant participation, they denied to women the rights they helped to establish. At the same time that women were banned from the political sphere, woman was transformed into an allegorical figure which became the very symbol of (masculine) Liberty and Equality. This volume analyzes how the revolutionary process constructed a new gender system at the foundation of modern liberal culture.

**The Bridge of Beyond** Simone Schwarz-Bart.2013-08-20 This is an intoxicating tale of love and wonder, mothers and daughters, spiritual values and the grim legacy of slavery on the French Antillean island of Guadeloupe. Here long-suffering Telumee tells her life story and tells us about the proud line of Lougandor women she continues to draw strength from. Time flows unevenly during the long hot blue days as the madness of the island swirls around the villages, and Telumee, raised in the shelter of wide skirts, must learn how to navigate the adversities of a peasant community, the ecstasies of love, and domestic realities while arriving at her own precious happiness. In the words of Toussine, the wise, tender grandmother who raises her, "Behind one pain there is another. Sorrow is a wave without end. But the horse mustn't ride you, you must ride it." A masterpiece of Caribbean literature, *The Bridge of Beyond* relates the triumph of a generous and hopeful spirit, while offering a gorgeously lush, imaginative

depiction of the flora, landscape, and customs of Guadeloupe. Simone Schwarz-Bart's incantatory prose, interwoven with Creole proverbs and lore, appears here in a remarkable translation by Barbara Bray.

**Mesmeric Revelation** Edgar Allan Poe.2024-01-25 Mesmeric Revelation is a short story by Edgar Allan Poe that explores a dialogue between a hypnotist and his dying patient. Through hypnosis, they discuss profound themes about the nature of the soul, the existence of God and the universe, revealing transcendent perspectives on life and death.

**Mussolini's Italy** Max Gallo.2019-10-10 Originally published in 1964, this book holds the story of Italian Fascism and its leader up to the light. Gallo explains how Fascism triumphed in Italy, what it did to and for that country, and what its heritage is for present-day Italy. The character of Mussolini is explored as it is interwoven with the history of the dictatorship he founded, and Gallo demonstrates beyond doubt the enthusiasm with which Italian industry, finance, and business supported Mussolini's self-styled, anti-capitalist movement.

**Surreal Friends** Stefan van Raaij,Joanna Moorhead,Teresa Arcq.2010 Surreal Friends brings together for the first time the work of three women Surrealist artists, brought together in exile in Mexico in the 1940s: British painter Leonora Carrington, Spanish painter Remedios Varo and Hungarian photographer Kati Horna. For all three women, Mexico offered freedom to explore their art in ways that had not been possible in Europe. Surreal Friends tells the fascinating story of their artistic friendship.

**Cruel City** Mongo Beti.2013-02-22 Under the pseudonym Eza Boto, Mongo Beti wrote Ville cruelle (Cruel City) in 1954 before he came to the world's attention with the publication of Le pauvre Christ de Bomba (The Poor Christ of Bomba). Cruel City tells the story of a young man's attempt to cope with capitalism and the rapid urbanization of his country. Banda, the protagonist, sets off to sell the year's cocoa harvest to earn the bride price for the woman he has chosen to wed. Due to a series of misfortunes, Banda loses both his crop and his bride to be. Making his way to the city, Banda is witness to a changing Africa, and as his journey progresses, the novel mirrors these changes in its style and language. Published here with the author's essay Romancing Africa, the novel signifies a pivotal moment in African literature, a deliberate challenge to colonialism, and a new kind of African writing.
