However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback. FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate. It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to

editing, translation, or extra material like annotations. Free Computer Books: Every computer subject and programming language you can think of is represented here. Free books and textbooks, as well as extensive lecture notes, are available.
