

Class Action The Landmark Case That Changed Sexual

Reckoning Linda Hirshman.2019 The first history--incisive, witty, fascinating--of the fight against sexual harassment, from the author of the New York Times bestseller *Sisters in Law* Linda Hirshman, acclaimed historian of social movements, delivers the sweeping story of the struggle leading up to #MeToo and beyond: from the first tales of workplace harassment percolating to the surface in the 1970s, to the Clinton/Lewinsky scandal--when liberal women largely forgave Clinton, giving men a free pass for two decades. Many liberals even resisted the movement to end rape on campus. And yet, legal, political, and cultural efforts, often spearheaded by women of color, were quietly paving the way for the takedown of abusers and harassers. *Reckoning* delivers the stirring tale of a movement catching fire as pioneering women in the media exposed the Harvey Weinstens of the world, women flooded the political landscape, and the walls of male privilege finally began to crack. This is revelatory, essential social history.

The Good Girls Revolt Lynn Povich.2012-09-10 It was the 1960s -- a time of economic boom and social strife. Young women poured into the workplace, but the Help Wanted ads were segregated by gender and the Mad Men office culture was rife with sexual stereotyping and discrimination. Lynn Povich was one of the lucky ones, landing a job at Newsweek, renowned for its cutting-edge coverage of civil rights and the Swinging Sixties. Nora Ephron, Jane Bryant Quinn, Ellen Goodman, and Susan Brownmiller all started there as well. It was a top-notch job -- for a girl -- at an exciting place. But it was a dead end. Women researchers sometimes became reporters, rarely writers, and never editors. Any aspiring female journalist was told, If you want to be a writer, go somewhere else. On March 16, 1970, the day Newsweek published a cover story on the fledgling feminist movement entitled *Women in Revolt*, forty-six Newsweek women charged the magazine with discrimination in hiring and promotion. It was the first female class action lawsuit--the first by women journalists -- and it inspired other women in the media to quickly follow suit. Lynn Povich was one of the ringleaders. In *The Good Girls Revolt*, she evocatively tells the story of this dramatic turning point through the lives of several participants. With warmth, humor, and perspective, she shows how personal experiences and cultural shifts led a group of well-mannered, largely apolitical women, raised in the 1940s and 1950s, to challenge their bosses -- and what happened after they did. For many, filing the suit was a radicalizing act that empowered them to find themselves and fight back. Others lost their way amid opportunities, pressures, discouragements, and hostilities they weren't prepared to navigate. *The Good Girls Revolt* also explores why changes in the law didn't solve everything. Through the lives of young female journalists at Newsweek today, Lynn Povich shows what has -- and hasn't -- changed in the workplace.

Because of Sex Gillian Thomas.2017-08-08 A compelling look at ten of the most important Supreme Court cases defining women's rights on the job, as told by the brave women who brought the cases to court

Obscenity Rules Whitney Strub.2013-09-24 For some, he was "America's leading smut king," hauled into court repeatedly over thirty years for peddling obscene publications through the mail. But when Samuel Roth appealed a 1956 conviction, he forced the Supreme Court to finally come to grips with a problem that had plagued both American society and constitutional law for longer than he had been in business. For while the facts of *Roth v. United States* were unexceptional, its constitutional issues would define the relationship of obscenity to the First Amendment. The Supreme Court's 6-3 decision in *Roth* for the first time tried to definitively rule on the issue of obscenity in American life and law--and failed. In this first book-length examination of the case, Whitney Strub lays out the history of obscenity's meaning as a legal concept, highlights the influence of antivice crusaders like Anthony Comstock and John Sumner, and chronicles the shadowy career that led Roth to spend nearly a decade of his life imprisoned for the allegedly obscene materials that he sent through the mails. Strub then unwraps the events that produced *Roth v. United States*, placing the trial in the context of its times--the Kinsey Reports, the Kefauver hearings, free speech debates--by using Roth's own private papers along with the records of the various prosecutions and the memos of the justices. The significance of *Roth*, as Strub reveals, lay in the two faces of Justice William Brennan's majority opinion--which on the one hand reflected the liberalizing attitude toward sexual matters in mid-century America, but on the other kept "obscene" expressions beyond First Amendment protection. Because that ruling points up the contradictions of a society where the prurient and repressive commingle uncomfortably, Strub shows how *Roth* says much more about American sexual values than Brennan's written words necessarily acknowledged. In our era of internet pornography and *Fifty Shades of Grey*, it may be difficult to imagine a time when obscenity was a matter for the courts. As Strub tracks the legacy of *Roth* and obscenity law through the ongoing policing of acceptable sexuality into the twenty-first century, his riveting narrative brings those times to life and helps readers navigate the fine line between what is socially acceptable and what is criminally obscene.

Sexual Harassment of Women National Academies of Sciences, Engineering, and Medicine,Policy and Global Affairs,Committee on Women in Science, Engineering, and Medicine,Committee on the Impacts of Sexual Harassment in Academia.2018-09-01 Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the extent to which it is limiting their careers. *Sexual Harassment of Women* explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

The Haymakers Steven R. Hoffbeck.2014-12-11 Making hay has always been hard work, just about the hardest work on a farm. Spanning 150 years, *The Haymakers* tells a story of the labor and heartbreak suffered by five families struggling to make the hay that fed their livestock, a story not just about grass, alfalfa, and clover, but also about sweat and fears, toil and loss. *The Haymakers* is an epic -- the history of man's struggle with nature as well as man's struggle against machines. It relates the story of farmers and their obligations to their families, to the animals they fed, and to the land they tended. Hoffbeck also documents and preserves the commonplace methods of haymaking. He describes the tools and the methods of haymaking as well as the relentless demands of the farm. Using diaries, agricultural guidebooks and personal interviews, the folkways of cutting, raking, and harvesting hay have been recorded in these chapters. In the end, this book is not so much about agricultural history as it is about family history, personal history -- how farm families survive, even persevere.

Believing Anita Hill.2022-09-27 "An elegant, impassioned demand that America see gender-based violence as a cultural and structural problem that hurts everyone, not just victims and survivors... It's at times downright virtuosic in the threads it weaves together."--NPR Winner of the 2022 ABA Silver Gavel Award for Books From the woman who gave the landmark testimony against Clarence Thomas as a sexual menace, a new manifesto about the origins and course of gender violence in our society; a combination of memoir, personal accounts, law, and social analysis, and a powerful call to arms from one of our most prominent and poised survivors. In 1991, Anita Hill began something that's still unfinished work. The issues of gender violence, touching on sex, race, age, and power, are as urgent today as they were when she first testified. *Believing* is a story of America's three decades long reckoning with gender violence, one that offers insights into its roots, and paths to creating dialogue and substantive change. It is a call to action that offers guidance based on what this brave, committed fighter has learned from a lifetime of advocacy and her search for solutions

to a problem that is still tearing America apart. We once thought gender-based violence--from casual harassment to rape and murder--was an individual problem that affected a few; we now know it's cultural and endemic, and happens to our acquaintances, colleagues, friends and family members, and it can be physical, emotional and verbal. Women of color experience sexual harassment at higher rates than White women. Street harassment is ubiquitous and can escalate to violence. Transgender and nonbinary people are particularly vulnerable. Anita Hill draws on her years as a teacher, legal scholar, and advocate, and on the experiences of the thousands of individuals who have told her their stories, to trace the pipeline of behavior that follows individuals from place to place: from home to school to work and back home. In measured, clear, blunt terms, she demonstrates the impact it has on every aspect of our lives, including our physical and mental wellbeing, housing stability, political participation, economy and community safety, and how our descriptive language undermines progress toward solutions. And she is uncompromising in her demands that our laws and our leaders must address the issue concretely and immediately.

Legal Cases that Changed Ireland Ivana Bacik, Mary Rogan. 2016 Women changing law, changing society -- Sexual identity, law and social change - Immigration, asylum and legal change -- Public interest litigation : does it work?

Juvenile Crime, Juvenile Justice Institute of Medicine, National Research Council, Commission on Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Law and Justice, Panel on Juvenile Crime: Prevention, Treatment, and Control. 2001-06-05 Even though youth crime rates have fallen since the mid-1990s, public fear and political rhetoric over the issue have heightened. The Columbine shootings and other sensational incidents add to the furor. Often overlooked are the underlying problems of child poverty, social disadvantage, and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime. From a policy standpoint, adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals, between rehabilitation and get tough pronouncements. In the midst of this emotional debate, the National Research Council's Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis. Juvenile Crime, Juvenile Justice presents recommendations for addressing the many aspects of America's youth crime problem. This timely release discusses patterns and trends in crimes by children and adolescents—trends revealed by arrest data, victim reports, and other sources; youth crime within general crime; and race and sex disparities. The book explores desistance—the probability that delinquency or criminal activities decrease with age—and evaluates different approaches to predicting future crime rates. Why do young people turn to delinquency? Juvenile Crime, Juvenile Justice presents what we know and what we urgently need to find out about contributing factors, ranging from prenatal care, differences in temperament, and family influences to the role of peer relationships, the impact of the school policies toward delinquency, and the broader influences of the neighborhood and community. Equally important, this book examines a range of solutions: Prevention and intervention efforts directed to individuals, peer groups, and families, as well as day care-, school- and community-based initiatives. Intervention within the juvenile justice system. Role of the police. Processing and detention of youth offenders. Transferring youths to the adult judicial system. Residential placement of juveniles. The book includes background on the American juvenile court system, useful comparisons with the juvenile justice systems of other nations, and other important information for assessing this problem.

Forcing the Spring Jo Becker. 2015-05-19 A New York Times Notable Book of the Year | A Washington Post Best Book of the Year “[A] riveting legal drama, a snapshot in time, when the gay rights movement altered course and public opinion shifted with the speed of a bullet train... Becker’s most remarkable accomplishment is to weave a spellbinder of a tale that, despite a finale reported around the world, manages to keep readers gripped until the very end.” - The Washington Post A groundbreaking work of reportage by Pulitzer Prize-winning journalist Jo Becker, *Forcing the Spring* is the definitive account of five remarkable years in American civil rights history, when the United States experienced a tectonic shift on the issue of marriage equality. Focusing on the historic legal challenge of California’s ban on same-sex marriage, Becker offers a gripping, behind-the-scenes narrative told with the lightning pace of a great legal thriller. Taking the reader from the Oval Office to the Supreme Court ruling, from state-by-state campaigns to an astounding shift in national public opinion, *Forcing the Spring* is political and legal journalism at its finest.

Class Action Clara Bingham, Laura Leedy Gansler. 2003-10-14 The true story of Lois Jenson, a petite single mother, who was among the first women hired by a northern Minnesota iron mine in 1975. In this brutal workplace, female miners were relentlessly threatened with pornographic graffiti, denigrating language, stalking, and physical assaults. Terrified of losing their jobs, the women kept their problems largely to themselves—until Lois, devastated by the abuse, found the courage to file a complaint against the company in 1984. Despite all of the obstacles the legal system threw at them, Lois and her fellow plaintiffs enlisted the aid of a dedicated team of lawyers and ultimately prevailed. Weaving personal stories with legal drama, *Class Action* shows how these terrifically brave women made history, although not without enormous personal cost. Told at a thriller’s pace, this is the story of how one woman pioneered and won the first sexual harassment class action suit in the United States, a legal milestone that immeasurably improved working conditions for American women.

A Civil Action Jonathan Harr. 2011-08-10 #1 NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • The true story of one man so determined to take down two of the nation's largest corporations accused of killing children from water contamination that he risks losing everything. The legal thriller of the decade. —Cleveland Plain Dealer Described as “a page-turner filled with greed, duplicity, heartache, and bare-knuckle legal brinkmanship by The New York Times, *A Civil Action* is the searing, compelling tale of a legal system gone awry—one in which greed and power fight an unending struggle against justice. Yet it is also the story of how one man can ultimately make a difference. Representing the bereaved parents, the unlikeliest of heroes emerges: a young, flamboyant Porsche-driving lawyer who hopes to win millions of dollars and ends up nearly losing everything, including his sanity. With an unstoppable narrative power reminiscent of Truman Capote’s *In Cold Blood*, *A Civil Action* is an unforgettable reading experience that will leave the reader both shocked and enlightened. *A Civil Action* was made into a movie starring John Travolta and Robert Duvall.

The African Film Industry UNESCO. 2021-10-01 The production and distribution of film and audiovisual works is one of the most dynamic growth sectors in the world. Thanks to digital technologies, production has been growing rapidly in Africa in recent years. For the first time, a complete mapping of the film and audiovisual industry in 54 States of the African continent is available, including quantitative and qualitative data and an analysis of their strengths and weaknesses at the continental and regional levels. The report proposes strategic recommendations for the development of the film and audiovisual sectors in Africa and invites policymakers, professional organizations, firms, filmmakers and artists to implement them in a concerted manner.

Equal Fred Strebeigh. 2009 Portrays the dramatic story behind the movement toward legal recognition of sex discrimination in this country.

Appealing For Justice Susan Berry Casey. 2016-09-01 This deeply researched riveting biography captures Jean Dubofsky's untold journey battling injustice, including successfully arguing the landmark gay rights case *Romer v. Evans* before the U. S. Supreme Court. It places Dubofsky and Colorado at the center of our country's fight for social justice. 16 pages of photos, Index.

The Runaway Jury John Grisham. 2010-03-16 #1 NEW YORK TIMES BESTSELLER • Every jury has a leader, and the verdict belongs to them. They are at the center of a multimillion-dollar legal hurricane: twelve men and women who have been investigated, watched, manipulated, and harassed by high-priced lawyers and consultants who will stop at nothing to secure a verdict. Now the jury must make a decision in the most explosive civil trial of the century, a precedent-setting lawsuit against a giant tobacco company. But only a handful of people know the truth: that this jury has a leader, and the verdict belongs to him. He is known only as Juror #2. But he has a name, a past, and he has planned his every move with the help of a beautiful woman on the outside. Now, while a corporate empire hangs in the balance, while a grieving family waits, and while lawyers are plunged into a battle for their careers, the truth about Juror #2 is about to explode in a cross fire of greed and corruption—and with justice fighting for its life. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM!*

Selling Women Short Liza Featherstone. 2009-04-20 On television, Wal-Mart employees are smiling women delighted with their jobs. But reality is another story. In 2000, Betty Dukes, a fifty-two-year-old black woman in Pittsburg, California, became the lead plaintiff in *Dukes v. Wal-Mart Stores*, a class action, representing 1.6 million women. In her explosive investigation of this historic lawsuit, journalist Liza Featherstone reveals how Wal-

Mart, a self-styled family-oriented, Christian company: Deprives women (but not men) of the training they need to advance. Relegates women to lower-paying jobs like selling baby clothes, reserving the more lucrative positions for men. Inflicts punitive demotions on employees who object to discrimination. Exploits Asian women in its sweatshops in Saipan, a U.S. commonwealth. Featherstone goes on to reveal the creative solutions that Wal-Mart workers around the country have found, like fighting for unions, living-wage ordinances, and childcare options. *Selling Women Short* combines the personal stories of these employees with superb investigative journalism to show why women who work these low-wage jobs are getting a raw deal, and what they are doing about it. A new preface to the paperback edition will reflect on Wal-Mart's response to this lawsuit and its critics—including this one.

Be Fierce Gretchen Carlson.2018-09-25 Now updated with a new chapter! Includes the #metoo movement and the cultural revolution. A groundbreaking manifesto from journalist Gretchen Carlson about how women can protect themselves from sexual harassment in the workplace and reclaim their power against abuse or injustice. In *BE FIERCE*, Gretchen shares her own experiences, as well as powerful and moving stories from women in many different careers and fields who decided they too weren't ready to shut up and sit down. Gretchen became a voice for the voiceless. In this revealing and timely book, Gretchen shares her views on what women can do to empower and protect themselves in the workplace or on a college campus, what to say when someone makes suggestive remarks, how an employer's Human Resources department may not always be your friend, and how forced arbitration clauses in work contracts often serve to protect companies rather than employees. Her groundbreaking message encourages women to stand up and speak up in every aspect of their lives. Gretchen also discusses why this fight will require both women and men working together to ensure that our daughters and sons will have a brighter future. *BE FIERCE* is a cultural movement and a motivating testament to what we can accomplish if we collectively decide to become warriors in the path for a better future. The time is now. Take back your life, your career, and your dignity. Twitter: @GretchenCarlson Facebook: @GretchenCarlson Instagram: @therealgretchen Carlson A portion of each book sale will go towards Gretchen's Gift of Courage fund. Using your voice and speaking your truth is a step toward freedom. Be a 'Fierce' force because that's what it takes to change the world.--Maria Shriver, Emmy and Peabody Award-winning journalist, New York Times bestselling author, and founder of The Women's Alzheimer's Movement

From the Closet to the Courtroom Carlos A. Ball.2010 Engaging and largely untold, *From the Closet to the Courtroom* explores how five pivotal lawsuits have altered LGBT history. Beginning each case narrative at the center—with the litigants and their lawyers—law professor Carlos Ball follows the stories behind each crucial lawsuit. He traces the parties from their communities to the courtroom, while deftly weaving in rich sociohistorical context and analyzing the lasting legal and political impact of each judicial outcome.

Twisting Robert L. Shibley.2016-09-27 This is the story of how Title IX, a 1972 law intended to ban sex discrimination in education, became a monster that both the federal government and many college administrators treat as though it supersedes both the U.S. Constitution and hundreds of years of common law. It's a story about the victims of this law—men and women both—and of the unaccountable government bureaucrats at the Departments of Education and Justice who repeatedly prioritize an extreme brand of politics over free speech, fundamental fairness, and basic human decency. But while help may come too late for many of the present victims of Title IX abuse, there are still measures that colleges and courts can take to curb these abuses until Congress acts—or we see a Presidential administration that cares more about restoring justice and the rule of law than it does about sex and gender politics.

Understanding the Well-Being of LGBTQI+ Populations National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Committee on Population, Committee on Understanding the Well-Being of Sexual and Gender Diverse Populations.2021-01-23 The increase in prevalence and visibility of sexually gender diverse (SGD) populations illuminates the need for greater understanding of the ways in which current laws, systems, and programs affect their well-being. Individuals who identify as lesbian, gay, bisexual, asexual, transgender, non-binary, queer, or intersex, as well as those who express same-sex or -gender attractions or behaviors, will have experiences across their life course that differ from those of cisgender and heterosexual individuals. Characteristics such as age, race and ethnicity, and geographic location intersect to play a distinct role in the challenges and opportunities SGD people face. *Understanding the Well-Being of LGBTQI+ Populations* reviews the available evidence and identifies future research needs related to the well-being of SGD populations across the life course. This report focuses on eight domains of well-being; the effects of various laws and the legal system on SGD populations; the effects of various public policies and structural stigma; community and civic engagement; families and social relationships; education, including school climate and level of attainment; economic experiences (e.g., employment, compensation, and housing); physical and mental health; and health care access and gender-affirming interventions. The recommendations of *Understanding the Well-Being of LGBTQI+ Populations* aim to identify opportunities to advance understanding of how individuals experience sexuality and gender and how sexual orientation, gender identity, and intersex status affect SGD people over the life course.

Me Too Political Science Taylor & Francis Group.2021-08-02 *Me Too Political Science* explores the multiple manifestations and implications of gendered biases in Political Science by connecting the dots between the sexual harassment described in the recent report on 2017 American Political Science Association's Survey on Sexual Harassment at Annual Meetings and other problematic issues. Started by Tarana Burke in 2007 to stand with young women of color who survived sexual assault, the MeToo campaign was intended to let women know that they were not alone. In turn, the Women's Caucus for Political Science used #MeTooPoliSci to bring awareness to sexual harassment, assault and misconduct in the discipline. The essays in this book and the authors' scholarly activism, harnessed a collective power to dispel the shame, embarrassment and secrecy that surrounds these issues. They focus in particular on bullying, entitled and toxic forms of masculinity; systematic discounting of and dismissiveness and derision toward work on gender and sexuality; biases and inequities associated with hiring, teaching evaluations, service loads, and tenure and promotion; and related and often intersecting forms of harassment but not only those related to race and sexuality. The essays in this volume stem from the 2018 pre-conference held by the Women's Caucus for Political Science at the American Political Science Association's annual meeting. *Me Too Political Science* is of great importance not only to scholars interested in Gender and Women's Studies, but all those working in the Political Science discipline - and even beyond, to academia as a whole. The chapters were originally published as a special issue of the *Journal of Women, Politics and Policy*.

The Secret Rhonda Byrne.2011-07-07 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use *The Secret* in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. *The Secret* contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of *The Secret*, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Gawker Slayer Charles Harder.2021-02-24 Dubbed the highest-profile media lawyer in America by *The Hollywood Reporter*, and Hollywood's favorite lawyer, by *Financial Times*, CHARLES HARDER tells his story for the first time. With *GAWKER SLAYER*, Harder takes readers on a journey of his biggest cases, including his landmark \$140 million trial victory against Gawker Media on behalf of his client, Hulk Hogan—on the fifth anniversary of the infamous trial verdict. The book intertwines fascinating narrations from Harder's 25-year career as a high-profile media and entertainment attorney, with personal stories about his life, upbringing and legal career, and also commentary on the media, law and major topics of the day including media bias, journalistic ethics, and cancel culture. *GAWKER SLAYER* tells the stories, with personal anecdotes, of Harder's most high-profile cases, including: * An in-depth, multi-chapter look inside the legal battle between Hulk Hogan and Gawker Media which resulted in the knockout verdict that put the company out of business. * Winning a multi-million dollar settlement, plus full retraction and apology, for First Lady Melania Trump against the Daily Mail. * Beating Stormy Daniels in two federal lawsuits, on behalf of client President Trump. * Representing Amber

Heard in her divorce case against ex-husband Johnny Depp. * Representing Halle Berry in rewriting the laws to prevent paparazzi from harassing the children of celebrities. * Representing the Julia Child Foundation against Thermador for posthumously using Child's name and image to market their products, without permission or compensation. * Representing Sandra Bullock, Cameron Diaz and Reese Witherspoon in lawsuits to protect their name and image rights. GAWKER SLAYER is about doing what's necessary, sometimes through extraordinary measures, to protect fundamental rights, including free speech and free expression, and in the process protect individuals against the excesses of powerful media corporations, and promote responsibility and civility in society. CHARLES HARDER is a U.S. litigation and trial attorney who specializes in media law, First Amendment, defamation (libel & slander), privacy, reputation protection, entertainment, intellectual property and business litigation. Licensed to practice in California, New York and the District of Columbia, Mr. Harder is founder and managing partner of HARDER LLP (www.HarderLLP.com) based in Los Angeles, with offices in New York.

Women on the Hill Clara Bingham.1997 Set against the backdrop of an extraordinarily volatile electorate (which would propel the Gingrich Republican radicals into power by the 1994 midterm elections) *Women on the Hill* chronicles two years that began in optimism and idealism, but ended in a disconcerting mix of disappointment and compromise. Bingham transcends partisan politics by focusing on the ways in which politics of gender affect us all. 208 pp. Author tour. Targeted print ads. Online promo. 15,000 print.

Class Action Clara Bingham, Laura Leedy Gansler.2003-10-14 The true story of Lois Jenson, a petite single mother, who was among the first women hired by a northern Minnesota iron mine in 1975. In this brutal workplace, female miners were relentlessly threatened with pornographic graffiti, denigrating language, stalking, and physical assaults. Terrified of losing their jobs, the women kept their problems largely to themselves—until Lois, devastated by the abuse, found the courage to file a complaint against the company in 1984. Despite all of the obstacles the legal system threw at them, Lois and her fellow plaintiffs enlisted the aid of a dedicated team of lawyers and ultimately prevailed. Weaving personal stories with legal drama, *Class Action* shows how these terrifically brave women made history, although not without enormous personal cost. Told at a thriller's pace, this is the story of how one woman pioneered and won the first sexual harassment class action suit in the United States, a legal milestone that immeasurably improved working conditions for American women.

Busting the Brass Ceiling Fanchon Blake, Linden Gross.2020

Sex, Power, and Boundaries Peter Rutter.1996 Drawing on actual incidents, in-depth research, and his extensive professional expertise, the author of *Sex in the Forbidden Zone* presents an indispensable manual on sexual harassment—what it is, why it occurs, and how to prevent it.

The Mysterious Private Thompson Laura Leedy Gansler.2007-07-01 The incredible account of how one heroic woman defied convention in 19th-century America to live, work, and defend her country at a time of war, when women were barely allowed out of the house.

Witness to the Revolution Clara Bingham.2016-05-31 The electrifying story of the turbulent year when the sixties ended and America teetered on the edge of revolution NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ST. LOUIS POST-DISPATCH As the 1960s drew to a close, the United States was coming apart at the seams. From August 1969 to August 1970, the nation witnessed nine thousand protests and eighty-four acts of arson or bombings at schools across the country. It was the year of the My Lai massacre investigation, the Cambodia invasion, Woodstock, and the Moratorium to End the War. The American death toll in Vietnam was approaching fifty thousand, and the ascendant counterculture was challenging nearly every aspect of American society. *Witness to the Revolution*, Clara Bingham's unique oral history of that tumultuous time, unveils anew that moment when America careened to the brink of a civil war at home, as it fought a long, futile war abroad. Woven together from one hundred original interviews, *Witness to the Revolution* provides a firsthand narrative of that period of upheaval in the words of those closest to the action—the activists, organizers, radicals, and resisters who manned the barricades of what Students for a Democratic Society leader Tom Hayden called “the Great Refusal.” We meet Bill Ayers and Bernardine Dohrn of the Weather Underground; Daniel Ellsberg, the former Defense Department employee who released the Pentagon Papers; feminist theorist Robin Morgan; actor and activist Jane Fonda; and many others whose powerful personal stories capture the essence of an era. We witness how the killing of four students at Kent State turned a straitlaced social worker into a hippie, how the civil rights movement gave birth to the women's movement, and how opposition to the war in Vietnam turned college students into prisoners, veterans into peace marchers, and intellectuals into bombers. With lessons that can be applied to our time, *Witness to the Revolution* is more than just a record of the death throes of the Age of Aquarius. Today, when America is once again enmeshed in racial turmoil, extended wars overseas, and distrust of the government, the insights contained in this book are more relevant than ever. Praise for *Witness to the Revolution* “Especially for younger generations who didn't live through it, *Witness to the Revolution* is a valuable and entertaining primer on a moment in American history the likes of which we may never see again.”—Bryan Burrough, *The Wall Street Journal* “A rich tapestry of a volatile period in American history.”—Time “A gripping oral history of the centrifugal social forces tearing America apart at the end of the '60s . . . This is rousing reportage from the front lines of US history.”—O: *The Oprah Magazine* “The familiar voices and the unfamiliar ones are woven together with documents to make this a surprisingly powerful and moving book.”—New York Times Book Review “[An] Enthralling and brilliant chronology of the period between August 1969 and September 1970.”—Buffalo News “[Bingham] captures the essence of these fourteen months through the words of movement organizers, vets, students, draft resisters, journalists, musicians, government agents, writers, and others. . . . This oral history will enable readers to see that era in a new light and with fresh sympathy for the motivations of those involved. While Bingham's is one of many retrospective looks at that period, it is one of the most immediate and personal.”—Booklist

A Woman Scorned Peggy Sanday.2011-12-14 2011 Edition with a New Afterword by the author The venerable and often misquoted phrase Hell hath no fury like a woman scorned continues to haunt American women who accuse men of sexual harassment and rape. In this bracing study of American sexual culture and the politics of acquaintance rape, anthropologist Peggy Reeves Sanday identifies the sexual stereotypes that continue to obstruct justice and diminish women. Beginning with a harrowing account of the St. John's rape case, Sanday reaches back through British and American landmark rape cases to explain how, with the exception of earliest colonial times, rape has been a crime notable for placing the woman on trial. Whether she is charged as a false accuser, gold digger, loose or scorned woman, stereotypes prevail. American jurisprudence and the public at large remain divided on acquaintance rape. With the passage of the Violence Against Women Act—one of the most important legislation for women—a new breed of antifeminists stepped up to the plate to subordinate women's bid for sexual autonomy and freedom. A groundbreaking, classic work of scholarship that coherently challenges the anti-rape backlash and its rhetoric, *A Woman Scorned* continues to bring a broad perspective to our understanding of acquaintance rape, even if its original vision of a new paradigm for female sexual equality awaits implementation.

Action Against Sexual Harassment at Work in Asia and the Pacific Nelien Haspels.2001

Reset Ellen Pao.2017-09-19 The “necessary and incisive” (Roxane Gay) account of the discrimination case that “has blown open a conversation about the status of women” in the workplace (The New York Times) SHORTLISTED FOR THE 2017 FINANCIAL TIMES AND MCKINSEY BUSINESS BOOK OF THE YEAR | NAMED A BEST FALL BOOK BY ELLE AND BUSTLE In 2015, Ellen K. Pao sued a powerhouse Silicon Valley venture capital firm, calling out workplace discrimination and retaliation against women and other underrepresented groups. Her suit rocked the tech world—and exposed its toxic culture and its homogeneity. Her message overcame negative PR attacks that took aim at her professional conduct and her personal life, and she won widespread public support—Time hailed her as “the face of change.” Though Pao lost her suit, she revolutionized the conversation at tech offices, in the media, and around the world. In *Reset*, she tells her full story for the first time. The daughter of immigrants, Pao was taught that through hard work she could achieve her dreams. She earned multiple Ivy League degrees, worked at top startups, and in 2005 was recruited by Kleiner Perkins, arguably the world's leading venture capital firm at the time. In many ways, she did everything right, and yet she and other women and people of color were excluded from success—cut out of decisive meetings and email discussions, uninvited to CEO dinners and lavish networking trips, and had their work undercut or appropriated by male executives. It was time for a system reset. After Kleiner, Pao became CEO of reddit, where she took forceful action to change the status quo for the company and its product. She banned revenge porn and unauthorized nude photos—an action other large media sites later followed—and shut down parts of reddit over online harassment. She and seven other women tech

leaders formed Project Include, an award-winning nonprofit for accelerating diversity and inclusion in tech. In her book, Pao shines a light on troubling issues that plague today's workplace and lays out practical, inspiring, and achievable goals for a better future. Ellen K. Pao's *Reset* is a rallying cry—the story of a whistleblower who aims to empower everyone struggling to be heard, in Silicon Valley and beyond. Praise for *Reset* "Necessary and incisive . . . As Ellen Pao detailed her experiences, while also communicating her passion for the work men often impeded her from doing, I was nothing short of infuriated. It was great to see a highly accomplished woman of color speaking out like this, and hopefully this book will encourage more women to come forward, give voice to their experiences in the workplace, and contribute to meaningful change."—Roxane Gay *Sisters in Law* Linda Hirshman.2015-09-01 NEW YORK TIMES BESTSELLER WASHINGTON POST BESTSELLER The author of the celebrated *Victory* tells the fascinating story of the intertwined lives of Sandra Day O'Connor and Ruth Bader Ginsburg, the first and second women to serve as Supreme Court justices The relationship between Sandra Day O'Connor and Ruth Bader Ginsburg—Republican and Democrat, Christian and Jew, western rancher's daughter and Brooklyn girl—transcends party, religion, region, and culture. Strengthened by each other's presence, these groundbreaking judges, the first and second to serve on the highest court in the land, have transformed the Constitution and America itself, making it a more equal place for all women. Linda Hirshman's dual biography includes revealing stories of how these trailblazers fought for their own recognition in a male-dominated profession—battles that would ultimately benefit every American woman. She also makes clear how these two justices have shaped the legal framework of modern feminism, including employment discrimination, abortion, affirmative action, sexual harassment, and many other issues crucial to women's lives. *Sisters-in-Law* combines legal detail with warm personal anecdotes that bring these very different women into focus as never before. Meticulously researched and compellingly told, it is an authoritative account of our changing law and culture, and a moving story of a remarkable friendship.

Pelvic Ring Fractures Axel Gänsslen,Jan Lindahl,Stephan Grechenig,Bernd Füchtmeier.2020-11-25 This book provides in-depth coverage of all aspects of pelvic ring fractures and their management. The opening chapters supply essential information on surgical anatomy, biomechanics, classification, clinical evaluation, radiological diagnostics, and emergency and acute management. The various operative techniques, including navigation techniques, that have been established and standardized over the past two decades are then presented in a step-by-step approach. Readers will find guidance on surgical indications, choice of approaches, reduction and fixation strategies, complication management, and optimization of long-term results. Specific treatment concepts are described for age-specific fractures, including pediatric and geriatric injuries, and secondary reconstructions. Pelvic ring fractures represent challenging injuries, especially when they present with concomitant hemodynamic instability. This book will help trauma and orthopaedic surgeons at all levels of experience to achieve the primary treatment aim of anatomic restoration of the bony pelvis to preserve biomechanical stability and avoid malunion with resulting clinical impairments.

Violent Crime Control and Law Enforcement Act of 1994 United States.1994

How Sex Became a Civil Liberty Leigh Ann Wheeler.2013 'How Sex Became a Civil Liberty' shows how we came to see sexual expression, sexual practice, and sexual privacy as fundamental rights enshrined in the Constitution, thanks to the work of ACLU leaders and attorneys who forged legal principles that advanced the sexual revolution.

Class Action Clara Bingham,Laura Leedy Gansler,Alan M. Dershowitz.2002 In the coldest reaches of northern Minnesota, a group of women endured a shocking degree of sexual harassment - until one of them stepped forward and sued the company that had turned a blind eye to their pleas for help. *Jenson v. Eveleth Mines*, the first sexual harassment class action in America, permanently changed the legal landscape as well as the lives of the women who fought the battle.

Women and the Law Stories Elizabeth M. Schneider,Stephanie M. Wildman.2011 Softbound - New, softbound print book.

Class Action The Landmark Case That Changed Sexual Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Class Action The Landmark Case That Changed Sexual PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It

is worth noting that while accessing free Class Action The Landmark Case That Changed Sexual PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Class Action The Landmark Case That Changed Sexual free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Class Action The Landmark Case That Changed Sexual Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
