Ancestral Voices Etienne van Heerden.2012-09-27 In the wild night hours, or during the heat of the day - whenever man's thoughts whirl feverishly - then truth and fantasy, the past and the future, life and death are indiscriminately mingled on Toorberg, home of the Moolman family. So the magistrate is to learn as he investigates the strange circumstances of the death of little Noah, child of grief, who was not entirely of this world. Every day the case becomes more complex, until it challenges the very foundations of the law. It seems as if the magistrate will have to judge an entire dynasty, both the living and the dead. Everyone's guilt has to be affirmed, or denied, and this means he will have to rip open the lives of all. The Moolmans are a tribe who have long since learned how to deal with their own. Parents cut children out of their lives, shunt them aside to live as stepchildren, scrag-ends of the clan, or as city-dwellers whose names are never uttered. The Moolmans cannot forgive; not when their tribal blood is betrayed.

The Church Struggle in South Africa John W. De Gruchy.2005 No more heartrending yet hopeful case study in Christian ethics exists than in the story of South African apartheid and its recent decisive transformation. John de Gruchy's authoritative and newly updated account of Christian complicity with and then resistance to one of the world's most notoriously repressive regimes holds indispensable lessons and dangerous memories for all concerned about evil, justice, and racial reconciliation.

Historical Dictionary of Namibia Victor Tonchi,William A. Lindeke,John J. Grotpeter.2012 On March 21, 1990, Sam Nujoma was sworn in as the first president of independent Namibia. This ceremony marked the end of a struggle that lasted more than two decades and a period of colonialism that lasted more than a century. Finally, after decades long wars over grazing in the 19th century, genocidal colonial suppression by Germany at the beginning of the 20th century, repressive apartheid racialism throughout the 20th century, and a prolonged armed liberation struggle, Namibians had the chance to choose their own leaders, develop a democratic political process in a free society, and to bring economic development and greater equity to their country. The Historical Dictionary of Namibia covers the history of Namibia through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Namibia.

Praying Mantis André Brink.2006 A magical novel from a world class writer about a remarkable historical figure. In his early years, growing up on a Dutch farm in the deep interior of the southern African Cape, Cupido Cockroach became the greatest drinker, liar, fornicator and fighter of his region. Coming under the spell of the soap-boiler Anna, and under the influence of the great Dr Johannes Theodorus van der Kemp of the London Missionary Society, Cupido is made the first Khoi or 'Hottentot' missionary ordained at the Cape of Good Hope. Received into the fold of the Church, Cupido passionately turns against all his early beliefs. After being drawn into the fierce struggle between the missionaries and the Dutch colonists, he rises to some prominence and is appointed as missionary in a remote and arid region in the North-western Cape. But this also marks the beginning of his decline, as the Society abandons him to his fate. One by one, the members of his congregation disappear into the desert, so that in the end, abandoned even by his wife and children, he is left to preach to the stones and thorn trees and tortoises, returning to the dream-world of his people. In a heady mixture of comedy and tragedy, the real and the magical, and immersed in the ancient, earthy, African world of magic and dreams, Praying Mantis explores through the historical figure of Cupido Cockroach the origins of racial tension in the shadowlands between myth and history. From the Hardcover edition.

Her grandmother lies on her deathbed unleashing a tumult of myth, legend and brute fact. Thirteen Hours Deon Meyer.2010-07-03 South African detective Benny Griessel has one day to solve two murders in the award winning, #1 bestselling thriller—"This book is great!" (Michael Connelly). Winner of the Barry Award for Best Thriller As morning dawns in Cape Town, Det. Capt. Benny Griessel finds himself facing a difficult day. A South African music executive has been shot dead. An American teenager's body has been found on the street, her throat cut. And her friend Rachel Anderson is somewhere in the city, terrified and alone, but hopefully still alive. For both cases, time is short and media attention is high. And while the homicide detective has been sober for 156 days, day 157 is going to be a tough one . . . A #1 bestseller in South Africa, winner of the 2011 Boeke Prize Fanatics Choice Award, and a finalist for the CWA International Dagger, Thirteen Hours is an atmospheric, intensely gripping novel from "a serious writer who richly deserves the international reputation he has built" (The Washington Post). "Deon Meyer is one of the unsung masters. Thirteen Hours proves he should be on everyone's reading list." —Michael Connelly, New York Times-bestselling author of the Harry Bosch novels "A deft storyteller." —Publishers Weekly

Fiela's Child Dalene Matthee.1992-09 Set in nineteenth-century rural Africa, Fiela's Child tells the gripping story of Fiela Komoetie and a white, three-year old child, Benjamin, whom she finds crying on her doorstep. For nine years Fiela raises Benjamin as one of her own children. But when census takers discover Benjamin, they send him to an illiterate white family of woodcutters who claim him as their son. What follows is

Benjamin's search for his identity and the fundamental changes affecting the white and black families who claim him. Everything a novel can be: convincing, thought-provoking, upsetting, unforgettable, and timeless.—Grace Ingoldby, *New Statesman* Fiela's Child is a parade that broadens and humanizes our understanding of the conflicts still affecting South Africa today.—Francis Levy, *New York Times Book Review* A powerful creation of time and place with dark threads of destiny and oppression and its roots in the almost Biblical soil of a storyteller's art.—Christopher Wordsworth, *The Guardian* The characters in the novel live and breathe; and the landscape is so brightly painted that the trees, birds, elephants, and rivers of old South Africa are characters themselves. A book not to miss.—Kirkus Reviews

Islands Dan Sleight.2004 A major work of literature, *Islands* is one of the most important novels to come out of South Africa. Crammed with characters and events, staggering in the scale of its adventures, this epic tale covers the first half-century of Dutch settlement at the Cape.

The Land Wars John Laband.2020-07-15 Perhaps the most explosive issue in South Africa today is the question of land ownership. The central theme in this country's colonial history is the dispossession of indigenous African societies by white settlers, and current calls for land restitution are based on this loss. Yet popular knowledge of the actual process by which Africans were deprived of their land is remarkably sketchy. This book recounts an important part of this history, describing how the Khoisan and Xhosa people were dispossessed and subjugated from the time that Europeans first arrived until the end of the Cape Frontier Wars (1779-1878). The Land Wars traces the unfolding hostilities involving Dutch and British colonial authorities, trekboers and settlers, and the San, Khoikhoi, Xhosa, Mfengu and Thembu people - as well as conflicts within these groups. In the process it describes the loss of land by Africans to successive waves of white settlers as the colonial frontier inexorably advanced. The book does not shy away from controversial issues such as war atrocities committed by both sides, or the expedient decision of some of the indigenous peoples to fight alongside the colonisers rather than against them. The Land Wars is an epic story, featuring well-known figures such as Ngqika, Lord Charles Somerset and his son, Henry, Andries Stockenström, Hintsa, Harry Smith, Sandile, Maqoma, Bartle Frere and Sarhili, and events such as the arrival of the 1820 Settlers and the Xhosa cattle-killing. It is essential reading for anyone who wants to understand South Africa's past and present.

Bundu Chris Barnard.2011-05-27 In a place near Mozambique where no one knows the boundary, drought is changing everything. Tens, then hundreds of people seek refuge in a forgotten outpost where a clinic is run by lonely souls of uncertain training, nuns staunchly determined to serve. But the inundation soon becomes too much for them, and there is no help from outside. Within the small community of outcasts a plan takes shape that is as outrageous as it is inspired. The illegal adventure that follows is a humanitarian act of heroic proportions, yet unsung in the greater world. And in its wake unanswered questions remain: what is it that lies just beyond our reach; why can we not take the final step towards each other? *Bundu* is about the people and the animals of Africa at the height of their beauty and the depth of their despair. It is a love story and a meditation on the mystery of our powers and the limitations that we share with our brothers, the animals.

Rediscovery of the Ordinary Njabulo Simakahle Ndebele.2006 Njabulo S. Ndebele's essays on South African literature and culture initially appeared in various publications in the 1980s. They encompass a period of trauma, defiance, and change - the decade of the collapse of apartheid and the challenge of reconstructing a future. In 1991, the essays were collected under the current title of *Rediscovery of the Ordinary: Essays on South African Literature and Culture*. Here, this collection is reprinted without revision, together with an interview provoked by Albie Sachs' paper *Preparing Ourselves for Freedom*. That it is possible to republish the essays without revision so many years after their first appearance is a tribute to Ndebele's prescience. The issues that he raises and the questions that he poses remain key to a people who, after apartheid, have started to rediscover the complex ordinariness of living in a civil society.

Night Crossing Petra Müller.2006 The author deals with dawn and dusk, day and night, land and sea. Many poems in this volume concern the death of her husband, but the volume itself celebrates life by work of vibrant transformation.

Agaat Marlene VanNiekerk.2010-05-21 Set in apartheid South Africa, *Agaat* portrays the unique, forty-year relationship between Milla, a sixty-seven-year-old white woman, and her black maidservant turned caretaker, Agaat. In 1950s South Africa, life for white farmers was full of promise - young and newly married, Milla raised a son and created her own farm out of a swathe of Cape mountainside with Agaat by her side. By the 1990s, Milla's family has fallen apart, the country she knew is on the brink of huge change, and all she has left are memories and her proud, contrary, yet affectionate guardian. With haunting, lyrical prose, Marlene van Niekerk creates a story about love and loyalty.
