

La Viola Storia E Prospettive

Metafore per l'altro Lorenza Bottacin Cantoni.2021-04-01T00:00:00+02:00 Il pensiero di Emmanuel Levinas è interamente lacerato dal problema del linguaggio: in che modo, infatti, è possibile rispondere all'appello etico dell'altro, senza ridurlo al regime ontologico? Questo problema del linguaggio è anche un problema di linguaggio che Levinas affronta, lungo tutto il suo percorso speculativo, secondo differenti modalità e con un vocabolario filosofico innovativo. A partire da un tentativo di individuare nella metafora una via d'uscita dal linguaggio dell'essere, Levinas elabora una filosofia capace di farsi carico dell'istanza etica primaria che supera anche la significazione metaforica stessa. Levinas si sforza costantemente di trovare le parole adatte a dire l'etica "altrimenti" rispetto alla tradizione metafisica. Il pensiero levinasiano crea, così, una parola viva che, innestandosi nella carnalità, origina e comanda una generosità del linguaggio e del corpo per l'altro.

Tipi umani e figure dell'esistenza Alberto Giacomelli.2021-05-20T00:00:00+02:00 Attraverso la morfologia di Goethe, la riflessione estetica di Nietzsche e la Lebensphilosophie di Simmel si è inteso sviluppare una filosofia delle "forme di vita" nei termini di un'articolazione di tipi umani, modelli esistenziali, personificazioni esemplari e concrezioni simboliche in cui si concentra, come in una monade, un intero universo storico di pratiche, comportamenti, opzioni morali, attitudini culturali e disposizioni artistiche. Il genio, il poeta, l'eroe, il filisteo, il dotto, il giornalista, lo spirito libero, il buon europeo, lo scienziato, il prete, l'asceta, il criminale, il saggio o ancora l'operaio, l'uomo della folla, il bohémien, il flâneur, il dandy e il blasé diventano l'incarnazione plastica di forme di pensiero

e di visioni del mondo di grande (in)attualità. Mentre il goethiano “fenomeno originario”, nella sua relazione con l’archetipo, rivela la presenza di una legge stabile – ancorché fluida e anti-essenzialistica – a fondamento del processo vitale di formazione, la casistica tipologica e psicologica di Nietzsche trova espressione nella stilizzazione provvisoria e nella condensazione dinamica della volontà di potenza in figure euristiche, che donano un volto – o meglio una maschera – all’intreccio prospettico dei nostri impulsi. Il carattere metamorfico e irriducibile del *Leben*, che si svincola completamente dalla rigidità del paradigma e dalla staticità dello stereo-tipo, ricorre nell’indagine estetico-sociologica di Simmel, la quale rivela, attraverso una sensibilissima analisi della metropoli moderna e dell’arte del ritratto, la contesa perenne tra la vita e le forme storico-culturali da essa prodotte.

Sul far del crepuscolo Antonio De Simone.2021-05-13T00:00:00+02:00 Libertà, necessità, desiderio, riconoscimento e destino: il teatro del conflitto. L’essere umano nella tragedia vive il disorientamento che si esprime nello sconcertante interrogativo: che cosa devo fare? Il nostro presente, tra natura, cultura, tecnica e politica sopporta la tragedia e la forza del destino? Nella storia culturale dell’Occidente, dai Greci a Hegel e poi da Simmel a noi, la filosofia è stata capace di portare- a-concetto la dialettica del tragico tale da sollevare il problema della sua essenza e relazione con l’evento dell’essere, con l’umano accadere nella congiuntura, nel *kairós*, nella storia? Forme e stili di vita, mondi eterogenei, soggettività, passioni e idee, azioni e linguaggi, personaggi sul palco: se la tragedia è la dialettica in scena e se la filosofia è l’antidoto alla *theatrokratía*, allora è ancora necessario interrogarsi sulle filosofie del tragico e del destino perché ciò ci spinge a fare filosofia nella contingenza del vivente? Per rispondere a questi interrogativi e procedere nel cammino di pensiero che pervade il fenomeno della vita nell’esistenza e del nostro essere nel mondo,

Antonio De Simone, in questo volume, ripercorre alcuni sentieri filosofici attraverso la “messa in scena” dei personaggi di un originale palcoscenico filosofico in successive rappresentazioni drammaturgiche che – tra mondo antico, moderno e contemporaneo – hanno dialetticamente vissuto e interpretato da “attori protagonisti” l’intreccio e la “storia parallela” che corre fra tragedia e filosofia.

L’uno, le parti e il tutto Paolo Landi.2021-09-30T00:00:00+02:00 La problematica del realismo è suscettibile di una trattazione legata alle scienze positive ed estranea alle tematiche metafisiche più radicali, ma in base a una lunga tradizione può essere associata a esse. Tali questioni a loro volta possono essere concepite in modo dogmatico, o secondo un punto di vista critico congiunto all’esperienza, il quale riconosca il valore profondo dei loro contenuti, attribuendo a essi un significato simbolico che risuona nella nostra coscienza. È in questo senso che, nel presente volume, le nozioni fondamentali dell’uno, delle parti e del tutto vengono inserite in un ordine sistematico dovuto a un punto di vista fenomenologico articolato in una serie di precedenti volumi. Nel corso di un’indagine che esplora alcuni dei temi più rilevanti della tradizione speculativa, unendoli tra loro in un’architettura d’insieme, questo libro fornisce una tappa ulteriore, legata all’apertura costante dell’ambito filosofico.

I nodi della trasparenza Fabio Corigliano.2018-06-11 Prefazione di Paolo Savarese. Una

cartografia dei luoghi in cui il concetto di trasparenza si manifesta e allo stesso tempo subisce le sue più drammatiche torsioni: dall'analisi del mito fondativo della casa di vetro, alla descrizione del contesto concettuale all'interno del quale si incardina metafisicamente ed esteticamente l'ideologia della trasparenza, sino a fornire uno spaccato del fronteggiarsi dello Stato (e della sua ragione pubblica) e dell'uomo.

Montesquieu: an introduction Domenico Felice.2018-10-25T00:00:00+02:00 What can Montesquieu still teach us today? Montesquieu was the first political writer who first formulated the principles of

separation of powers and the independence of justice. He was the first to scientifically study human institutions, both ancient and modern, Asiatic and European, African and American. Again, he was the first thinker to theorize Federal Democracy, systematically tracking down the root causes of human events in its environmental, cultural, historical, and geographical aspects. Analysing several aspects of Montesquieu's philosophical and political thought, this volume highlights his stoicism, realism, anti-despotism as well as his staunch defence of human dignity. Introducing one of the sharpest thinkers of modernity, this book offers fundamental tools to understand the very ground of our contemporary times.

Music and Jewish Culture in Early Modern Italy Lynette Bowring, Rebecca Cypess, Liza Malamut. 2022-03 Musical culture in Jewish communities in early modern Italy was much more diverse than researchers originally thought. An interdisciplinary reassessment, *Music and Jewish Culture in Early Modern Italy* evaluates the social, cultural, political, economic, and religious circumstances that shaped this community, especially in light of the need to recognize individual experiences within minority populations. Contributors draw from rich materials, topics, and approaches as they explore the inherently diverse understandings of music in daily life, the many ways that Jewish communities conceived of music, and the reception of and responses to Jewish musical culture. Highlighting the multifaceted experience of music within Jewish communities, *Music and Jewish Culture in Early Modern Italy* sheds new light on the place of music in complex, previously misunderstood environments.

La viola da gamba dalle origine al Rinascimento Ian Woodfield. 1999

Acuto intendere Marco Carmello. 2021-07-22T00:00:00+02:00 Il volume raccoglie saggi di studiosi italiani e stranieri focalizzati intorno al problema della relazione fra Vico e la cultura barocca, verso

cui è sempre più viva l'attenzione della critica. A partire dal suggerimento già adombrato dal titolo, i differenti autori studiano la relazione fra il filosofo napoletano e la cultura del XVII secolo, alcuni discutendo con particolare attenzione il legame fra Vico e la trattatistica dell'acutezza, altri percorrendo strade diverse, che vanno dalla relazione col concetto di storia al rapporto con l'estetica, fino alla lunga durata del pensiero vichiano nella modernità. La differente provenienza degli studiosi (Italia, Spagna, Russia e Brasile), unita all'armonica varietà dei punti di vista e degli approcci, testimoniano non solo la validità ma anche il fascino della figura e del pensiero di Giambattista Vico nella cultura contemporanea, della quale, a buon diritto, può essere considerato uno dei padri.

The Heian Court Poetry as World Literature Edoardo Gerlini.2014

Ricerche e prospettive di Teatro e Musica Elisabetta Fazzini, Giorgio Grimaldi.2016-02-15 L'idea di delineare un percorso di incontro tra i due linguaggi, quello drammaturgico e quello musicale, è alla base degli approfondimenti scientifici nei due ambiti artistici presentati in questo volume, che attraversano epoche e aree culturali diverse, esplorano interconnessioni e interferenze reciproche tra le forme espressive. Con un'ottica interdisciplinare e offrendo spunti sempre stimolanti, i saggi delle diverse sezioni toccano temi che vanno dalla rivisitazione di opere classiche teatrali alla nascita di nuove concezioni sulla scena e la danza; dall'esame di manoscritti musicali preziosi per la nostra tradizione alla rivalutazione di forme musicali moderne; dall'evoluzione degli strumenti musicali e conseguente trasformazione della creazione artistica all'uso delle nuove tecnologie di registrazione, riproduzione e fruizione del suono e della musica; dalla modalità di messa in scena di opere musicali alle interconnessioni tra teatro, musica, letteratura, politica e società.

Il diritto amministrativo Sabino Cassese.2010 Diritto amministrativo è il protagonista di tutti i ventotto scritti raccolti in questo corposo volume, tranne l'ultimo, breve testo, che peraltro mostra bene già con il titolo, La storia, compagna necessaria del diritto l'ispirazione di tutti gli altri. Il libro è proprio il racconto dei due secoli di storia del diritto amministrativo, dalle origini francesi alla sua espansione prima in tutti gli stati occidentali, poi al di fuori e al di sopra di essi. Non è ovviamente un'antologia degli innumerevoli scritti di Sabino Cassese e neanche una selezione di quelli di carattere storico: Cassese ha studiato la storia di tanti istituti, leggi e settori del diritto, ma ha raccolto in questo volume solo quelli che considerano il diritto amministrativo nel suo insieme, esaminandone i caratteri originari e l'evoluzione, delimitandone i confini, comparandolo con altre branche del diritto, descrivendone le varianti nei diversi contesti nazionali e internazionali, valutando lo stato delle diverse scienze amministrative. Si tratta di scritti pubblicati negli ultimi venti anni: tra essi, alcuni degli studi che, pur beneficiando delle ricerche condotte in precedenza, hanno maggiormente impegnato Cassese nel corso degli anni Novanta. Non sono presenti, invece, gli studi sul diritto globale, ai quali egli si è dedicato maggiormente negli ultimi anni, ma che non appartengono ancora allo studio storico del diritto amministrativo.--

La Terra è finita Piero Bevilacqua.2014-04-10T00:00:00+02:00 Una guida alla comprensione delle ragioni dell'eccesso di pressione esercitata dagli esseri umani sulla biosfera. Una storia complessa, con una trama fitta e inaspettata che arriva fino a oggi. Paolo Cacciari, Carta Che cosa ha portato le società del nostro tempo a minacciare, con il loro carico di veleni e il consumo crescente di risorse, la sopravvivenza degli esseri viventi che popolano il pianeta? Non c'è dubbio che i problemi che abbiamo di fronte non sono il risultato di processi recenti. All'origine ci sono cause più o meno remote. Come siamo arrivati sin qui?

Music at the Gonzaga Court in Mantua Donald C. Sanders.2012 In *Music at the Gonzaga Court in Mantua*, Donald C. Sanders examines the history of musical composition and performance at the northern Italian court of Mantua from the fifteenth century to the seventeenth century. Music is discussed in the context of the visual art, poetry, and theater that graced the court and of the Gonzaga family's interaction with the major European historical figures of the era.

Atti e memorie .1915

Monismo e Democrazia Marco Demurtas.2021-03-25T00:00:00+01:00 Le ricerche sul cosiddetto Radical Enlightenment hanno ampiamente dimostrato come oggi non sia più possibile tenere in disparte il ruolo svolto dal pensiero radicale nella creazione di una società democratica ed emancipante. Allo stesso modo non si può più fare a meno di considerarne il peso nelle riflessioni riguardanti l'emancipazione dell'individuo e il suo inserirsi in una società laica, fondata sui principi egualitari e tolleranti affermatasi soprattutto durante l'ultimo trentennio del XVIII secolo. Prestare maggiore attenzione sulle origini di questi principi, che si diffusero in gran parte grazie all'operato della corrente radicale, repubblicana e democratica, permette di ottenere una prospettiva più ampia sulla storia intellettuale dell'Illuminismo, che rischierebbe altrimenti di perdere un pezzo

fondamentale della sua evoluzione.

All'ombra del Principe Attilio Danese.2019-02-26T00:00:00+01:00 Postfazione di Flavio Felice. Nel corso della storia, pur cambiando i sistemi, la vita politica è divenuta sempre più complessa. Con Machiavelli si è liberata dalla retorica e dal moralismo e ha rinunciato a darsi una direzione etica per divenire una scienza autonoma. La lettura gramsciana del Principe nelle fasi postbellica, post '89 e ancora oggi ha dato spessore culturale alla “conquista e al mantenimento del potere”, ma in mancanza di una bussola di orientamento i diversi leader e i partiti nei sistemi democratici hanno finito con l'assecondare rivendicazioni e desideri dei cittadini. Ha prevalso l'esaltazione del consenso ad ogni costo e di conseguenza il conflitto tra le parti e la decomposizione del tessuto solidale. L'opposizione del “popolo” alla “casta” ha favorito neopopulismo e sovranismo e sollecitato la trasformazione della democrazia rappresentativa nell'utopia della democrazia diretta, in cui il popolo detta le scelte attraverso i social in assenza di principi regolativi condivisi.

Antichità e presente Federico Maria Angeloro.2021-07-02T00:00:00+02:00 I temi trattati negli ultimi corsi tenuti da Michel Foucault al Collège de France nei primi anni ottanta paiono suggerire l'esistenza di una rottura netta rispetto ai precedenti studi di uno dei maggiori intellettuali del secondo Novecento. Tuttavia, della ricerca di un possibile fil rouge entro la vasta produzione foucaultiana si occupa questo testo. Infatti, se è vero che i prodotti della ricerca condotta dal filosofo francese negli anni settanta sono serviti a evidenziare come le logiche di potere e di dominio originatesi nella modernità si inscrivano sui corpi e nella vita degli individui, non pare avventato sostenere che Foucault intraveda nell'antichità ellenistica e romano-imperiale, e in particolare nella pratica filosofica di quest'epoca, una modalità di resistenza, una forma di “indocilità ragionata”, da opporre e riproporre, che apre le porte a nuovi orizzonti e a nuove speranze.

La responsabilità medica. Dalla teoria alla pratica processuale Michele Liguori, Giovanni Cannavò, Marco Orrico. 2011

Cooperative Enterprises in Australia and Italy Anthony Jensen, Greg Patmore, Ermanno Tortia. 2015-12-18 This book arises from a three-year comparative research program concerning cooperative enterprises in Australia and Italy. The book explores the historical development, legal framework and the peak organisations of co-operatives in the two countries. Specific comparative chapters focus on consumer, credit, and worker-producer co-operatives. The book deepens the analysis of co-operatives by containing chapters that examine specific theoretical and empirical issues such as the theory of co-operative firms as collective entrepreneurial action. Monographic chapters include more in depth analysis of specific typologies of co-operatives, such as social and community oriented co-operatives, some of which were created to contrast organized crime in Southern Italy. The book concludes with an assessment of the implications of the project for public policy.

The Social Economy Ash Amin. 2009-10-15 As the current economic crisis spreads around the globe questions are being asked about what kind of capitalist or post-capitalist economy will follow. There is increasing talk of the need for stringent economic regulation, the need to temper greed and individualism, to make the economy work for human and social development. The search is on for a kinder, greener, less unequal and more redistributive economy. This transitional moment, with its pointed questions about the economy to come, provides an opportunity to assess the role and potential of the 'social economy', that is, economic activity in between market and state oriented towards meeting social needs. Until a decade ago, the term was used mainly by the fringe to describe the 'alternative economy'. Typically, organisations providing affordable child-care to low-

wage families in a poor neighbourhood, or those making goods from recycled materials for low-income households, were considered to be residual or marginal to a mainstream dominated by markets and states. In the last decade, expectation in both the developed and developing world has changed in quite radical ways. Mainstream opinion is starting to see the social economy as a source of building social capabilities as well as developing new markets in welfare provision. Policymakers around the world have begun to support the social economy, and increasingly on business grounds, jostling with traditional interest on the fringe in the sector as a moral and social alternative to the capitalist economy. It is precisely this emerging but disputed centrality of the social economy that makes this book so timely. The book positions the social economy conceptually and normatively with the help of case evidence from a number of developed and developing countries. Uniquely, it brings together in English the work of leading scholars of the social economy who are also actively engaged in national and international policy formulation. Although it argues a case for seeing the social economy as distinctive from the state and market in terms of aims, values, and actors, it also notes many overlaps and complementarities once the economy is conceptualised as a plural entity responding to needs in diverse organisational combinations. The book also shows that expectations - social and economic - cannot be divorced from local institutional and historical circumstances and legacies. Accordingly, while certain generic policy principles can be shared internationally, interventions on the ground cannot ignore the demands of situated practice and legacy.

Storia, identità e canoni letterari Ioana Both,Ayşe Saraçgil,Angela Tarantino.2013 This volume collects the interventions of the post-doctoral fellows and PhD students of the University of Cluj Napoca, the University of Bucharest and the University of Florence (Mediterranean Cultures; Doctoral School of Comparative Languages, Literatures and Cultures, specialisation in Language, Literature, Philology: Intercultural Perspectives) presented in occasion of the seminar Storia, identità e canoni letterari (History, identity and literary canons, Florence, 22-23 November 2011). The contributions are centred on the idea of canon, as a cultural construct founding modern national identities. Another trace is the literary and cultural hybridisations between different geographies. For the Romanian context, the contributions pay particular attention to the movements of the avant-garde of the early 1900s. Some contributions account for the most problematic aspects of the contemporary world using interdisciplinary approaches.

La Viola Storia E Prospettive Introduction

In today's digital age, the availability of La Viola Storia E Prospettive books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of La Viola Storia E Prospettive books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of La Viola Storia E Prospettive books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing La Viola Storia E Prospettive versions, you eliminate the need to spend money on physical copies. This not only

saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, La Viola Storia E Prospettive books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them

highly practical for studying or referencing. When it comes to accessing La Viola Storia E Prospettive books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for La Viola Storia E Prospettive books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending

system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, La Viola Storia E Prospettive books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-

expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of La Viola Storia E Prospettive books and manuals for download and embark on your journey of knowledge?

FAQs About La Viola Storia E Prospettive Books

1. Where can I buy La Viola Storia E Prospettive books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and

digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a La Viola Storia E Prospettive book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of La Viola Storia E Prospettive books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding

pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are La Viola Storia E Prospettive audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or

multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read La Viola Storia E Prospettive books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open

Library.

Find La Viola Storia E Prospettive

Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature. If your library doesn't have a subscription to OverDrive or you're looking for some more free Kindle books, then Book Lending is a similar service where you can borrow and lend books for your Kindle without going through a library. It would be nice if we're able to download free e-book and take it with us.

That's why we've again crawled deep into the Internet to compile this list of 20 places to download free e-books for your use. Kindle Buffet from Weberbooks.com is updated each day with the best of the best free Kindle books available from Amazon. Each day's list of new free Kindle books includes a top recommendation with an author profile and then is followed by more free books that include the genre, title, author, and synopsis. FeedBooks: Select the Free Public Domain Books or Free Original Books categories to find free ebooks you can download in genres like drama, humorous, occult and supernatural, romance, action and adventure, short stories, and more. Bookyards: There are thousands upon thousands of free ebooks here. From romance to mystery to drama, this website is a good source for all sorts of free e-books. When you're making a selection, you can go through reviews and ratings for each book. If you're looking for a wide variety of books in various categories, check out this site. Self publishing services to

help professionals and entrepreneurs write, publish and sell non-fiction books on Amazon & bookstores (CreateSpace, Ingram, etc). Project Gutenberg (named after the printing press that democratized knowledge) is a huge archive of over 53,000 books in EPUB, Kindle, plain text, and HTML. You can download them directly, or have them sent to your preferred cloud storage service (Dropbox, Google Drive, or Microsoft OneDrive). Library Genesis is a search engine for free reading material, including ebooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million ebooks and 60 million articles. It would take several lifetimes to consume everything on offer here.
