The Angels' Share J.R. Ward.2016-07-26 #1 New York Times bestselling author J. R. Ward delivers the second novel in her Bourbon Kings series—a sweeping saga of a Southern dynasty struggling to maintain a façade of privilege and prosperity, while secrets and indiscretions threaten its very foundation... In Charlemont, Kentucky, the Bradford family is the crème de la crème of high society—just like their exclusive brand of bourbon. And their complicated lives and vast estate are run by a discrete staff who inevitably become embroiled in their affairs. This is especially true now, when the apparent suicide of the family patriarch is starting to look more and more like murder... No one is above suspicion—especially the eldest Bradford son, Edward. The bad blood between him and his father is known far and wide, and he is aware that he could be named a suspect. As the investigation into the death intensifies, he keeps himself busy at the bottom of a bottle—as well as with his former horse trainer's daughter. Meanwhile, the family's financial future lies in the perfectly manicured hands of a business rival, a woman who wants Edward all to herself. Everything has consequences; everybody has secrets. And few can be trusted. Then, at the very brink of the family's demise, someone thought lost to them forever returns to the fold. Maxwell Bradford has come home. But is he a savior...or the worst of all the sinners?

The Darkling Bride Laura Andersen.2018-03-06 Three generations of Irish nobles face their family secrets in this spellbinding novel from the award-winning author of the Boleyn King trilogy. The Gallagher family has called Deeprath Castle home for seven hundred years. Nestled in the Wicklow Mountains of Ireland, the estate is now slated to become a public trust, and book lover and scholar Carragh Ryan is hired to take inventory of its historic library. But after meeting Aidan, the current Viscount Gallagher, and his enigmatic family, Carragh knows that her task will be more challenging than she'd thought. Two decades before, Aidan's parents died violently at Deeprath. The case, which was never closed, has recently been taken up by a new detective determined to find the truth. The couple's unusual deaths harken back a century, when twenty-three-year-old Lady Jenny Gallagher also died at Deeprath under mysterious circumstances, leaving behind an infant son and her husband, a renowned writer who never published again. These incidents only fueled fantastical theories about the Darkling Bride, a local legend of a sultry and dangerous woman from long ago whose wrath continues to haunt the castle. The past catches up to the present, and odd clues in the house soon have Carragh wondering if there are unseen forces stalking the Gallagher family. As secrets emerge from the shadows and Carragh gets closer to answers—and to Aidan—could she be the Darkling Bride's next victim? Praise for *The Darkling Bride* "A gorgeous concoction of Victorian

It includes up to 100 modern and classical cocktail recipes - but is more than a cocktail book too, offering history and insight to botanicals, and the perspective of key chefs who like to cook with vermouth as much as they like to drink it.
