of Cthulhu. You may hide from the Four Horsemen as the events of Revelation take place, speak to Quetzalcoatl as the Mayan apocalypse unfolds, or battle wild beasts as Earth itself turns on us. Wrath of the Gods brings you as close as you can (safely) come to supernatural powers ending civilization! This roleplaying game offers you the chance to play as yourself during the tumult of the apocalypse, using an elegant, narrative ruleset. Wrath of the Gods contains five unique scenarios, each offering a different take on the end of humanity by divine wrath. Each scenario also contains an apocalypse and a post-apocalypse, allowing you to survive the initial panic and make your way in life after the world's ending.

The Photoshop Book for Digital Photographers Scott

Kelby. 2011-12-20 Finally, a Photoshop book that is written expressly for professional photographers and hi-end serious amateurs that doesn't talk about F-stops, exposures, and how to frame a shot (you know all that stuff already--if you don't I hate to say it, but this isn't for you). This new book, from Photoshop User magazine editor and bestselling author Scott Kelby, starts at the moment your digital camera photos come into Photoshop, and he shows you the Photoshop pros techniques for managing, correcting, retouching and outputting your photos to knock your client's socks off, and turn you into a Photoshop production wizard. This book is absolutely ideal for traditional photographers who are making the jump to digital photography, and Scott's casual, step-by-step, plain-English style makes even the most complex Photoshop techniques seem so easy and accessible. It's the type of book that makes you smile and think Ahhhh, so that's how they do it and then immediately you realize Hey, I can do this! The entire book is graphically rich, in full color cover-to-cover, and best of all it's packed with real-world project-based tutorials that will take you through the process of sizing your images with the proper resolution (and the secret to doing so without losing image quality), how to deal with High ISO noise,

blue channel noise, and other common plagues introduced by digital cameras; you'll learn how the pros color correct their photos for output on everything from inkjet printers to printing presses, and the secrets to getting perfect fleshtones no matter where it's output. You'll learn the sharpening techniques today's top digital photographers use, and how the leading retoucher's perform digital plastic surgery in Photoshop, plus professional facial retouching techniques using Photoshop 7.0's amazing new tools. Plus, you'll also learn how to manage your photos, digital dodging and burning tricks, dealing with common problems, making client presentations within Photoshop and on the Web, and the inside tips on how to work faster and more efficiently than you ever thought possible. If you're serious about digital photography and Photoshop, this is book you've been waiting for.

Affective Health and Masculinities in South Africa Hans Reihling.2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance.

This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Callahan's Place is the neighborhood tavern to all of time and space, where the regulars are anything but. Pull up a chair, grab a glass of your favorite, and listen to the stories spun by time travelers, cybernetic aliens, telepaths...and a bunch of regular folks on a mission to save the world, one customer at a time.

Warrior Michael A. Stackpole.1998 Stripped of his rank, exiled Justin Allard is given one last chance to save his honor--by risking his life in the gladiatorial arenas of Solaris VII. But his newest Game World opponent--more skilled at 'Mech-to-Mech' combat than any other rival--raises the stakes even higher. It's Justin's own half brother, Daniel, lance commander in the dreaded Kell Hounds mercenary battalion. But Daniel has more serious worries than dealing with his estranged and bitter brother. Princess Melissa Steiner, heir apparent of the Lyran Commonwealth, has been hijacked--and the future of the Inner Sphere depends on her fate. Both Daniel and Justin face fierce battles, but in the Inner Sphere, where nobles have schemed for centuries to win the ultimate power, those who interfere with the Successor Lords are sometimes called heroes, and sometimes called victims.
