Enter a world filled with witches, prophecies, ambition and betrayal. Fresh and practical, our resource includes assessment rubric and writing prompts to inspire student comprehension. Speculate the advantages and disadvantages to knowing the

future in advance. Put the events from the play in the order that they happen as Macbeth contemplates killing the King. Students write their own scene in which Macduff confronts Macbeth directly with his suspicions about the murder of the king. Understand the meaning of key vocabulary words by using them in a sentence. Explain what is Macbeth's greatest worry, now that he is King. Students write an Epilogue where Hecate meets up with the Weird Sisters to discuss the events that ended the play. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Macbeth is the classic tale of a husband and wife's ambition and their eventual downfall. On their way home from a battle, Macbeth and Banquo are told of their destiny by three witches. Banquo is told he will father a line of kings, while Macbeth is told he will be crowned King. After informing his wife of the witches' prophecy, Lady Macbeth helps to put events into motion that will put Macbeth on the throne. While trying to keep their fate intact, the pair are met with many challenges that all seem to hold true to the witches' prophecy. Macbeth is thrown into a series of murderous plots, while his wife's ambition pulls her over the edge. Murder, greed, and the supernatural propel the story forward to an exciting conclusion.

Discovering Voice Nancy Dean.2015-03-06 Discovering Voice is a collection of classroom exercises that helps students deeply understand the reading and writing of complex text. The lessons, which cover diction, detail, figurative language, imagery, syntax, and tone, help students understand voice in what they read and encourage them to develop a strong, personal voice in their own writing. Every voice lesson includes a quotation selected from a wide range of fiction and nonfiction text, two discussion questions, and an exercise that encourages students to practice what they have learned about the elements of voice. These lessons are specifically designed for students in middle and high school. The lessons provide focused practice for a specific element of voice and take only 10 to 20 minutes of class time. Discovering Voice lessons fit well with any curriculum. As students work with the elements that comprise voice, they will improve their ability to critically analyze text. Students will also learn to apply the elements of voice to their own writing, creating a clear voice of their own.
