Salon Des Femmes Gary M. Douglas. 2014-09 What if you lived in a world where everybody was kind to each other? What if you were the one who could assist in creating that? What if you had a relationship that was loving, caring, and receiving--and not unaware, not hating, and not judging? Gary Douglas is on a mission to end the perpetual conflict between men and women. *Salon des Femmes* is based on a series of teleclasses Douglas held with a group of women. They discussed men, sex, relationships, men's and women's roles, and creating amazing, harmonious relationships. It blends the ground-breaking Access Consciousness® tools and processes, insightful revelations and heart-warming inspiration. Says Douglas: My desire is to give women in the world a greater sense of peace with others and peace with self and the place where they wouldn't feel like they have to fight for everything they are getting. Douglas encourages women to become pragmatists of femininity, applying their feminine power to create what they want. A pragmatic relationship is where partners strive to make things work for everyone involved, he says. Happily ever after doesn't occur unless you are willing to become pragmatic about your choices. *Salon des Femmes* is a profound book. If it's read with care, it will change women's lives in really big ways.

Twelve Years a Slave Solomon Northup.2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a

year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Supermarket of Images Peter Szendy, Emmanuel

Alloa, Marta Ponsa. 2020 Explores a wide range of perspectives on the economics of the image and images of the economy Published to accompany an exhibition at Jeu de Paume Museum, Paris, from February - June 2020 Preface by Quentin Bajac, director of Jeu de Paume, previously head of photography at MoMA Edited by widely published Peter Szendy, author of The Supermarket of Visible translated into English at Fordham University Press Art and economics have entertained a complex and decisive relationship since ancient times. But for over a century, what is at stake goes far beyond the mere art market: what we face now is the commodification of all that is visible. We live in a world that is increasingly saturated with images. The photographs, drawings, paintings, videos, films, digital works and multimedia installations selected for the exhibition cast a keen and watchful eye over these issues. On the one hand, they reflect the upheavals that currently affect economics in general, whether in terms of unprecedentedly large storage spaces, scarce raw materials, labor and its mutations towards immaterial forms of work, or in terms of value and its new manifestations, such as cryptocurrencies. At the same time, however, these artists' works repeatedly interrogate the future of images and things visible in the age of their globalized 'iconomics'. This exhibition catalog is a collection of short texts providing a wide range of perspectives on the economics of the image and images of the economy. A number of classic essays have also been reproduced, in part or in full. Includes contributions from Emmanuel Alloa, Herv Aubron, Matthias Bruhn, Yves Citton, Elena Esposito, Maurizio Lazzarato, Catherine Malabou, Marie Rebecchi, Marta Ponsa, Antonio Somaini, Peter Szendy, Leah Temper, Elena Vogman, Dork

Zabunyan and Miren Etxezarreta Zubizarreta.

Last Night in Nuuk Niviaq Korneliussen.2019-01-15 Five friends attempt to find themselves in the nightlife of Greenland's capital city in this "audacious and honest, sorrowful and triumphant" debut novel (NPR). In a collection of blurry nights and bleary mornings after, Greenlandic author Niviaq Korneliussen weaves together the coming of age of five young people in the city of Nuuk. Fia has recently sworn off men only to discover that the woman she wants is unavailable. Her brother Inuk is forced to escape Greenland after being implicated in a political scandal. Arnaq struggles to cope with her past as her hard-partying life spirals out of control. Meanwhile, Ivik and Sara must confront an important transition in their relationship. With vibrant imagery and daring prose, Korneliussen creates a Greenlandic literature unlike any we have known before—young, urbane, stream-of-consciousness, studded with textspeak and delirious with nightlife. This inventive debut "transports us to a cold homeland where the blood runs hot" (Guardian, UK).

Surrealist women's writing Anna Watz.2021-01-12 Surrealist women's writing: A critical exploration is the first sustained critical inquiry into the writing of women associated with surrealism. Featuring original essays by leading scholars of surrealism, the volume demonstrates the extent and the historical, linguistic, and culturally contextual breadth of this writing. It also highlights how the specifically surrealist poetics and politics of these writers' work intersect with and contribute to contemporary debates on, for example, gender, sexuality, subjectivity, otherness, anthropocentrism, and the environment. Drawing on a variety of innovative theoretical approaches, the essays in the volume focus on the writing of numerous women surrealists, many of whom have hitherto mainly been known for their visual rather than their literary production. These include Claude Cahun, Leonora Carrington, Kay Sage, Colette Peignot, Suzanne Césaire, Unica Zürn, Ithell Colquhoun, Leonor Fini, Dorothea Tanning, and Rikki Ducornet.

Uranie Camille Flammarion.2012-07-30 I WAS seventeen. She was called Uranie. Was Uranie, then, a young girl, fair, with blue eyes, innocent, but eager for knowledge? No, she was simply what she has always been, one of the nine muses; she who presided over astronomy, and whose celestial glance animated and directed the spheral choir; she was the heavenly idea hovering above earthly dullness; she had neither the palpitating flesh, nor the heart whose pulsations can be transmitted through space, nor the soft warmth of humanity; but she existed, nevertheless, in a sort of ideal world, superior to humanity, and always pure; and yet she was human enough in name and form to produce in the soul of a youth a vivid and profound impression; to awaken in that soul an undefined and undefinable sentiment of admiration: almost of love.

A Maggot John Fowles.2013-04-02 In the spring of 1736 four men and one woman, all traveling under assumed names, are crossing the Devonshire countryside en route to a mysterious rendezvous. Before their journey ends, one of them will be hanged, one will vanish, and the others will face a murder trial. Out of the truths and lies that envelop these events, John Fowles has created a novel that is at once a tale of erotic obsession, an exploration of the conflict between reason and superstition, an astonishing act of literary legerdemain, and the story of the birth of a new faith.

Blessed Possibilities Gary M. Douglas.2016-03 Blessed Possibilities, a new book by Access Consciousness founder, Gary Douglas, is about the blessed choice of possibility we have available to create things we never even realized were possible. Instead of being the phenomenon we truly are on planet Earth, most of us keep trying to create the way other people do. We choose to diminish our awareness, hide our talents, and abandon our desires so we can live the way everyone else does. Blessed possibilities are about opening to the choice of new possibility. Why aren't you sharing your beauty and your talents? Gary asks. You will share your misery but you won't share your beauty. When you have talents, why the hell are you not sharing them?

They are a blessed possibility. The book, based on Gary's conversations with participants at an Access seven-day event, presents brutally honest discussions of topics like sex, money, family, culture, and belonging and it offers life-changing questions, tools, and processes that address the limitations and barriers that keep us from being, doing, and having things we never even realized were possible.

'The Eurasian Question' Liesbeth Rosen Jacobson. 2018 'Within the borders of these isles shall remain a race one calls Indo. Neither white, nor brown.' This 'Indo' was part of the Indo-Europeans, a group of mixed indigenous and European ancestry, from the former Dutch East Indies. In almost all other Asian colonies, including British India and French Indochina, which are also covered in this study, such a group of mixed ancestry came into being. The future of these Eurasians after decolonisation was quite insecure. The European rulers, on which their status was based, were gone. The new indigenous rulers perceived them suspiciously as colonial remnants and often even as traitors. In this chaotic situation, they were forced to make a choice, between staying in the former colony or leaving for the European mother country. Did they belong in the country of their European fathers

or the former colony, the country of their Asian mothers?

Miss Herbert Adam Thirlwell.2012-02-29 The secret history of novelists is often a history of exile and tourism - a history of language learning. Like the story of Gustave Flaubert and Juliet Herbert, it is a history of loss and mistakes. As Flaubert finished *Madame Bovary*, Miss Herbert, his niece's governess, translated the novel into English. But this translation has since been lost. Miss Herbert provides a map to the imaginary country shared between writers and readers. For translation, and emigration, is the way into a new history of the novel. We assume that we can read novels in translation. We also assume that style does not translate. But the history of the novel is the history of style. Miss Herbert explores the solutions to this conundrum. This book demonstrates a new way of reading internationally - complete with maps, illustrations, and helpful diagrams. And it includes a slim appendix: 'Mademoiselle O', a story by Vladimir Nabokov, which he worked on in three languages, over thirty years, and whose original French version is now translated into English by Adam Thirlwell. Adam Thirlwell was named as one of *Granta's* Best of Young British Novelists in 2003 and again in 2013.

Open Library is a free Kindle book downloading and lending service that has well over 1 million eBook titles available. They seem to specialize in classic literature and you can search by keyword or browse by subjects, authors, and genre. Learn more about using the public library to get free Kindle books if you'd like more information on how the process works. Services are book distributors in the UK and worldwide and we are one of the most experienced book distribution companies in Europe, We offer a fast, flexible and effective book distribution service stretching across the UK & Continental Europe to Scandinavia, the Baltics and Eastern Europe. Our services also extend to South Africa, the Middle East, India and S. E. Asia There aren't a lot of free Kindle books here because they aren't free for a very long period of time, though there are plenty of genres you can

browse through. Look carefully on each download page and you can find when the free deal ends. Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby. The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website. BookGoodies has lots of fiction and non-fiction Kindle books in a variety of genres, like Paranormal, Women's Fiction, Humor, and Travel, that are completely free

to download from Amazon. Project Gutenberg: More than 57,000 free ebooks you can read on your Kindle, Nook, e-reader app, or computer. ManyBooks: Download more than 33,000 ebooks for every e-reader or reading app out there.
