There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. All of the free books at ManyBooks are downloadable - some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose. When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. FULL-SERVICE BOOK DISTRIBUTION. Helping publishers grow their business through partnership, trust, and collaboration. Book Sales & Distribution. A keyword search

for book titles, authors, or quotes. Search by type of work published; i.e., essays, fiction, non-fiction, plays, etc. View the top books to read online as per the Read Print community. Browse the alphabetical author index. Check out the top 250 most famous authors on Read Print. For example, if you're searching for books by William Shakespeare, a simple search will turn up all his works, in a single location. These are some of our favorite free e-reader apps: Kindle Ereader App: This app lets you read Kindle books on all your devices, whether you use Android, iOS, Windows, Mac, BlackBerry, etc. A big advantage of the Kindle reading app is that you can download it on several different devices and it will sync up with one another, saving the page you're on across all your devices. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their

mobile app called Libby. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.
