International GAAP 2018 Ernst & Young LLP.2018-02-20 The essential guide to practical IFRS implementation, updated for 2018 International GAAP 2018 is the definitive reference for IFRS application around the world. Written by the expert practitioners at Ernst & Young, this invaluable resource provides both interpretation and practical implementation guidance for anyone applying, auditing, interpreting, regulating, studying, or teaching IFRS. Specific instruction written from a global perspective provides clarity on complex issues, and coverage of the latest changes ensures that you will apply the most current standards appropriately and effectively. Worked examples provide answers at a glance, and hundreds of illustrations from major companies' financial reports demonstrate IFRS implementation and bring technical concepts to life. Countries around the world have adopted the International Financial Reporting Standards (IFRS), and in the US, foreign private issuers are allowed to report under IFRS without reconciling to US GAAP. This book provides the essential information practitioners need to correctly understand and apply these standards, using a clear, consistent approach to resolving global financial reporting issues under IFRS in real-world scenarios. Updated and expanded for 2018, this new edition allows you to: Get up to date on the newest amendments and interpretations issued in the past year Examine implementation issues caused by widespread adoption of IFRS 9, IFRS 15, and the upcoming adoption of IFRS 16 in 2019 Understand the new insurance contract standard IFRS 17, which solves the comparison problem of IFRS 4 Gain clarity and insight on practical matters involved with IFRS implementation This three-volume set provides the depth and breadth of coverage necessary, with financial instruments covered separately for greater ease of navigation. As the world's most comprehensive reference for IFRS implementation, International GAAP 2018 is the resource no practitioner, regulator, student, or researcher should be without. It shows how difficult practical issues should be approached in the complex, global world of international financial reporting, where IFRSs have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for regulators, academic researchers and for all students of accountancy. All aspects of the detailed requirements of IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP® 2017 deals with a key area of IFRS and has a common structure for ease of use: an introduction to the background issues; an explanation of relevant principles; a clear exposition of the requirements of IFRS; a discussion of the implications in practice and possible alternative solutions available; worked examples; extracts from real company accounts; a full listing of the required disclosures. "... an important part to play in the process of promoting consistent, comparable and high quality financial reporting under IFRSs ... a book that not only provides an analysis of the requirements of the standards and the principles that they expound, but also presents a unique explanation of how the standards should be interpreted and applied in practice." - the Chairman of Trustees of the IASC Foundation "A standard reference work" - Financial Times "The definitive guide to financial reporting" - The Times

International GAAP .2008

International GAAP 2018 Ernst & Young LLP.2017-12-19 The essential guide to practical IFRS implementation, updated for 2018 International GAAP 2018 is the definitive reference for IFRS application around the world. Written by the expert practitioners at Ernst & Young, this invaluable resource provides both interpretation and practical implementation guidance for anyone applying, auditing, interpreting, regulating, studying, or teaching IFRS. Specific instruction written from a global perspective provides clarity on complex issues, and coverage of the latest changes ensures that you will apply the most current standards appropriately and effectively. Worked examples provide answers at a glance, and hundreds of illustrations from major companies' financial reports demonstrate IFRS implementation and bring technical concepts to life. Countries around the world have adopted the International Financial Reporting Standards (IFRS), and in the US, foreign private issuers are allowed to report under IFRS without reconciling to US GAAP. This book provides the essential information practitioners need to correctly understand and apply these standards, using a clear, consistent approach to resolving global financial reporting issues under IFRS in real-world scenarios. Updated and expanded for 2018, this new edition allows you to: Get up to date on the newest amendments and interpretations issued in the past year Examine implementation issues caused by widespread adoption of IFRS 9, IFRS 15, and the upcoming adoption of IFRS 16 in 2019 Understand the new insurance contract standard IFRS 17, which solves the comparison problem of IFRS 4 Gain clarity and insight on practical matters involved with IFRS implementation This three-volume set provides the depth and breadth of coverage necessary, with financial instruments covered separately for greater ease of navigation. As the world's most comprehensive reference for IFRS implementation, International GAAP 2018 is the resource no practitioner, regulator, student, or researcher should be without.
