**Music of the Heart** Katie Ashley.2013-04-05 For Abby Renard, the plan was supposed to be simple-join her brothers' band on the last leg of their summer tour and decide if she's finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupie's, Abby quickly lets him know she sure as hell isn't in his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeing him in the balls. Of course, the fact she seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn't last a week on their tour bus, she is more than

willing to prove him wrong. But as Jake's personal life begins to implode around him, he finds an unlikely ally in Abby. He's never met a woman he can talk to, joke with, or most importantly make music with. As the week starts to come to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country songstress and a bad boy of Rock N Roll actually have a future together?

**The Doctor** Nikki Sloane.2018-08-29 For years, he was a part of my life. I watched him rush to the hospital countless times, his beautiful surgeon hands racing to save lives. After all this time, I can't escape the truth. I want Dr. Lowe. Lust chokes each moment we're together. He promises to fulfill my fantasies--every dirty, naughty desire we can dream up. Only, I can't have him. He's confident. Experienced. Seductive. And he's my ex-boyfriend's father.

*Out of Character* David DeSteno,Piercarlo Valdesolo.2011-05-03 Have you ever wondered why a trumpeter of family values would suddenly turn around and cheat on his wife? Why jealousy would send an otherwise level-headed person into a violent rage? What could drive a person to blow a family fortune at the blackjack tables? Or have you ever pondered what might make Mr. Right leave his beloved at the altar, why hypocrisy seems to be rampant, or even why, every once in awhile, even you are secretly tempted, to lie, cheat, or steal (or, conversely, help someone you never even met)? This book answers these questions and more, and in doing so, turns the prevailing wisdom about who we are upside down. Our character, argue psychologists DeSteno and Valdesolo, isn't a stable set of traits, but rather a shifting state that is subject to the constant push and pull of hidden mechanisms in our mind. And it's the battle between these dueling psychological forces that determine how we act at any given point in time. Drawing on the surprising results of the clever experiments concocted in their own laboratory, DeSteno and Valdesolo shed new scientific light on so many of the puzzling behaviors that regularly grace the headlines. For example, you'll learn: •

Why Tiger Woods just couldn't resist the allure of his mistresses even though he had a picture-perfect family at home. And why no one, including those who knew him best, ever saw it coming. • Why even the shrewdest of investors can be tempted to gamble their fortunes away (and why risky financial behavior is driven by the same mechanisms that compel us to root for the underdog in sports). • Why Eliot Spitzer, who made a career of crusading against prostitution, turned out to be one of the most famous johns of all time. • Why Mel Gibson, a noted philanthropist and devout Catholic, has been repeatedly caught spewing racist rants, even though close friends say he doesn't have a racist bone in his body. • And why any of us is capable of doing the same, whether we believe it or not! A surprising look at the hidden forces driving the saint and sinner lurking in us all, *Out of Character* reveals why human behavior is so much more unpredictable than we ever realized.

It's time to go further... When enigmatic billionaire Ian Noble sets Lin the task of “taming” his brilliant yet half-savage brother Kam Reardon, she eagerly accepts. She's more than curious about the solitary genius and everything she's heard about him. During their electric first meeting, her fascination increases a hundredfold. Kam practically oozes raw sex appeal. Lin is

interested...very interested. But does her intense attraction and willingness to go places with him she's never gone before in the bedroom really have to do with Kam? Or is her carefully hidden desire to blame for wanting a man she knows she can never have? An elusive outsider, Kam avoids intimacy, yet never shies away from satisfying his erotic appetites. But there's something different about Lin—a reserve he's anxious to break. She's a woman he's eager to take his time with...and possess completely. A sophisticated beauty like her would never want him anywhere but in bed, but he finds himself unable to resist her. Immediately Lin's smooth facade is undone by Kam's overwhelming masculinity and by his irresistible erotic demands—a lesson in subjugation that leaves Lin confused, reeling, and open to things she never thought possible. Now, as the unpredictable nights between them grow darker, Lin and Kam are certain of only one thing: they're made for each other.

**Oops, I've Fallen** Max Monroe.2021-03-26 If my time with Ryan Miller were a hit track on the radio, I imagine the lyrics would go something like this... We're so different, but they say opposites attract. Oops, I've fallen, and my heart doesn't want to come back. But, holy bingo night, is my attraction to the sexy, broody businessman so much more complicated than the chorus of a song. His dad lives right next to my mom, and after the two of them suffered an unexplained accident while taking down holiday decorations, both Ryan and I were forced to become the only thirtysomething residents of Sunny Creek Village Independent Senior Living Community. Temporarily moving in might seem like overkill for a fractured tailbone and a severely pulled groin muscle, but believe me,

when your mom is as wild as mine and your dad is as cantankerous as Ryan's, they need supervision to ensure they stick to doctor's orders. Constantly thrown together by the antics of our crazy parents and the tough-as-nails community enforcer, Betty Matthews, Ryan and I formed an alliance for the sole purpose of survival. But I never expected to be so interested in finding out what he was hiding beneath his grumpy, serious demeanor. More than that, I never dreamed what I found would be the kind of man women sell their souls to the devil for. Unfortunately, our little one-hit wonder on the airwaves has more to say before it comes to an end. Although, finishing the outro to this song is a real doozy... Tell me...what lyric rhymes with Oops, I've fallen for my future stepbrother?

Olivia Twist Lorie Langdon.2018-03-06 Olivia Twist is an innovative reimagining of Charles Dickens' classic tale Oliver Twist, in which Olivia was forced to live as a boy for her own safety until she was rescued from the streets. Now eighteen, Olivia finds herself at a crossroads: revealed secrets threaten to destroy the proper life she has built for herself, while newfound feelings for an arrogant young man she shouldn't like could derail her carefully laid plans for the future. Olivia Brownlow is

no damsel in distress. Born in a workhouse and raised as a boy among thieving London street gangs, she is as tough and cunning as they come. When she is taken in by her uncle after a caper gone wrong, her life goes from fighting and stealing on the streets to lavish dinners and soirees as a debutante in high society. But she can't seem to escape her past ... or forget the teeming slums where children just like her still scabble to survive. Jack MacCarron rose from his place in London's East End to become the adopted nephew of a society matron. Little does society know that MacCarron is a false name for a boy once known among London gangs as the Artful Dodger, and that he and his "aunt" are robbing them blind every chance they get. When Jack encounters Olivia Brownlow in places he least expects, his curiosity is piqued. Why is a society girl helping a bunch of homeless orphan thieves? Even more intriguing, why does she remind him so much of someone he once knew? Jack finds himself wondering if going legit and risking it all might be worth it for love.

Taming Trouble Jiffy Kate.2017-11-14 The day Tucker Benoit left his father's farm in French Settlement to pursue his love of music was the best day of his life. Or so he thought... After years of booze, girls, drugs, and gigs, Tucker finds himself back where he started. Only this time, he finds solace on the farm that once isolated him from the world. Now, the only thing hindering his much-needed R and R is the smart and sassy Piper Grey. The fire between them is palpable and lands them between the sheets more often than not. But when a blast from Tucker's past shows up out of nowhere, he's forced to re-evaluate his life. The future never looked more uncertain and his heart never felt more torn apart. Suddenly, staying on the road doesn't seem like such a bad idea after all...
