**Drum Lessons for Kids of All Ages** Rob Silverman. 2015-10-06 Intended for the beginning drum student, this book contains many essential reading and playing skills for the snare and drumset. These studies are integrated in a logical, sequential order. For example, a new rhythm is introduced and studied on the snare drum, then later applied as a beat and then a fill. The same rhythm will appear later in the book for review and then in one of the play-along tunes. This way each concept is reinforced and utilized in different ways. Because of the need to stress the importance of dynamics and their role in the proper execution of playing a piece, dynamic markings are included in many of the snare drum exercises. The author has gone to extreme measures to provide a fun and humorous way of learning to play drums while at the same time implementing the fundamental tools necessary to be a proficient musician. Includes access to online audio that presents eight play-along tunes with and without the drums.

This Searing Light, the Sun and Everything Else Jon Savage. 2019-04-02 The SUNDAY TIMES Top Ten Bestseller #1 Book of the Year, UNCUT #1 Book of the Year, ROUGH TRADE Book of the Year, MOJO Over the course of two albums and some legendary gigs, Joy Division became the most successful and exciting underground band of their generation. Then, on the brink of a tour to America, Ian Curtis took his own life. In *This Searing Light, the Sun and Everything Else*, Jon Savage has assembled three decades' worth of interviews with the principal players in the Joy Division story to create an intimate, candid and definitive account of the band. It is the story of how a group of young men can galvanise a generation of fans, artists and musicians with four chords and three-and-a-half minutes of music. And it is the story of how illness and inner demons can rob the world of a shamanic lead singer and visionary lyricist.

What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. The \$domain Public Library provides a variety of services available both in the Library and online, pdf book. ... There are also book-related puzzles and games to play. So, look no further as here we have a selection of best websites to download free eBooks for all those book avid readers. Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic. How to Download Your Free eBooks. If there's more than one file type download available for the free ebook you want to read, select a file type from the list above that's compatible with your device or app. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
