**IELTS Target 5.0: Preparation for IELTS General Training - Leading to Academic IELTS** Chris Gough.2010 IELTS Target 5.0: Preparation for IELTS General Training - Leading to IELTS Academic IELTS Target 5.0 is aimed at students wishing to prepare for the IELTS exam while studying at pre-intermediate level. The main focus of preparation is IELTS General Training, as this is more appropriate for this level of student. Additional bridging material is incorporated later in the course for those students wishing to continue with IELTS Academic. The IELTS General Training section consists of three five-unit sections that take the student from a strong elementary to intermediate level. The earlier units focus on basic skills and basic language, including sentence structure and spelling. The IELTS Academic section consists of five units that prepare students for the academic content of reading passages and the more challenging writing tasks. By the end of the course, students will be working with text and language that is close to that found in the exam. Exam tips are provided throughout the course to familiarize students with the various exam tasks and to provide advice on how to obtain the highest score possible. Each unit consists of five modules: Speaking and Vocabulary: This prepares students for the type of interaction they can expect with the examiner. The vocabulary selected is that most frequently encountered during the speaking exam. Listening: This module is in two parts. The first part engages students in a topic and pre-teaches key vocabulary, before focusing on a key skill or particular IELTS exam technique. The second part practises the skill. Reading: As with the Listening module. Writing: This deals with both parts of the writing exam, each unit focusing on a different writing skill or writing technique. There is a focus on guided writing, with model compositions for all writing tasks. Consolidation and Exam Practice: The first part revises the speaking focus and vocabulary in the first module. The second part practises listening, reading or writing skills under something closer to exam conditions. Each Academic unit consists of Reading and Writing Modules only. The course also includes end-of-section review material, mock tests and an accompanying workbook. Key Features Comprehensive 240-hour course IELTS General Training ideal for students on lower band scores Provides foundation for further General Training or Academic study Four sections provide flexibility of use Clear, scaffolded activities Simplified and authentic exam work Focus on real student needs

Ielts Graduation Charlie Martineau.2007 IELTS Graduation is a comprehensive course for students preparing to take the IELTS academic test. Aimed at the IELTS band 5.5 - 7.5, this topic-based book contains a wide range of activities to train students in all the required skills to help improve their IELTS score. It provides clear and practical information on all parts of the IELTS examination, as well as teaching them the skills required to do well. IELTS Graduation is written by practising teachers who are currently teaching in the classroom. Key Features: 10 topic-based units: Regular Pronunciation development sections help build students' confidence in speaking and listening; Exam information boxes provide students with detailed advice on what to expect from each section of the exam; Strategy boxes and Tip boxes offer suggestions for how to tackle the various IELTS tasks; Study Skills sections at the end of each unit contain advice on studying independently; Extensive writing practice, with model answers for all the writing questions, accompanied by useful comments; Regular dictionary focus boxes encourage students to broaden their vocabulary range; Additional photocopiable class tasks and extra study tasks in the Teacher's Book; Sample answers for the writing exam in the Teacher's Book.

*English for Psychology in Higher Education Studies* Jane Short.2010-06-30 English for Psychology in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Psychology is a skills-based course designed specifically for students of psychology who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progression in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist language they need to participate successfully within a psychology faculty. Extensive listening exercises come from psychology lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key psychology vocabulary that students will need. The Teacher's Book includes: Comprehensive teaching notes on all exercises to help teachers prepare effective lessons Complete answer keys to all exercises Full transcripts of listening exercises Facsimiles of Course Book pages at the appropriate point in each unit Photocopiable resource pages and ideas for additional activities The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers.

**International English Language Testing System Target 6.5** Chris Gough. 2013 IELTS Target 6.5: Preparation for IELTS Academic IELTS Target 6.5 is aimed at students entering IELTS study at intermediate level. The main focus of preparation is the IELTS Academic examination, therefore this book is ideal for those seeking to gain accreditation for university admissions or for immigration purposes. The combined IELTS Target 6.5 Course Book and Workbook teaches language competencies, rather than focusing solely on exam preparation. The course consists of three four-unit sections that take the student from an intermediate to advanced level. Each unit focuses on developing vocabulary and key language skills in all four areas – speaking, listening, reading and writing. The Workbook provides additional practice to help consolidate learning. By the end of the course, students will be working with texts and language at an advanced level. Each unit consists of five modules: 1 Speaking and Vocabulary: This prepares students for the type of interaction they can expect with the examiner in the Speaking test. The vocabulary selected is that most frequently encountered during the speaking exam. 2 Listening: This module is in two parts. The first part engages students in a topic and pre-teaches key vocabulary, before focusing on a key skill or particular IELTS exam technique. The second part practises the skill. 3 Reading: As with the Listening Module. 4 Writing: This deals with both parts of the Writing test, each unit focusing on a different writing skill or writing technique. There is a focus on guided writing, with model compositions for all writing tasks. 5 Consolidation and Exam Practice: The first part revises the speaking focus and vocabulary in the first module. The second part practises listening, reading or writing skills under exam-type conditions. The course also includes end-of-section review material. See accompanying Teacher's Book.

Ready for IELTS Coursebook Sam McCarter, Rachel Roberts. 2010 The new IELTS preparation course builds on the successful elements of the Ready for Series to ensure students aiming for IELTS bands 5 - 6.5 are ready for success! All four key skills are systematically developed and practised in each unit, while in-depth exam training is presented.

*Insight into IELTS* Vanessa Jakeman, Clare McDowell. 1999-09-30 Insight into IELTS offers comprehensive preparation for the IELTS examination. It develops skills, language and familiarity with the test format for each paper progressively: exam-type exercises are a regular feature of the course, and it finishes with a complete practice test. It explores the exam thoroughly, paper by paper, and its flexible structure allows teachers or

students working alone to pinpoint exactly aspects of the exam they most need to study. The course also prepares students for study abroad by introducing them to the types of communication tasks which they are likely to meet in an English speaking study environment. A separate section of supplementary material provides activities for use as homework or extra classroom practice. Insight into IELTS is equally suitable for use as a course book in the classroom or at home: a detailed introduction to the exam, together with a thorough answer key make it easy to use as self-study material.
