Intermediate Swedish Ian Hinchliffe, Philip Holmes.2019-03-04 Intermediate Swedish: A Grammar and Workbook combines an accessible intermediate reference grammar and related exercises in one volume that covers most of the topics that students might expect to deal with in their second year of learning Swedish. The book follows on naturally from and complements its companion volume, Basic Swedish. Each of the 26 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book presents the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text which outlines an aspect of Swedish culture and, in nearly all cases, exemplifies and consolidates the grammar topic examined in the unit. Features include:

- clear grammatical explanations with examples in Swedish and English
- vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance
- cross-references to other units
- over 100 exercises with a key to all the correct answers.

The book is suitable both for independent study and for class use. It can be used by intermediate students and those who have grasped the basics of grammar and vocabulary.

**Sweden Calling** Kiki T.2022-12-02 There are so many good things about Sweden. The natural beauty, the people, the food, the culture, the sports, the history: everything is special. It is no surprise, then, that Swedish is one of the fastest growing languages for foreign language students worldwide, as the world becomes a smaller and more cosmopolitan place. This book attempts to approach the big problem of Swedish vocabulary improvement by breaking it down into many simple steps. Of the 2000 commonly used Swedish words, almost all the harder ones are covered in the exercises that you will find here. And they are covered in a way that will help you level up slowly, at a pace that is suitable to your learning needs. Good luck! The gates to Swedish mastery await.
