Blue Angel Francine Prose.2009-10-13 The National Book Award Finalist from acclaimed New York Times bestselling author Francine Prose—now the major motion picture Submission “Screamingly funny ... Blue Angel culminates in a sexual harassment hearing that rivals the Salem witch trials.” —USA Today It's been years since Swenson, a professor in a New England creative writing program, has published a novel. It's been even longer since any of his students have shown promise. Enter Angela Argo, a pierced, tattooed student with a rare talent for writing. Angela is just the thing Swenson needs. And, better yet, she wants his help. But, as we all know, the road to hell is paved with good intentions. Deliciously risqué, Blue Angel is a withering take on today's academic mores and a scathing tale that vividly shows what can happen when academic politics collides with political correctness.

Brenner and God Wolf Haas.2012-06-26 Introducing one of Europe's most widely popular detective series Wanting out of high-stress detective work, Simon Brenner takes a calming job as a chauffeur, shuttling a two-year-old girl back and forth in a soothing ride along the Autobahn between her father, a construction tycoon in Munich, and her mother, an abortion doctor in Vienna. Except then one day he stops at a gas station to buy the little girl a chocolate bar and comes back to find she's been kidnapped . . . and suddenly he's out of a job, thoroughly stressed out, and a detective again. With no shortage of leads—both the father's latest development and the mother's clinic are under siege by protestors—Brenner makes his way through a powerful cast of characters and a growing

pile of bodies to solve the crime in the only way he knows how: By being in precisely the right place at the worst possible time. Told with sharp-edged wit, suspense that's even sharper, and one of the most quirky, hilarious, and compelling narrative voices ever.

The Checkbook and the Cruise Missile David Barsamian,Arundhati Roy.2004 A skillful interviewer can reveal aspects of a writer's voice in simple yet telling ways. As a novelist, Arundhati Roy is known for her lush language and intricate structure. As a political essayist, her prose is searching and fierce. All of these qualities shine through in the interviews collected by David Barsamian for *Globalizing Dissent: Conversations with Arundhati Roy*. New and devoted readers will find that these exchanges, recorded between 2001 and 2003, add to their appreciation of Roy's previous work. Whether discussing her childhood or the problems of translation in a multilingual society, Roy and Barsamian, the producer and host of *Alternative Radio*, engage in a lively and accessible manner. Speaking candidly and casually, Roy describes her participation in a demonstration against the Indian dam program as, absolutely fantastic. She jokes that her Supreme Court charge for corrupting public morality--in the case of her novel *The God of Small Things*--should have been changed to further corrupting public morality. She calls on her training as an architect to explain what she means by the physics of power. Like a house of cards, she argues that unfettered power . . . cannot go berserk like this and expect to hold it all together. Roy has been acclaimed for her courage (Salman Rushdie) and her eloquence (Kirkus Reviews), and her writing has been described as a banquet for the senses (Newsweek). She has found a readership among fiction enthusiasts and political activists. *Globalizing Dissent* captures Roy speaking one-on-one to

her audience, revealing her intense and wide-ranging intellect, her very personal voice, and her opinion on momentous political events. Arundhati Roy's novel *The God of Small Things* was awarded the Booker Prize in 1997. She is the recipient of the 2002 Lannan Foundation Prize for Cultural Freedom.
