Discovering Fiction, An Introduction Student's Book with Audio

CD Judith Kay,Kay Gelshenen.2008-05-19 North American short stories enhance pre-intermediate students' reading skills, language learning, and enjoyment of literature. Discovering Fiction, An Introduction, has the same unit and chapter structure as the two higher level books, Discovering Fiction Level 1 and Level 2. There are four units, each containing three stories that are related in terms of their theme; extensive prereading and post-reading tasks accompany each story. Unlike the other two books, however, an audio CD containing a reading of each story is packaged into each Student's Book.

How to Read Literature Like a Professor Thomas C.

Foster.2009-10-13 What does it mean when a fictional hero takes a journey?. Shares a meal? Gets drenched in a sudden rain shower? Often, there is much more going on in a novel or poem

than is readily visible on the surface—a symbol, maybe, that remains elusive, or an unexpected twist on a character—and there's that sneaking suspicion that the deeper meaning of a literary text keeps escaping you. In this practical and amusing guide to literature, Thomas C. Foster shows how easy and gratifying it is to unlock those hidden truths, and to discover a world where a road leads to a quest; a shared meal may signify a communion; and rain, whether cleansing or destructive, is never just rain. Ranging from major themes to literary models, narrative devices, and form, *How to Read Literature Like a Professor* is the perfect companion for making your reading experience more enriching, satisfying, and fun.

Themes in American and World Literature Henry I. Christ.1998 [This book] is an anthology of stories, plays, articles, essays, and poetry. All of these can be read for themselves alone, but enrichment material has been included to deepen appreciation and expand horizons ... For deeper understanding and sharper reading skills, each selection has reading questions at the end. These focus on key reading skills like finding the main idea, identifying details, and drawing correct inferences. Words listed at grade 12 difficulty or above are tested. These are followed by questions designed to help you think about what you have just read ... [This book] draws upon American sources, but also searches the world for stories from many countries: Third World countries as well as industrialized nations.-To the student.

Fast Food Nation Eric Schlosser.2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

Voyages Nelson Madore,Barry H. Rodrigue.2007 Dozens of voices celebrate--in essays, stories, plays, poetry, songs, and art--the Franco-American and Acadian experience in Maine.

Sinners in the Hands of an Angry God Jonathan Edwards

,FELIPE CHAVARRO POLANIA.2019-08-15 Preached at Enfield,

Connecticut on July 8, 1741, this is perhaps the greatest sermon

ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His

intense hatred of sin and the sinner, it is also one of the most

controversial. Indeed, for more than three-quarters of the sermon

Edwards lays down a relentless stream of the most vivid and

horrifying descriptions of the danger facing unregenerate men.

While it is difficult to read such graphic language, there is

abundant hope in the sermon’s conclusion. Edwards puts it this

way, “And now you have an extraordinary opportunity, a day

wherein Christ has thrown the door of mercy wide open and

stands calling and crying with a loud voice to poor sinners.” While

those who would rather ignore God’s justice in favor of His mercy

condemn Edwards and his sermon, those who were present and

actually heard him preach that day reacted in a decidedly

different manner. According to the diary of Reverend Stephen

Williams who attended the sermon, “Before the sermon was done

there was a great moaning and crying through the whole House,

‘what shall I do to be saved; oh, I am going to hell, etc.’” The

diary goes on to indicate that Edwards had to interrupt his

sermon and come down to minister to those who were under such

awful conviction. And so, in spite of what the scoffers might think

or say, “the amazing and astonishing power of God” was

manifested among the people that day—with many falling not into

the hands of an angry God, but into the arms of a mighty Savior.
