Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. Ebooks on Google Play Books are only available as EPUB or PDF files, so if you own a Kindle you'll need to convert them to MOBI format before you can start reading. The Open Library has more than one million free e-books available. This library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and subject. Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store. Kobo Reading App: This is another nice e-reader app that's available for Windows Phone, BlackBerry, Android, iPhone, iPad, and Windows and Mac computers. Apple iBooks: This is a really cool e-reader app that's only available for Apple. Beside each of these free eBook titles, you can quickly see the rating of the book along with the number of ratings. This makes it really easy to find the most popular free eBooks. Wikisource: Online library of user-submitted and maintained content. While you won't technically find free books on this site, at the time of this writing, over 200,000 pieces of content are available to read. Browsing books at eReaderIQ is a breeze because you can look through categories and sort the results by newest, rating, and minimum length. You can even set it to show only new books that have been added since you last visited.
