Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards Robert T. Kiyosaki, Sharon L. Lechter. 2000-11-01 Why cutting up your credit cards won't make you rich A popular TV personality often says, Take out your credit cards and cut them into pieces. While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich * Are you in credit card debt? * Is job security dead? * Is your financial security threatened? * Is a high-paying job the answer? * Is your money working for you? * Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Leadership Mastery Dale Carnegie Training. 2010-02-18 In a world quickly becoming more virtual, human relations skills are being lost -- along with the skill of leadership. There is a vacuum of leadership in many of our major institutions: government, education, business, religion, the arts. This crisis has arisen in part because many of those institutions have been reinvented with the

technological revolution we are experiencing. Scientific progress in general, and technological progress in particular, has been seen as a solution to many of our problems, and technology can distribute the answers to those problems far more quickly and efficiently across the globe. But in the midst of this technological boom, people are becoming isolated from each other. What's needed is a new type of leader -- one who can inspire and motivate others in the new virtual world while never losing sight of the timeless leadership principles. In this book, readers can learn all the secrets of leadership mastery: * Gain the respect and admiration of others using little-known secrets of the most successful leaders. * Get family, friends, and co-workers to do what you ask because they want to do it, not because they have to. * Respond effectively when under crisis using proven techniques for thinking clearly and reducing anxiety under pressure. A valuable tool that stands next to the classic *How to Win Friends and Influence People*, *Leadership Mastery* offers a proven formula for success.

Despierta el genio financiero de tus hijos Robert T. Kiyosaki. 2013-10-13 La guía definitiva del Padre Rico para que los padres brinden la mejor educación financiera a sus hijos. El autor del bestseller *Padre Rico, Padre Pobre*, Robert T. Kiyosaki, nos enseña a educar a nuestros hijos a nivel financiero. ¿Qué parte de la crisis financiera de hoy en día es resultado de una crisis de educación...o de falta de educación? ¿Y qué puede hacer un padre, hoy desde casa, para darles a sus hijos una ventaja financiera? En 1997 se lanzó *Padre Rico, Padre Pobre* y no ha dejado de ser un bestseller desde entonces. Hoy es, en el mundo, el libro de finanzas personales más vendido de todos los tiempos. Esta nueva obra de Kiyosaki insta a los padres a que dejen de obsesionarse con las calificaciones de sus hijos (que sólo reflejan que el estudiante cabe en el molde que la escuela quiere crear) y mejor se enfoquen en los conceptos, las ideas y la ayuda que sus hijos necesitan para encontrar su verdadero genio, ese don único y especial, por un camino que, además, se puede construir con amor y verdadera pasión. Siempre le pregunté a mis profesores: ¿Por qué no me enseñan algo sobre el dinero?. No fueron capaces de darme una respuesta. [...]. Este libro es para los padres que quieren preparar a sus hijos para un mundo de constantes transformaciones; para enseñarles qué hacer con el dinero, temas que las escuelas no tocan y por consiguiente, no los preparan en cuanto a educación financiera, no los preparan para el mundo... El mundo real del dinero. - Robert T. Kiyosaki
