The Lost Word Oya Baydar.2011-08-01 One of the most acclaimed and powerful novels of modern Turkey is set across Europe, but retains the Turkish-Kurdish conflict at its heart A mixture of thriller, love story, political, and psycho-philosophical novel, this is a sobering, coruscating introduction to the potentially explosive situation that exists between the Kurds and the Turkish state. A bestselling author suffering from writer's block witnesses the accidental shooting of a young Kurdish woman who loses the baby she is carrying. He becomes involved with her and the two families caught in the fallout of the Turkish-Kurdish conflict, eventually finding a true understanding of the situation and rediscovering his own creativity with a new moral certainty, stripped of any ideology or prejudice. But there are many gripping perspectives to this vital and ultimately uplifting story from one of Turkey's most acclaimed writers, now translated into English for the first time.

Judo - Nage No Kata Ute Pfeiffer,Günther Bauer.2009-06-01 The book is aimed at providing the newcomer to Kata as well as the Kata club instructor with up-to-date lessons that can be used immediately on the mat without any other preparation. Nage-no-Kata - the forms of throwing - deals with throwing techniques used in Judo. The Kata are divided into five groups and each of these has three throwing techniques to carry out on both sides of the body. An introduction covers general matters such as the layout of the mat, body posture, movement, grip and many other features. The next section includes the descriptions of the throws as well as the transition to the next follow-up throw. Numerous photos clearly describe each of the throws as sequences of movement on four consecutive pages. The important points of each throw are highlighted using circles to clarify each point. Starting with the greeting and ending with the final bow, all the picture sequences depict a practically unbroken chain of movements for the Nage-no-Kata. Despite the guidelines for each Kata, their execution is a personal expression of the performer. Thus, the details in this book reflect the influence of the two authors and these signatures are characteristic of the experienced Judo instructors and Kata experts that have advised them and accompanied them over the past years.

Broken Daniel Clay.2009-08-04 An edgy, affecting, and darkly funny debut novel — narrated by Skunk, an eleven-year-old girl in a coma — that explores innocence and its betrayal as powerfully and unforgettably as do *Lullabies for Little Criminals* and *The Lovely Bones* Skunk Cunningham's world is a small one, populated by her family; her teachers and schoolmates; and her neighbours, the quiet Buckley family and the five terrifying Oswald girls and their thug of a father, Bob. When Saskia Oswald, with her stilettos and tight pants, asks shy Rick Buckley for a ride in his new car, he can't believe his luck. But after a quick fumble, Saskia broadcasts Rick's deficiencies to anyone who will listen, including her younger sisters. This act of thoughtless cruelty will see Rick dragged off by the police, humiliated, and "broken," — and, in a tragic chain of events, will leave Skunk hanging on to her young life by a thread. From her hospital bed, Skunk shows us her hapless father finding love, and her idealistic favourite teacher losing it; "Broken" Buckley spiralling into madness; and the Oswald clan coming apart at the seams. As we inch ever closer to the mystery behind her coma, Skunk's innocence becomes a beacon by which we navigate a world as comic as it is tragic, and as engaging as it is finally uplifting. *Broken* introduces Daniel Clay as a brilliant and utterly original voice in international fiction.

Rangatira Paula Morris.2011-10-31 Based on a true story Auckland, June 1886. Ngati Wai chief Paratene Te Manu spends long sessions, over three long days, having his portrait painted by the Bohemian painter Gottfried Lindauer. Hearing of Lindauer's planned trip to England reminds him of his own journey there, twenty years earlier, with a party of northern rangatira. As he sits for Lindauer, Paratene retreats deeper and deeper into the past, from the triumphs in London and their meetings with royalty to the disintegration of the visit into poverty, mistrust, and humiliation. 'Morris' research is both thorough and thoughtful . . . With its light, often wry tone, much of the story-telling is amusing, albeit desperately poignant.' —Margie Thomson, *Canvas* 'An extraordinary literary achievement and probably the best of recent New Zealand historical novels.'

—Nicholas Reid, *New Zealand Books* '[An] adroitly told historical novel . . . Paratene - old, forgetful but wise and generous in his appraisals - is our lens, and he's a triumph of characterisation, his voice genial and

flawlessly authentic.' —John McCrystal, New Zealand Listener Also available as an eBook

Macrolife George Zebrowski.2014-04-08 Subtitled “A Mobile Utopia,” this pioneering novel about the meaning of space habitats for human history, presents spacefaring as no work did in its time, and since. A utopian novel like no other, presenting a dynamic utopian civilization that transcends the failures of our history. Epic in scope, Macrolife opens in the year 2021. The Bulero family owns one of Earth’s richest corporations. As the Buleros gather for a reunion at the family mansion, an industrial accident plunges the corporation into a crisis, which eventually brings the world around them to the brink of disaster. Vilified, the Buleros flee to a space colony where young Richard Bulero gradually realizes that the only hope for humanity lies in macrolife—mobile, self-reproducing space habitats. A millennium later, these mobile communities have left our sunspace and multiplied. Conflicts with natural planets arise. John Bulero, a cloned descendant of the twenty-first century Bulero clan, falls in love with a woman from a natural world and experiences the harshness of her way of life. He rediscovers his roots when his mobile returns to the solar system, and a tense confrontation of three civilizations takes place. One hundred billion years later, macrolife, now as numerous as the stars, faces the impending death of nature. Regaining his individuality by falling away from a highly evolved macrolife, a strangely changed John Bulero struggles to see beyond a collapse of the universe into a giant black hole. Inspired by the possibilities of space settlements, projections of biology and cosmology, and basic human longings, Macrolife is a visionary speculation on the long-term future of human and natural history. Filled with haunting images and memorable characters, this is a vivid and brilliant work.

Sleeping Beauties Herbert W. Hesselmann, Halwart Schrader.2007 Behind the walls of an old farm somewhere in France, several dozen antique classic cars had been neglected for decades, enjoying a kind of 100-year sleep. Surrounded by a profusion of plants and practically forgotten by their owner, no one knew of the collection until, in 1983, permission was granted for it to be photographed. The commission fell to one of Europe's leading photographers, Herbert W. Hesselmann, who promised never to disclose the identity of the owner or location of the collection, and the story made headlines all over the world. This haunting compilation expertly captures the mystery and drama of the vintage car collection of the century, and is accompanied with commentary by Halwart Schrader. Although the collection shown here no longer exists, the untouched patina of these cars still exerts a powerful and mysterious fascination, inviting viewers to explore a forgotten era.

Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder. Project Gutenberg (named after the printing press that democratized knowledge) is a huge archive of over 53,000 books in EPUB, Kindle, plain text, and HTML.
