**A History of Theatre in Africa** Martin Banham.2004-05-13 This book aims to offer a broad history of theatre in Africa. The roots of African theatre are ancient and complex and lie in areas of community festival, seasonal rhythm and religious ritual, as well as in the work of popular entertainers and storytellers. Since the 1950s, in a movement that has paralleled the political emancipation of so much of the continent, there has also grown a theatre that comments back from the colonized world to the world of the colonists and explores its own cultural, political and linguistic identity. A History of Theatre in Africa offers a comprehensive, yet accessible, account of this long and varied chronicle, written by a team of scholars in the field. Chapters include an examination of the concepts of 'history' and 'theatre'; North Africa; Francophone theatre; Anglophone West Africa; East Africa; Southern Africa; Lusophone African theatre; Mauritius and Reunion; and the African diaspora.

**Petrushka** Catriona Kelly.2009-02-12 Petrushka, the Russian equivalent of Punch and Judy, was one of the most popular spectacles at fairgrounds and in city courtyards for over a century. Catriona Kelly's study, the first to appear in English, traces the history of Petrushka, illustrating how it reflected the tensions of Russian urban life both before and after the Revolution. Written from a standpoint informed by literary theory, her book at the same time breaks open the categories traditionally applied, both in the Soviet Union and in the West, to the study of Russian literature and popular culture. Contemporary interpretations of Petrushka on the street, high-cultural appropriations of it for a bourgeois and intellectual readership (notably the famous ballet by Benois and Stravinsky), and adaptations made for agit-prop purposes are all analysed. Based on a wide range of unusual materials, this lively and very readable account will appeal not only to literary specialists, but also to those interested in cultural politics, folklore, women's studies and popular theatre.

home and church, and include wood carvings and items of clay, stone, metal and paper. Seven essays cover the history and meaning of the works.

**Open and Distance Non-formal Education in Developing Countries** Colin Latchem.2018-01-29  
This book is the first comprehensive account of developments in open and distance non-formal education in developing countries for over more than 20 years. It includes many instructive and inspiring examples of how international agencies such as UNESCO, FAO, WHO, UNICEF, USAID and the Commonwealth of Learning and national providers are using radio, TV, online and mobile learning, telecentres and other means to achieve the Education for All, Millennium Development and Sustainable Development Goals. It describes the educational needs of the world's most disadvantaged, vulnerable and least formally educated children, youth and adult populations, including the disabled, refugees and prisoners. It also reports on the successes, outcomes, constraints and shortcomings of using open and distance methods and technology to deliver literacy and numeracy programmes, equivalency, 'second chance' or alternative schooling, life skills and rural community development programmes and income generation and vocational training outside the framework of the formal education system. It concludes with suggestions for the extension and improvement of such lifelong learning. Designed to encourage further research and development in these capacity-building practices outside the established formal system, this is a must-read for all policy-makers, managers, educators, students and researchers interested in non-formal education for individuals, families and communities in the developing world.

*African Style* Sharne Algotsson.2000 Today more and more of us are striving to bring personal meaning and beauty into our lives and homes. African style is the perfect way to express that joy in living, whether your look is formal, traditional, minimal, casual country, or eclectic, writes Sharne Algotsson in her stunning new book, *African Style: Down to the Details*. Following on the success of her first book, *The Spirit of African Design*, written with Denys Davis, Sharne now offers a gorgeous, hands-on guide to decorating any home with the richness of Africa. Bursting with hundreds of full-color photographs, *African Style: Down to the Details* looks at a full range of home decorating options, with chapters on Color, Paint, and Pattern; Textiles; Furniture; Accessories and Display; and The Mix, which reveals how to coordinate all the elements to create a harmonious whole. Sharne offers a number of simple, inexpensive but exciting how-to projects that can revitalize a room, such as an African-Style Padded Window Cornice, as well as dramatic before-and-after photographs of quick makeovers for chairs, tables, mantels, and more. Written by the leading expert in the field, this book is a treasure trove of practical advice, decorating tips, and insider shortcuts for incorporating the vibrant beauty of Africa into any home, on any budget. In addition, an extensive resources section makes it easy for readers to locate hard-to-find specialty stores and suppliers of textiles, furniture, and accessories. Whether you want to redecorate your entire home or simply add a few fresh accents, *African Style: Down to the Details* is a dazzling celebration of the continent's unparalleled aesthetic.

Spirits in Sequins Nancy Josephson.2007 Folk art traditions in Haiti today have risen to the level of fine art in the beaded flags shown here. Over 350 color photographs present hundreds of unique designs by dozens of contemporary artists. But this is not just a pretty book; it also explores spiritual beliefs at the core of the designs and a folk lore expressed in this most unique format. Personal stories absorb readers into the culture that the flags represent. Beautiful designs and exquisite craftsmanship are featured.

**Mexican Folk Retablos** Gloria Fraser Giffords.1992 The first part of the book is given to an analysis of folk retablo painting. The second part concentrates on iconography and on why certain images of Christ, Mary, and the saints were venerated. The third part examines ex-votos, small images painted to commemorate the donor's gratitude for a favor.

**Masks from West and Central Africa** Mary Sue Rosen,Paul Peter Rosen.2013 Accompanied by photographs of 266 masks, the largest representation of traditional polychrome masks from the Temne people of Sierra Leone and the Anang (Ibibio) people of Nigeria are documented here, as well as one of the largest published collections of articulated masks from the Ogoni people of Nigeria. Also illustrated is a wide range of traditional masks used by other peoples of West and Central Africa, including masks from the nations of Guinea Bissau, Guinea, Liberia, Ivory Coast, Ghana, Mali, Burkina Faso, Cameroon, Gabon, Equatorial Guinea, Democratic Republic of Congo, and Angola--Jacket.

*Playing with Time* Mary Jo Arnoldi.1995 Twice a year in the central Malian region of Segou, communities put aside daily routines to observe and participate in elaborate puppet masquerades produced by local youth associations. These performances rank among the region's most celebrated artistic events. Mary Jo Arnoldi weaves a vivid account of this vibrant West African theater tradition from the interrelated vantage points of the players, the audiences, and the artists who make the masquerades and puppets. Basing her work on current theory in anthropology, art, and performance studies, she examines in depth the processes by which Malians create an affective and dramatic vehicle that expresses their individual, social, and historical identities. Generously illustrated with field photographs and incorporating materials from the author's extensive interviews with sculptors and performers, this performance-centered study foregrounds time, change, and human agency. It recognizes the theater as a dynamic arena of artistic action and a site for the production of cultural knowledge.

The Colorful Sogo Bò Puppets of Mali Mary Sue Rosen,Paul Peter Rosen.2012 Presenting more than 100 traditional, colorful puppets and masks used in Malian puppet theater, this book documents a collection that has been widely exhibited. One of the largest published surveys of Malian Bamana and Bozo puppet theater, it includes numerous pictures of puppets and masks in performance as well as detailed information on their size and construction. The text offers a historical overview of puppetry, focused on Africa, and a description of the cultural tradition that gave rise to and sustains Malian Sogo B puppet theatre, a community-based, multi-media spectacle. This is an excellent reference for anyone interested in puppetry, performance theater, masquerade, African music and dance, and African sculpture.

*Critical Fashion Practice* Adam Geczy, Vicki Karaminas. 2017-02-09 There is a new form of design practice within the contemporary fashion industry which is active in complex forms of social commentary and critique. While fashion in the modernist era has shown signs of criticism and subversion, these were either in the form of subcultures or perversions, such as punk or BDSM styling. Today, however, these genres have been absorbed into the fashion industry itself, meaning that critical fashion is now far from limited to the subcultures from which it came. This book explores this new space for criticism within the popular fashion sphere to demonstrate how designers are disrupting conventions, challenging beliefs and stirring change from within the system itself. *Critical Fashion Practice* considers a range of contemporary designers across the globe, from the US to Japan, whose conceptual designs embody this critical language, including case studies such as Rei Kawakubo's deconstructive silhouettes for Comme des Garçons and Walter Van Beirendonck's sadomasochistic menswear collections, amongst other key players such as Miuccia Prada, Vivienne Westwood and Viktor & Rolf. Arguing that the rise of critical fashion coincides with a noticeable decline in the criticality of art, Geczy and Karaminas go beyond slotting fashion into previously established art theories. Conceiving a new cultural role for fashion that affords insight into identity, class, race, sexuality and gender, this book shows how fashion can not only reflect and comment on, but can also be a part of social change.
