**The Ministry of Ordinary Places** Shannan Martin.2018-10-09 Popular blogger Shannan Martin offers Christians who are longing for a more meaningful life a simple starting point: learn what it is to love and be loved right where God has placed you. For Christ-followers living in an increasingly complicated world, it can be easy to feel overwhelmed and unsure of how to live a life of intention and meaning. Where do we even begin? Shannan Martin offers a surprisingly simple answer: uncover the hidden corners of our cities and neighborhoods and invest deeply in the lives of people around us. She walks us through her own discoveries about the vital importance of paying attention, as well as the hard but rewarding truth about showing up and committing for the long haul, despite the inevitable encounters with brokenness and uncertainty. With transparency, humor, heart-tugging storytelling, and more than a little personal confession, Martin shows us that no matter where we live or how much we have, as we learn what it is to be with people as Jesus was, we'll find our very lives. The details will look quiet and ordinary, and the call will both exhaust and exhilarate us. But it will be the most worth-it adventure we will ever take. "This is a message the world needs. So often we overcomplicate 'service' or this elusive call to ministry when all the while ministry is right in front of us. Shannan reminds us of the simple, yet beautiful call to love our neighbor and what that could really look like today. We are reminded that extravagant love in ordinary moments does indeed lead to an extraordinary life." --Katie Davis Majors, New York Times bestselling author of Kisses from Katie (I made up this attribution, so you may want to check on that) "This is the book we all need right now. If you're longing for authentic community but aren't sure where to begin, Shannan and this beautifully written book are the perfect guide. I truly believe when we stand together we stand a chance. I cheered along with every word." —Korie Robertson, New York Times bestselling author "These are the days when we could all use a firm but gentle nudge to extend extra kindness to the people around us. Shannan reminds us to pay attention, look outside of ourselves, to lay aside our preconceived judgments, and stay put, bearing with each other, carrying each other's burdens, and finding Jesus at the center of it all." —LaTasha Morrison, founder of Be the Bridge "Our nonstop consumer society seduces us into forsaking the ordinary. Even as believers, we are prone to aspire to do sexy ministry that garners headlines and warrants photo ops. But Shannan Martin helps us resist these impulses by calling the body to reclaim the sanctity and significance of ordinary places. Through personal stories, theology, and Scripture, she helps us discern God's call upon our lives right where we are and illuminates why the most faithful ministry is oftentimes mundane, overlooked, and seemingly unimpressive. This book will help you thrive in your faith in practical and rooted ways!" —Dominique DuBois Gilliard, author of Rethinking Incarceration: Advocating for Justice That Restores "Sometimes when reading a book, I think 'I'll recommend this to that group' or 'this one goes go that community,' but hand to heaven, I would put this book in every single pair of hands across ideology, camps, and tribes. Part storytelling, part prophetic, with dizzyingly wonderful writing, Shannan brings us back to the neighborhood, back to ordinary tables, back to a life we know in our deepest hearts is meant for us. I love her. I love this book." —Jen Hatmaker, New York Times bestselling author of 7, For the Love, and Of Mess and Moxie

**Falling Free** Shannan Martin.2016-09-20 "Shannan's story feels at once familiar and spectacular, ordinary and exceptional. You will discover that at the same time her words make you squirm, you will wish you lived next door to her. You will want her wisdom and you will want her pickles." —Jen Hatmaker (from the foreword) Shannan Martin had the perfect life: a cute farmhouse on six rambling acres, a loving husband, three adorable kids, money, friends, a close-knit church—a safe, happy existence. But when the bottom dropped out through a series of shocking changes and ordinary inconveniences, the Martins followed God's call to something radically different: a small house on the other side of the urban tracks, a shoestring income, a challenged public school, and the harshness of a county jail (where her husband is now chaplain). And yet the family's plunge from "safety" was the best thing that could have happened to them. *Falling Free* charts their pilgrimage from the self-focused wisdom of the world to the topsy-turvy life of God's more being found in less. Martin's practical, sweetly subversive book invites us to rethink assumptions about faith and the good life, push past insecurity and fear, and look beyond comfortable, middle-class Christianity toward a deeper, richer, and ultimately more fulfilling life.

**State of the Heart** Aïda Rogers.2013-05-15 In *State of the Heart*, Aïda Rogers has crafted an artful love letter to our state, with contributions from a host of nationally and regionally recognized writers who've written short essays on the South Carolina places that they cherish. This anthology provides a multifaceted historical and personal view of the Palmetto State. Thematically organized, this collection offers a geographic and emotional scope that is as diverse as its contributors. Sportswriters describe beloved arenas; historians reflect on church ruins and forts. A playwright recalls the magic of her first theater experience; a food writer revels in a coastal joint that serves fresh oysters. Backyards, front porches, a small library at a children's home, the drama and camaraderie of building the Savannah River Site, and places that are gone except in the memories of the writers who loved them—these are just a few of the locales covered, all showing how South Carolina has changed and inspired people in a variety of ways. *State of the Heart* evokes a sense of history and timelessness by bringing together heartfelt responses to South Carolina locales rooted in memory, drawing on reflection, inspiration, and love. The anthology reveals a state that is more than a playground for tourists; it's a state of human hiding places that echo in the hearts of its literary citizens. Though presented as a book about place, the collection is ultimately about our shared connections to one another, to a complex common past, and to ongoing efforts to frame and build a future of promise and possibility.

Decolonizing Pathways towards Integrative Healing in Social Work Kris Clarke, Michael Yellow Bird. 2020-10-01 Taking a new and innovative angle on social work, this book seeks to remedy the lack of holistic perspectives currently used in Western social work practice by exploring Indigenous and other culturally diverse understandings and experiences of healing. This book examines six core areas of healing through a holistic lens that is grounded in a decolonizing perspective. Situating integrative healing within social work education and theory, the book takes an interdisciplinary approach, drawing from social memory and historical trauma, contemplative traditions, storytelling, healing literatures, integrative health, and the traditional environmental knowledge of Indigenous Peoples. In exploring issues of water, creative expression, movement, contemplation, animals, and the natural world in relation to social work practice, the book will appeal to all scholars, practitioners, and community members interested in decolonization and Indigenous studies.

Sahnish (Arikara) Ethnobotany Kelly Kindscher, Loren Yellow Bird, Michael Yellow Bird, Logan Sutton. 2020-06-30 This book describes the traditional use of wild plants among the Arikara (Sahnish) for food, medicine, craft, and other uses. The Arikara grew corn, hunted and foraged, and traded with other tribes in the northern Great Plains. Their villages were located along the Missouri River in northern South Dakota and North Dakota. Today, many of them live at Fort Berthold Reservation, North Dakota, as part of the MHA (Mandan, Hidatsa, Arikara) Nation. We document the use of 106 species from 31 plant families, based primarily on the work of Melvin Gilmore, who recorded Arikara ethnobotany from 1916 to 1935. Gilmore interviewed elders for their stories and accounts of traditional plant use, collected material goods, and wrote a draft manuscript, but was not able to complete it due to debilitating illness. Fortunately, his field notes, manuscripts, and papers were archived and form the core of the present volume. Gilmore's detailed description is augmented here with historical accounts of the Arikara gleaned from the journals of Great Plains explorers—Lewis and Clark, John Bradbury, Pierre Tabeau, and others. Additional plant uses and nomenclature is based on the field notes of linguist Douglas R. Parks, who carried out detailed documentation of the tribe's language from 1970-2001. Although based on these historical sources, the present volume features updated modern botanical nomenclature, contemporary spelling and interpretation of Arikara plant names, and color photographs and range maps of each species. Kelly Kindscher collected and assembled the historical Gilmore materials; Logan Sutton contributed the Arikara spellings and linguistic analyses; and, Michael and Loren Yellow Bird-Arikara themselves—provided the cultural context. The work serves as an important regional ethnobotany of the Arikara Tribe, one of the most influential on the Northern Plains, and should be of great interest to ethnobotanists, ethnomedical practitioners, historians, and other Indigenous Peoples. More importantly, this book is for the Arikara people of all ages as documentation of, and reconnection to, their cultural heritage.

**Last Sunday Drive, The: Vanishing Traditions in Georgia and the Carolinas** Tom Poland. 2019-11-18 The Sunday drive. Mom, dad and the kids would head out to see the countryside. An ice cream treat usually waited at day's end. Back in the Burma-Shave days, mom-and-pop drive-ins and gas station biscuits fed folks. Cheap gas filled cars, and people made Sunday drives through a land where See Rock City barns, sawdust piles and trains and junkyards gave them plenty to see. Men in seersucker suits ran old stores with oscillating fans, and if the kids ate too much penny candy, grandma had a home remedy for them. It was a time for dinner on church grounds, yard art and old-fashioned petunias. Join author Tom Poland as he revisits disappearing traditions.

*We Are Dancing for You* Cutcha Risling Baldy. 2018-06-01 “I am here. You will never be alone. We are dancing for you.” So begins Cutcha Risling Baldy's deeply personal account of the revitalization of the women's

coming-of-age ceremony for the Hoopa Valley Tribe. At the end of the twentieth century, the tribe's Flower Dance had not been fully practiced for decades. The women of the tribe, recognizing the critical importance of the tradition, undertook its revitalization using the memories of elders and medicine women and details found in museum archives, anthropological records, and oral histories. Deeply rooted in Indigenous knowledge, Risling Baldy brings us the voices of people transformed by cultural revitalization, including the accounts of young women who have participated in the Flower Dance. Using a framework of Native feminisms, she locates this revival within a broad context of decolonizing praxis and considers how this renaissance of women's coming-of-age ceremonies confounds ethnographic depictions of Native women; challenges anthropological theories about menstruation, gender, and coming-of-age; and addresses gender inequality and gender violence within Native communities.

Stacey uses her experience and hard-won insights to break down how ambition, fear, money, and failure function in leadership, while offering personal stories that illuminate practical strategies. Stacey includes exercises to help you hone your skills and realize your aspirations. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him.
