custodian of a public school is the unseen fly on the wall, the inside observer, and the unexpected philosopher about all that goes on within our troubled school system. A lifetime of experience inside public school as both a student and a worker is compiled into this fascinating read that is half memoir and half social commentary-and wholly unique. Personal stories cover everything from demanding teachers, unreal messes, and daily frustrations of this overlooked occupation to higher-level musings on the American public school system itself. Lessons can be pulled from each moment-if one is willing to adopt a different perspective. Outside the neat pages of textbooks, a whole new way of looking at the world awaits. But every day, students and teachers continue their routines without seeing life's most interesting details or issues. They stop being fascinated by a fish's ability to breathe underwater, never wonder where the pounds of trash collected every day end up, and don't have time to truly learn due to limiting state mandates. For many students, the system is simply failing. This straight-shooting, humorous analysis doesn't shy away from asking hard questions or exposing day-to-day vexations. The stakes are high-the outcome involves our children's futures.

**Tarantula** Bob Dylan.2008-06-23 WINNER OF THE NOBEL PRIZE IN LITERATURE Music legend Bob Dylan's only work of fiction—a combination of stream of consciousness prose, lyrics, and poetry that gives fans insight into one of the most influential singer-songwriters of our time. Written in 1966, *Tarantula* is a collection of poems and prose that evokes the turbulence of the times in which it was written, and offers unique insight into Dylan's creative evolution, capturing the stream-of-consciousness preoccupations of the legendary folk poet and his eclectic, erudite cool at a crucial juncture in his artistic development. It has since been welcomed into the Dylan canon, as Dylan himself has cemented his place in the cultural imagination, inspiring Todd Haynes's acclaimed 2007 musical drama *I'm Not There*, selling

more than 100 million records, and winning numerous prizes, including the Nobel Prize for Literature in 2017. In his acceptance speech for the Nobel, Dylan acknowledged the early influence on his work of Buddy Holly and Lead Belly as well as of wide-ranging classics like Don Quixote, All Quiet on the Western Front, and Moby Dick. *Tarantula* is a rare chance to see Dylan at a moment in which he was still deeply connected to his country roots and a folk vernacular while opening himself up to the influence of French 19th-century Surrealist writers like Arthur Rimbaud and the Comte de Lautreamont. A decade before the confessional singer-songwriter who would create the 1975 epic, *Blood on the Tracks*—which was just optioned by filmmaker Luca Guadagnino—here is Dylan at his most verbally playful and radically inventive. Angry, funny, and strange, the poems and prose in this collection reflect the concerns found in Dylan's most seminal music—a spirit of protest, a poetic spontaneity, and a chronicling of the eccentric and the everyday—which continue to make him a beloved artist and cultural icon.

With the Assistant District Attorney in their back pocket, this was a marriage made in heaven—until the drama and deceit enters. Delve into this treacherous story of love, deceit, lies, and murder. Revenge is a dish best served cold, and once one brother feels betrayed, the only retribution is death.
