He fell in love with the black mistress of the warder and discovered too late that to love is not safe; he attempted to keep a record of the strange reality he saw in prison, only to realize that history is not written by those who are ruled. Acclaimed as a masterpiece around the world, Gould's Book of Fish is at once a marvelously imagined epic of nineteenth-century Australia and a contemporary fable, a tale of horror, and a celebration of love, all transformed by a convict painter into pictures of fish.

**Sand Talk** Tyson Yunkaporta.2020-05-12 A paradigm-shifting book in the vein of *Sapiens* that brings a crucial Indigenous perspective to historical and cultural issues of history, education, money, power, and sustainability—and offers a new template for living. As an indigenous person, Tyson Yunkaporta looks at global systems from a unique perspective, one tied to the natural and spiritual world. In considering how contemporary life diverges from the pattern of creation, he raises important questions. How does this affect us? How can we do things differently? In this thoughtful, culturally rich, mind-expanding book, he provides answers. Yunkaporta's writing process begins with images. Honoring indigenous traditions, he makes carvings of what he wants to say, channeling his thoughts through symbols and diagrams rather than words. He yarns with people, looking for ways to connect images and stories with place and relationship to create a coherent world view, and he uses sand talk, the Aboriginal custom of drawing images on the ground to convey knowledge. In *Sand Talk*, he provides a new model for our everyday lives. Rich in ideas and inspiration, it explains how lines and symbols and shapes can help us make sense of the world. It's about how we learn and how we remember. It's about talking to everyone and listening carefully. It's about finding different ways to look at things. Most of all it's about a very special way of thinking, of learning to see from a native perspective, one that is spiritually and physically tied to the earth around us, and how it can save our world. *Sand Talk* include 22 black-and-white illustrations that add depth to the text.

**Follow the Rabbit-Proof Fence** Doris Pilkington.2013-05-01 This extraordinary story of courage and faith is based on the actual experiences of three girls who fled from the repressive life of Moore River Native Settlement, following along the rabbit-proof fence back to their homelands. Assimilationist policy dictated that these girls be taken from their kin and their homes in order to be made white. Settlement life was unbearable with its chains and padlocks, barred windows, hard cold beds, and horrible food. Solitary confinement was doled out as regular punishment. The girls were not even allowed to speak their language. Of all the journeys made since white people set foot on Australian soil, the journey made by these girls born of Aboriginal mothers and white fathers speaks something to everyone.

*The Nazis Knew My Name* Magda Hellinger, Maya Lee.2022-03-15 The “thought-provoking...must-read” (Ariana Neumann, author of *When Time Stopped*) memoir by a Holocaust survivor who saved an untold number of lives at Auschwitz through everyday acts of courage and kindness—in the vein of *A Bookshop in Berlin* and *The Nazi Officer’s Wife*. In March 1942, twenty-five-year-old kindergarten teacher Magda Hellinger and nearly a thousand other young women were deported as some of the first Jews to be sent to the Auschwitz concentration camp. The SS soon discovered that by putting prisoners in charge of the day-to-day accommodation blocks, they could deflect attention away from themselves. Magda was one such prisoner selected for leadership and put in charge of hundreds of women in the notorious Experimental Block 10. She found herself constantly walking a dangerously fine line: saving lives while avoiding suspicion by the SS and risking execution. Through her inner strength and shrewd survival instincts, she was able to rise above the horror and cruelty of the camps and build pivotal relationships with the women under her watch, and even some of Auschwitz’s most notorious Nazi senior officers. Based on Magda’s personal account and completed by her daughter’s extensive research, this is “an unputdownable account of resilience and the power of compassion” (Booklist) in the face of indescribable evil.
