Art et pratique du collage Crystal Neubauer. 2016-09-08 Art modeste par excellence, le collage nécessite peu de matériel : un support, des éléments à coller, souvent de récupération, et de la colle. Tout le talent de l'artiste réside dans le choix des éléments et dans leur agencement sur la toile. Art et pratique du collage vous guide grâce à de nombreux pas à pas dans toutes les étapes de la création. Où et comment collecter des matériaux ? Comment les préparer en vue du collage par l'embellissement des papiers et le recyclage de livres, cartons et objets de récupération divers ? Comment composer son oeuvre ? Quelles techniques utiliser (marquage, peinture, ajout de photographies, d'encaustique...) pour mettre en valeur l'élément central, créer des effets de matière, intégrer de petits objets, etc. ? Au-delà de la pratique, Crystal Neubauer vous ouvre la voie d'un art très personnel, fondé sur un processus de création intuitif. Débarrassez-vous de la crainte de l'échec, lâchez prise et faites confiance à votre ressenti ! Vous découvrirez alors que laisser libre cours à l'expression spontanée permet l'émergence d'une voix artistiquement juste et forte : la vôtre.

**Textile Collage** Mandy Pattullo.2016-10-01 Textile artist and surface designer Mandy Pattullo marries fabric with collage techniques to produce beautiful pieces of art. In Textile Collage she shows a fresh way to use scraps and oddments of fabrics to create something unique and personal, while also being economical - perfect for those who have hoarded bits of fabric, trim and memory-filled domestic textiles over the years. Chapter one covers 'Materials': collecting and sourcing fabric including unpicking and storing found fabric. In chapter two, 'Make', Mandy guides you through all the artistic and creative elements that you need to consider to create a beautiful collage. The following chapter 'Portray' looks at piecing together a collaged portrait - human or animal - showing the figurative approach in collage work that includes transfer images and using found photographs. In the chapter 'Worn', the collage technique is used to embellish skirts, jackets and accessories. The final chapter 'Book' looks at the fabric book as a receptacle for textile collage, with a range of approaches and forms explored. This is a wonderful resource for all textilers looking to make the most of the found fabrics they love and fully explore the technique of collage with textiles.

Figurative Painting with Collage Rod Judkins.2016-02-29 Collage is an innovative and exciting technique that invigorates the artistic process through unusual associations and dislocated imagery. This practical book shows how collage can be used to portray the figure in new and challenging ways. Written for both novices and experienced artists, it explains the fundamental techniques used to manipulate different paints and collage, whilst encouraging experimentation and individual development. Contents include a guide to the materials, including papers and glues; practical exercises and instructions to explain techniques, including how to transfer processes, use mixed media and add tone; advice on developing painting from sketches, photographs and found images, and how to experiment with a wide range of image-making strategies; traces how collage was first used by cubists Braque and Picasso, and introduces contemporary methods and ideas, including photographic imagery. Illustrated with nearly 200 images to show the diverse range and depth of collage in figurative painting and aimed at novices, experienced artists and art designers.

**Paper Collage Workshop** Samuel Price.2022-11-08 With Paper Collage Workshop, you can experience the joy of creativity as you use color swatches torn from magazines to transform photos into original collages. In addition to taking you through both foundational collage activities and intermediate-level projects, this book introduces you to a unique analog-grid system, a color-based collage technique developed by the artist Samuel Price over the past 20 years. Whatever your age or skill level, you will be able to add focus and precision to your creations and turn life into art. Organized by level of difficulty, the book is designed to progressively build skills as you complete projects. Beginning with color-based lessons, you will learn how to use form and line, and then move on to create landscapes, abstracts, and pets. You will delight in completing beautiful projects you can frame and display in your own home. Color collage is a mindfulness practice. Like a coloring book, Paper Collage Workshop is a personal meditative experience that quiets and focuses the mind—a great way to experience some true peace as you create. Whether practiced and exercised in tiny doses or taken all at once, the process of making art is truly transformative and relaxing with Paper Collage Workshop.
