Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read. As archive means, you can retrieve books from the Internet Archive that are no longer available elsewhere. This is a not for profit online library that allows you to download free eBooks from its online library. It is basically a search engine for that lets you search from more than 466 billion pages on the internet for the obsolete books for free, especially for historical and academic books. Note that some of the "free" ebooks listed on Centsless Books are only free if you're part of Kindle Unlimited, which may not be worth the money. FULL-SERVICE BOOK DISTRIBUTION. Helping publishers grow their business. through partnership, trust, and collaboration. Book Sales & Distribution. Project Gutenberg: More than 57,000 free ebooks you can read on your Kindle, Nook, e-reader app, or computer. ManyBooks: Download more than 33,000 ebooks for every e-reader or reading app out there. It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. Consider signing up to the free Centsless Books email newsletter to receive update notices for newly free ebooks and giveaways. The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much. Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.
