*Return on Integrity* John G. Blumberg.2016-04-19 The New ROI In *Return on Integrity: The New Definition of ROI and Why Leaders Need to Know It*, author John G. Blumberg asks CEOs and top leadership to dig deep, to discover the most untapped strategic resource available to you as a leader. It is an intriguing invitation to truly discover the core values you live by and, in turn, to engage an impactful set of core values for the organization you lead. Core values have been featured in countless books over the last decade, but none has taken the search as deep or has focused on the intersection of leaders' personal values and those of your organization. At this intersection, *Return on Integrity* reveals the linchpin of leadership . . . and legacy. Through in-depth introspection and a continual renewal, you can lead your organization beyond profit to a more truthful and fulfilling bottom line. Core values are not just a guide; they should be the basis of every decision and action in your organization. The new ROI is the value built between personal and organizational core values—a stronger organization built on a stronger base. The new ROI is also the return CEOs and your leadership team experience by living and leading with integrity. Blumberg clearly demonstrates his commitment to personal and professional integrity and to helping CEOs achieve it. Sample worksheets and agendas guide your progress, as do links to numerous support resources on the author's website. *Return on Integrity* will inspire you to pick up your shovel and start digging deep.

**Rewriting Destiny** Shelly Morgan.2016-02-11 When life gives you lemons, it's time for shots of tequila. That's my new saying in life, and trust me,

life has handed me lots of lemons. My name is Danielle DeChenne, and for eighteen years I took every punch destiny threw at me. Now I'm no longer a naive girl. Traumatic abuse will do that to you. I was forced to grow up too fast, and the one person I depended on-that gorgeous Marine, Zane-turned his back on me. So now I say screw the lemonade and just give me a bottle of Jack Daniel's, because I don't believe in destiny anymore. There is no pre-destined path set out for each of us. That crap doesn't exist. Sometimes bad things happen...it's just how the world works. It sucks, but you have to pick yourself up and get on with your life. Even if it's an impossible task. I'm done sitting around and waiting for my life to change or something good to fall in my lap. It took me awhile to understand, but once I stopped being the doormat for destiny, it was time for me to take control. Now I decide where I go in life and what will happen. It won't always be pretty, it will sometimes hurt like hell, but I will make sure I live my life to the fullest... Then the gorgeous Marine from my past returned with a vengeance-except this time, I was ready for him. It's time to rewrite destiny.
