**El Libro de Gabriel, Saga Vanir IV** Lena Valenti.2011-09-08 Después de salvar la vida de la Cazadora, Gabriel es reclamado por los dioses para que tome su lugar en el Asgard. Ahora, convertido en einherjar, un guerrero inmortal de Odín, pasa su tiempo entrenándose en el Valhall, preparándose para el Ragnarök y recibiendo todo tipo de cuidados de las valkyrias. Sin embargo, el tiempo de preparación ha llegado a su fin. Tres de los objetos más poderosos de los dioses han sido robados para traer el caos a la Tierra y provocar un final de los tiempos adelantado. Gabriel será enviado como líder de los einherjars para alertar a todos los guerreros, unificar los clanes y salvar a una raza humana a la que ya nada de une. Y mientras intenta lograr sus objetivos, esperará encontrarse no sólo con sus amigas más queridas, sino, con la vaniria que lo obsesinó hasta la muerte: Danna McKenna. Pero esa obsesión puede hacer que nunca conozca a la mujer que en realidad lo ama...No es fácil ser una valkyria como Gúnnr. Ella es distinta al resto, no tiene ni los poderes ni la furia ni el temperamento que caracteriza a las de su raza, todos la ven comola dulce e inofensiva Gúnnr. Por eso se sorprende tanto cuando el alma de un guerreo de cara de ángel, el esperado por los dioses, la reclama para que cuide de él. Y así lo hará religiosamente hasta que un error nacido de su repentina pasión provocará que el Engel se distancie de ella, pero no por mucho tiempo. Odín y Freyja les han reclamado para que juntos y de manera indivisible desciendan a la Tierra a recuperar uno de los objetos desaparecidos: el martillo de Thor. Gúnnr luchará al lado de Gabriel y se enzarzará en la mayor batalla de todas, la de enseñarle al guerrero de cara de ángel que, por cegarse con una mujer, se está perdiendo el resto del desfile.Las valkyrias y los einherjars descienden a la Tierra para que los jotuns de Loki no logren acelerar el Ragnarök antes de tiempo.Los dioses se la juegan al todo o nada.Y dos amigos están apunto de descubrir que cuando se trata de amor, se apuesta siempre al rojo.

**El Libro de Ardan, Saga Vanir VII** Lena Valenti.2013-04-22 Solo hay un camino para Ardan de las Highlands: la venganza. Él es un einherjar, un guerrero de Odín que sufrió una grandísima traición a manos de la mujer que estaba destinada a ser su compañera eterna. La valkyria le pisoteó el corazón y, debido a ella, lo enviaron a la Tierra a proteger a los humanos; solo, con el alma destrozada y un odio latente en su interior. Carece de sentimientos, carece de miedo y su espíritu rezuma despecho y ansia por devolver el dolor sufrido. Ahora, tiene la posibilidad de obtener aquello que más anhela: someter a Bryn y hacerle pagar por partirle el corazón. Sin embargo, mientras se ciega en su furia, no solo podría perder de vista la misión de encontrar a Gungnir, la lanza de Odín; también podría perder el respeto de aquellos que le rodean y la oportunidad de recibir una explicación por parte de la Generala que podría cambiarlo todo. Pero, ¿cómo puede escuchar un hombre al que nada le ofende impunemente? Bryn La Salvaje lleva eones flagelándose por la decisión que tomó y que afectó de lleno a Ardan. Sus palabras lo alejaron de ella, rompieron su kompromiss y congelaron las alas de su einherjar, el hombre por el que hubiera dado su vida a ciegas. Las alas de ambos están heladas y azules. ero ahora, ella y su ejército de valkyrias se encuentran en Escocia luchando por recuperar el último de los totems divinos de los dioses que fueron robados del Asgard. La Generala estará, contra su voluntad, en manos del duro highlander, pero no rendirá hasta demostrarle al escocés déspota y dominante que puede someter su cuerpo, pero nunca su alma ni su corazón. Una palabra de Ardan la devolvería al Valhall sin honores; y una pregunta del guerrero de ojos caramelo podría cambiar la relación entre ellos. ¿Le importará ella lo suficiente como para preguntarle por qué hizo lo que hizo? ¿Aprenderá Ardan que no se puede someter a alguien tan disciplinado y honorable como Bryn? El Midgard empieza temblar. La tierra se agrieta y de sus entrañas nace una terrible rebelión. Los portales se empiezan a activar uno detrás de otro y Gungnir, todavía extraviada, no debe clavarse en ninguno de ellos. La guerra está a la vuelta de la esquina. Pero no hay batalla más sangrienta que la que estalla entre dos guerreros de alas congeladas. El hielo seco de ella puede quemar tanto como el despachado fuego de él. Que arda el Midgard.

*El Libro de la Sacerdotisa, Saga Vanir II* Lena Valenti.2010-09-20 Cuando Ruth llegó a Londres mes y medio atrás para visitar a su mejor amiga, Aileen, nunca se imaginó que se vería envuelta en una guerra entre seres ancestrales creados por los dioses Vanir y Aesir. Después de un tiempo amoldándose a su nueva realidad, los traumas y las voces del pasado han regresado para atormentarla y, p oco a poco, le están robando la razón. Pero tiene una oportunidad para encontrarse y saber quién es ella realmente, y no dudará en tomarla, aunque eso la ponga en manos de un berserker moreno y taciturno que no cree en nada de lo que ella representa. Hacía mes y medio que Adam no dormía. Sus sueños estaban plagados de sangre, muerte y oscuridad, y en el centro de aquellas pesadillas sólo había una culpable. Una mujer de pelo rojo y ojos dorados. Una humana que no es quien dice ser: Ruth. Por eso, cuando ella quebranta la orden de no regresar a sus tierras y vuelve a Wolverhampton, él no dudará en darle caza y detenerla, aunque eso implique volverse loco y mantener su instintos más salvajes a raya. Adam quiere desenmascararla, pero, en un juego de voluntades, desidia y deseos, ¿a quién se le caerá la máscara primero? ¿Al lobo o a la cazadora? Vienen tiempos de caza en el Midgard. El Ragnarök enseña los colmillos. ¿Verdadero o falso? En el amor y en la guerra, todo está permitido.

**Yvain** Chretien de Troyes.1987-09-10 The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

**The Moments We Stand** Ashlee Birk,Kathy Campbell.2014-07-30 My name is Ashlee. I am a victim of murder. Through a series of events and by two shots of a gun, I was made a widow at the age of 28, with my youngest child just six weeks old. I am a victim of infidelity. I have felt unlovable. I have felt rejected. I have had days in my life when I wasn't sure if I would ever take a breath again, let alone be able to raise my five children by myself. I have lived in fear. I have felt much heartache. I have felt truly broken to my core. I have carried some heavy burdens...not only of my own, but burdens put upon my shoulders by the death of my husband. I have felt alone. I have felt humiliated. I have been humbled to my knees. I have searched my soul to find my worth in this world, and in the life that was left for me. My world has been totally shattered. I have faced realities I never knew were possible, and found strength within myself to keep up the fight and live every day as if it was on purpose. I have been carried by Angels...both earthly beings and those unseen. I have found that being a victim doesn't mean we have an excuse to stop living. Being a victim means finding a reason for seeking a higher road. I have picked up the pieces left and carried on. I am a mother. We are survivors. In one way or another, we are all victims. There are times in our lives when we are forced to question who we are at our core. When we are presented with a path...we can go this way or we can choose that way. For some, this moment comes when the one person whom we love the most decides we are not enough. This person leave us-at a most vulnerable moment-alone to search within ourselves for who we really are. We are left trying to find who it is that was left behind. Sometimes the person we love dies. Sometimes it is merely an internal battle we are facing...all alone inside our minds. Whatever the situation and wherever you have been...you have been hurt. You have felt alone. You have been abandoned, either by your parents, your lover, your friends, complete strangers, or even yourself. We have all been at that crossroad where all we have left is ourselves. Sometimes these moments of lows have brought you to your knees and caused you to reflect and ponder your relationship with God...and other times they have made you question if He is even there, or if He knows you are alone. Whatever that moment has been for you, it is personal and real. It has defined and refined who you are, who you think you were, and who you want to become. This is my story...the defining moments that have truly brought me to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The night of my husband's death was my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there...putting back together all the pieces, one step at a time.

**The Forgotten Rohingya: Their Struggle for Human Rights in Burma** Habib Habib Siddiqui.2019 Imagine that you are living in a country that does not recognize you as a citizen in spite of the fact that your people have maintained a continuous existence there for several centuries. If that was not enough of a traumatic experience, consider that because of your racial, ethnic and religious identity other ethnic groups that are fighting the brutal military regime in your country for their self-determination and human rights consider you as settlers from a neighboring country. It must be your worst nightmare when you realize that half of your people (almost 2 million) have been forced to take asylum or refuge outside, and you may be the next in line to seek a way out of this living hell of xenophobia, discrimination, intolerance, racism and bigotry.The victims are the Rohingya people of Burma (Myanmar). Because of their religion, race, ethnicity, color and language they are the most discriminated and persecuted people in our planet. Some argue that they are also one of the most forgotten. The Myanmar military regime has denied their citizenship rights, claiming that they are illegal settlers from nearby Bangladesh who have moved into Arakan during the British occupation of Burma in the 19th century. Is there any truth to such allegations? Does the military junta apply the same litmus test against all ethnic and religious groups in matters of citizenship? What is the basis for a nation's claim to self-determination? Must a people wander in the wilderness for two millennia and suffer repeated persecution, humiliation and genocide to qualify? How about the rights of a minority community to survive with their culture and traditions intact? Do they need to be 'children' of a 'higher' God to qualify? What makes the children of a 'lesser' God to be forgotten and denied the same treatment and privilege that was granted hitherto to other nations?For much of its history, Burma has been ruled by military. As has once again been demonstrated recently they are brutal, savage and tyrannical. They have ignored people's verdict in the election and imprisoned leaders and workers of the democracy movement. They cannot be guarantors or protectors of human rights of anyone, let alone religious and ethnic minorities. Do you know that the Rohingyas - face cruel restriction on marriage and those married without government authorization are paraded naked on the streets?- Are restricted from traveling outside their villages?- Have no legal right to own land or property?- Are restricted from getting education, finding work, getting medical and health care? - Are subjected to land confiscation, forced eviction and destruction of homes, offices, schools, mosques, shops, etc., and face religious persecution on a daily basis? - Are victims of staged riots, forced starvation, arbitrary taxation, extortion, arrest, torture and extra-judicial killings?- Are forced to do slave labor for establishment of government infrastructure, new Buddhist settlements, pagodas and monasteries on evicted lands with the government intent of changing the landscape and demography of Arakan?- Are forced to convert to Buddhism &/or worship Buddha? Do you know that when it comes to the Rohingya people, the Burmese government doesn't uphold any of the Articles of the Universal Declaration of Human Rights?Nothing can excuse us from the criminal silence that we practice in not voicing our concern about the plight of the Rohingya people. The Forgotten Rohingya makes a strong case for mobilizing concerned citizens of our globe to ease their sufferings. The author analyzes origin of the Rohingya people and offers ideas to solve their problem. The author also discusses problems of xenophobia and racism, which are so rampant in this country of many races, ethnicities and religions. He also analyzes the role of Daw Suu Kyi and failure of Burma's orange revolution.

**The Making of Modern Colombia** David Bushnell.1993-02-09 Colombia's status as the fourth largest nation in Latin America and third most populous—as well as its largest exporter of such disparate commodities as emeralds, books, processed cocaine, and cut flowers—makes this, the first history of Colombia written in English, a much-needed book. It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes—a country where military dictators are virtually unknown, where the political left is congenitally weak, and where urbanization and industrialization have spawned no lasting populist movement. There is more to Colombia than the drug trafficking and violence that have recently gripped the world's attention. In the face of both cocaine wars and guerrilla conflict, the country has maintained steady economic growth as well as a relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

*The French New Autobiographies* Raylene L. Ramsay.1996 Adds significant new insights into the mental, psychological, and rhetorical laboratory of three major contemporary French novelists. . . . Its rigorous focus on autofictional narratives also reflects the widening of the scope of contemporary critical theory and practice.--Raymond Gay-Crosier, University of Florida Raylene Ramsay explores the significance of the new autobiographical genre--the autofictions--that emerged from the nouveau roman in the 1980s in France. She focuses on the work of Nathalie Sarraute, Marguerite Duras, and Alain Robbe-Grillet, major figures of French avant-garde writing whose complex autobiographies slide between true and false memories and between fact and fiction, examining the limits imposed by the conventions of the traditional autobiography. While she questions the ability of memory to capture the past and the ability of language to record the experience of an ever-elusive self, Ramsay grounds the three authors in their particular historical, political, and sexual context. In this light she reads Sarraute's negative portrait of her mother, Duras' lyrical evocations of the intensity and pain of desire, and Robbe-Grillet's pirouetting confession of his family's anti-Semitism and pro-German feeling during World War II as deriving from the individuated (the auto and the bios) rather than from the collective (the graphy), the forms of a shared language. In the final instance, Ramsay claims, the new autobiography, seeking individuated truths, offers the power to rewrite inner life--for example, Sarraute comes to identify with the feminine in the self; Duras casts the writing of her relationship with her Chinese lover as a form of liberation; even Robbe-Grillet, staging his predilection for young girls as the most banal of stereotyped sexual impulses, comes closer to self-knowing. She broadens the scope of her study by showing how this new kind of writing reflects contemporary critical movements, such as postmodernism and the scientific theory of complementarity, as it telescopes the private and the public, the past experience and the present writing. Raylene Ramsay is professor of French at Auckland University in New Zealand. She is the author of *Robbe-Grillet and Modernity: Science, Sexuality, and Subversion* (UPF, 1992) and of many articles in journals such as *French Review*, *College Literature*, *Language Quarterly*, *European Studies Journal*, and *Literature and History*.
