Translating Children's Literature Gillian Lathey.2015-07-24 Translating Children's Literature is an exploration of the many developmental and linguistic issues related to writing and translating for children, an audience that spans a period of enormous intellectual progress and affective change from birth to adolescence. Lathey looks at a broad range of children's literature, from prose fiction to poetry and picture books. Each of the seven chapters addresses a different aspect of translation for children, covering: · Narrative style and the challenges of translating the child's voice; · The translation of cultural markers for young readers; · Translation of the modern picture book; · Dialogue, dialect and street language in modern children's literature; · Read-aloud qualities, wordplay, onomatopoeia and the translation of children's poetry; · Retranslation, retelling and reworking; · The role of translation for children within the global publishing and translation industries. This is the first practical guide to address all aspects of translating children's literature, featuring extracts from commentaries and interviews with published translators of children's literature, as well as examples and case studies across a range of languages and texts. Each chapter includes a set of questions and exercises for students. Translating Children's Literature is essential reading for professional translators, researchers and students on courses in translation studies or children's literature.

Italian Horror Film Directors Louis Paul.2015-06-08 There is no cinema with such effect as that of the hallucinatory Italian horror film. From Riccardo Freda's *I Vampiri* in 1956 to *Il Cartaio* in 2004, this work recounts the origins of the genre, celebrates at length ten of its auteurs, and discusses the noteworthy films of many others associated with the genre. The directors discussed in detail are Dario Argento, Lamberto Bava, Mario Bava, Ruggero Deodato, Lucio Fulci, Umberto Lenzi, Antonio Margheriti, Aristide Massaccesi, Bruno Mattei, and Michele Soavi. Each chapter includes a biography, a detailed career account, discussion of influences both literary and cinematic, commentary on the films, with plots and production details, and an exhaustive filmography. A second section contains short discussions and selected filmographies of other important horror directors. The work concludes with a chapter on the future of Italian horror and an appendix of important horror films by directors other than the 50 profiled. Stills, posters, and behind-the-scenes shots illustrate the book.

Networking Tatiana Bazzichelli.2009-02 Networking means to create nets of relations, where the publisher and the reader, the artist and the audience, act on the same level. The book is a first tentative reconstruction of the history of artistic networking in Italy, through an analysis of media and art projects which during the past twenty years have given way to a creative, shared and aware use of technologies, from video to computers, contributing to the creation of Italian hacker communities. The Italian network proposes a form of critical information, disseminated through independent and collective projects where the idea of freedom of expression is a central theme. In Italy, thanks to the alternative use of Internet, during the past twenty years a vast national network

of people who share political, cultural and artistic views has been formed. The book describes the evolution of the Italian hacktivism and net culture from the 1980s till today. It builds a reflection on the new role of the artist and author who becomes a networker, operating in collective nets, reconnecting to Neoavant-garde practices of the 1960s (first and foremost Fluxus), but also Mail Art, Neoism and Luther Blissett. A path which began in BBSes, alternative web platforms spread in Italy through the 1980s even before the Internet even existed, and then moved on to Hackmeetings, to Teletstreet and networking art by different artists such as 0100101110101101.ORG, [epidemiC], Jaromil, Giacomo Verde, Giovanotti Mondani Meccanici, Correnti Magnetiche, Candida TV, Tommaso Tozzi, Federico Bucalossi, Massimo Contrasto, Mariano Equizzi, Pigreca, Molleindustria, Guerriglia Marketing, Sexyshock, Phag Off and many others.

The Silent Duchess Dacia Maraini.2000-01-01 The stunning English translation of the International Man Booker Prize Finalist novel hailed as “a story of grace and endurance, not mere survival” (The New York Times Book Review). Winner of the Premio Campiello, short-listed for the Independent Foreign Fiction Award, and published to critical acclaim in fourteen languages, this “spellbinding”

historical novel by one of Italy's premier authors is now available in this luminous new translation (Booklist). In early 18th century Sicily, noblewoman Marianna Ucrìa is trapped in a world of silence after a terrible childhood trauma left her deaf and mute. Married off to a lecherous uncle, she struggles to educate and elevate herself against all convention—and find her true place in a world that sees her as little more than property. In language that conveys the keen vision and deep human insight possessed by her protagonist, Dacia Maraini captures the splendor and the corruption of Marianna's world, as well as the strength of her unbreakable spirit, in “one of those rare, rich, deep, strange novels that create a world so fantastic and so real you want to start reading it again as soon as you come to the last page” (Newsday).

To Each His Own Leonardo Sciascia.2000-10-31 This letter is your death sentence. To avenge what you have done you will die. But what has Manno the pharmacist done? Nothing that he can think of. The next day he and his hunting companion are both dead.The police investigation is inconclusive. However, a modest high school teacher with a literary bent has noticed a clue that, he believes, will allow him to trace the killer. Patiently, methodically, he begins to untangle a web of erotic intrigue and political calculation. But the results of his amateur sleuthing are unexpected—and tragic. To Each His Own is one of the masterworks of the great Sicilian novelist Leonardo Sciascia—a gripping and unconventional detective story that is also an anatomy of a society founded on secrets, lies, collusion, and violence.

Reborn!, Vol. 1 Akira Amano.2006-10-03 Tsunayoshi Sawada (Tsunayoshi for short) is a cowardly junior high student who doesn't excel at academics or sports. He only attends school so he can stare at his beautiful classmate Kyoko from afar. But Tsunayoshi's life takes a dramatic turn when Reborn, a suit-wearing, gun-toting baby who claims to be an Italian hit man, shows up at his house. Reborn was

sent to Japan to groom Tsuna for his future life as a big Mafia boss. Tsuna doesn't believe this absurd story, so Reborn shoots Tsuna in the head with his gun. As Tsuna faces his own death, he's filled with regret that he never confessed his feelings to Kyoko...and suddenly he's overcome with supernatural powers that allow him to run off screaming to tell Kyoko how much he loves her. After five minutes, Tsuna goes back to normal. Reborn explains how his gun works: when he shoots a person in the head, if that person has regrets about her life, then she will die and be reborn, temporarily endowed with special powers that enable her to fix or solve whatever is the source of her regret. (If Reborn shoots someone who is free of regret, she would die.) Tsuna becomes Reborn's disciple, and because Reborn shoots Tsuna in the head all the time, he is constantly being reborn and growing into a stronger and better person, gradually impressing those around him and making friends.

The Good Liar Nicholas Searle.2016-02-02 Now a major motion picture starring Helen Mirren and Ian McKellen. "A superb thriller and a truly engrossing read."—Ruth Ware, New York Times bestselling author of *In a Dark, Dark Wood* and *The Woman in Cabin 10* When Roy meets a wealthy widow online, he can hardly believe his luck. Just like Patricia Highsmith's Tom Ripley, Roy is a man who lives to deceive—and everything about Betty suggests she's an easy mark. He's confident that his scheme to swindle her will be a success. After all, he's done this before. As this remarkable feat of storytelling weaves together Roy's and Betty's futures, it also unwinds the past. Dancing across more than half a century—decades that encompass unthinkable cruelty, extraordinary resilience, and remarkable kindness—it takes us right back to the beginning of their very different lives, following the twists and turns through childhood, an adolescence and young adulthood indelibly marked by war, and an adult existence carved out amid a world still reeling from its aftermath. As

Roy's sins stack up against the burdens Betty carries, it becomes a story of salvation, and survival—and for Roy and Betty, there is a reckoning to be made when the endgame of Roy's crooked plot plays out. Some things can never be forgotten. Or forgiven.

Reeds in the Wind Grazia Deledda,Martha King.1999 The rugged landscape of Baronia on Sardinia sets the scene for this novel of crime, guilt and retribution. This novel presents the story of the Pintor sisters - from a family of noble landowners now in decline - their nephew Giacinto, and their servant Efix, who is trying to make up for a mysterious sin committed many years before. Around, below, and inside them the raging Mediterranean storms, the jagged mountains, the murmuring forests, and the gushing springs form a Greek chorus of witness to the tragic drama of this unforgiving land. Deledda tells her story with her characteristic love of the natural landscape and fascination with the folk culture of the island, with details about the famous religious festivals held in mountain encampments and the lore of the dark beings who populate the Sardinian night, the fairies who live in rocks and caves, and the sprites with seven red caps who bother sleep. Introduction by the Sardinian ethnographer, Dolores Turchi.

The Moon Maria Mondin.2014-03-09 Introduction Written by the illustrator Barbara

Pelizzoli Recently my mother invited me to illustrate a children's poem. After reading the manuscript, those starry nights when my mom would recite this poem to us children, came back to mind. I never tired of listening to it as the poem always enchanted me. It is with great honor that now, after many years, I present to this generation a timeless poem. I humbly portray these sweet words with my art, hoping to inspire tenderness in the souls of the youngsters and bring them beautiful dreams in these starry nights. This poem, so dear to me, it is now for you. The Moon by Mamma Maria My children dear, come close, come near. I want to tell you why from up in the sky the Moon's face so bright shines in the sea at night.

Cousins Forever Elisavet Arkolaki. 2021-02-14 Cousins Forever is a beautifully written and illustrated book that captures the special relationship that cousins share. When one of the two families moves abroad, the two cousins do not let the distance come between them. They talk often about their friends, animals, different seasons, and outdoor activities, via video chat. With new words and languages being part of their everyday life, the two girls come up with a fun, painting game, the Word Swap. A lovely tribute to the unique friendship of cousins. Parents, aunts, uncles, and grandparents can share this book with little ones who are just beginning the lifelong journey as cousins together. Close friends are family also, so if you don't have an extended family, your child's best friend may also be referred to as a cousin. After reading this book, children will: □ Be prompted

to write their very own favorite words □Be encouraged to express themselves through art □Want to paint and get creative Albert Einstein has been quoted to have said that creativity is intelligence having fun, and that imagination is more important than knowledge. Creativity is the highest form of intelligence because it goes beyond knowledge recall and extends into knowledge creation. Did you know that creative young children who use their imagination are more effective, resourceful, resilient, and confident than their peers? Creative children are also better equipped to overcome obstacles and navigate changes in life. This book makes the perfect gift for creative little boys and girls, teachers, librarians, and parents. Perfect for all children ages 3, 4, 5, 6, 7, 8, and up. The Montefeltro Conspiracy Marcello Simonetta.2008-06-03 A brutal murder, a nefarious plot, a coded letter. After five hundred years, the most notorious mystery of the Renaissance is finally solved. The Italian Renaissance is remembered as much for intrigue as it is for art, with papal politics and infighting among Italy's many city-states providing the grist for Machiavelli's classic work on take-no-prisoners politics, *The Prince*. The attempted assassination of the Medici brothers in the Duomo in Florence in 1478 is one of the best-known examples of the machinations endemic to the age. While the assailants were the Medici's rivals, the Pazzi family, questions have always lingered about who really orchestrated the attack, which has come to be known as the Pazzi Conspiracy. More than five hundred years later, Marcello Simonetta, working in a private archive in Italy, stumbled upon a coded letter written by Federico da Montefeltro, the Duke of Urbino, to Pope Sixtus IV. Using a codebook written by his own ancestor to crack its secrets, Simonetta unearthed proof of an all-out power grab by the Pope for control of Florence. Montefeltro, long believed to be a close friend of Lorenzo de Medici, was in fact conspiring with the Pope to unseat the Medici and put the more malleable Pazzi in their place. In *The Montefeltro Conspiracy*, Simonetta unravels this plot, showing not only how the plot came together but how its failure (only one of the Medici brothers, Giuliano, was killed; Lorenzo survived) changed the course of Italian and papal history for generations. In the course of his gripping narrative, we encounter the period's most colorful characters, relive its tumultuous politics, and discover that two famous paintings, including one in the Sistine Chapel, contain the Medici's astounding revenge.
