Robert Kirkman's The Walking Dead: Descent Jay Bonansinga, Robert Kirkman.2014-10-14 Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent* follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead - a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things - especially in the world of the walking dead - are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, *The Walking Dead* franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down,

and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!

[The Walking Dead: Compendium 1](#) Robert Kirkman.2009-05-19 The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.
