You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Freebook Sifter is a no-frills free Kindle book website that lists hundreds of thousands of books that link to Amazon, Barnes & Noble, Kobo, and Project Gutenberg for download. eReaderIQ may look like your typical free eBook site but they actually have a lot of extra features that make it a go-to place when you're looking for free Kindle books. GetFreeBooks: Download original ebooks here that authors give away for free. Obooko: Obooko offers thousands of ebooks for free that the original authors have submitted. You can also borrow and lend Kindle books to your friends and family. Here's a guide on how to share Kindle ebooks. Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across platforms and devices.
