Proxima Stephen Baxter.2014-11-04 “Stephen Baxter has been heralded, with some merit, as Arthur C. Clarke’s literary heir, and Proxima certainly reinforces this accolade in spades.”—Concatenation Mankind’s future in this galaxy could be all but infinite. There are hundreds of billions of red dwarf stars, lasting trillions of years—and their planets can be habitable for humans. Such is the world of Proxima Centauri. And its promise could mean the never-ending existence of humanity. But first it must be colonized, and no one wants to be a settler. There is no glamor that accompanies it, nor is there the ease of becoming a citizen of an already-tamed world. There is only hardship...loneliness...emptiness, even as war brews in the solar system. But that’s where Yuri comes in. Because sometimes exploration isn’t voluntary. It must be coerced.

The Walking Drum Louis L'Amour.2005-04-26 Louis L’Amour has been best known for his ability to capture the spirit and drama of the authentic American West. Now he guides his readers to an even more distant frontier—the enthralling lands of the twelfth century. Warrior, lover, and scholar, Kerbouchard is a daring seeker of knowledge and fortune bound on a journey of enormous challenge, danger, and revenge. Across Europe, over the Russian steppes, and through the Byzantine wonders of Constantinople, Kerbouchard is thrust into the treacheries, passions, violence, and dazzling wonders of a magnificent time. From castle to slave galley, from sword-racked battlefields to a princess’s secret chamber, and ultimately, to the impregnable fortress of the Valley of Assassins, *The Walking Drum* is a powerful adventure in an ancient world that you will find every bit as riveting as Louis L’Amour’s stories of the American West.

Beloved Physician Al Lacy,Joanna Lacy.2009-02-04 They say, “I do,” and only death shall part them. Back from their honeymoon, Dr. Dane and Tharyn Logan eagerly assume the reins of the medical practice in a small Colorado mining community. Dane’s selfless heroism quickly earns him a fine reputation among the townsfolk. But the hardship and danger of the West strike home when a band of renegade Utes captures Tharyn’s dear friend Melinda. Will hope survive after Melinda’s friends and fiancé have given her up for dead? Story Behind the Book When the challenge of the Western frontier began luring men and women westward from the eastern, northern, southern, and midwestern states in the mid-nineteenth century, they found a land that was beyond what they had imagined. Wherever they settled, from the wide Missouri River to the white-foamed shores of the Pacific Ocean, they clung to the hope of a bright new beginning for their lives. Often their hopes were dashed by fierce opposition from the Indians who had inhabited the land long before them. At times there was also struggle for survival against the hard winters and the loneliness of the vast frontier.

Wild Ride Kim Loraine.2021-05-17 What happens in Vegas stays in Vegas... Unless that includes waking up married, tattooed, and in bed with a reality TV star. Marrying the woman of my dreams shouldn’t be an issue, right? But it's a huge problem since my wife belongs on the other side of the long-running feud between the Ryker and the Wilde families. Yes, TV viewers around the world, I'm Sutton Wilde and my new bride is none other than Sera Ryker. Oops. The easy solution is to get a quickie divorce and move on...until the video of our wedding pops up all over social media the next day. Time for plan B -- stay married for thirty days to satisfy her TV contract and prevent a PR nightmare. Trouble is, I’ve carried a torch for Sera Ryker for a long time, and she doesn't want to have anything to do with me. Guess that means I have thirty days to make my wife fall in love with me. Game on.

Dr. Dane Logan, a former street waif who has been adopted by a doctor's family in Cheyenne, puts his lifelong dream to work filling this need. His renown as a surgeon spreads throughout the frontier, even while his love grows for the beautiful Tharyn, an orphan he lost contact with when he left New York City as a child. Will happiness in love ever come to Dane - or will the roving Tag Moran gang bring his hopes to a dark end? Showdown in Cheyenne 1880. The frontier is uneasy. Tag Moran and his vicious gang are roving the West, robbing banks and stagecoaches. Dr. Dane Logan, a former street waif adopted by a doctor’s family in Cheyenne, is gaining renown for his delicate surgical skill. Dane’s situation becomes precarious when an unfortunate death turns Tag into his bitter enemy. If outlaws come between the tall young surgeon and his childhood love, who’ll be left to see another sunrise? Story Behind the Book Always planning ahead for what we will write for Multnomah Publishers, JoAnna and I decided to follow the ORPHAN TRAIN trilogy with one about a medical doctor in the Old West, so we came up with the idea of a trilogy called FRONTIER DOCTOR. We introduced a teenage boy in the final ORPHAN TRAIN book who has a burning desire to one day become a physician and surgeon. This first book in this trilogy keys in on this young prospective doctor. Seeing history through this young doctor’s eyes will deeply touch your heart and make these books impossible to set down. We also think you’ll find this new trilogy filled with our faith—gained from so many years of serving the Lord and trusting His written Word.

Homeland Cory Doctorow.2013-02-05 In Cory Doctorow's wildly successful *Little Brother*, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San

Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Her heart just broken, Livia does not expect to meet anyone like Matt Holden on the Golden Stairs. But Matt saves Livia's life during an avalanche and leads her to a saving knowledge of Jesus Christ. Livia also finds true love in him...but will she and her mother find her father dead or alive? Gold in the Yukon! 1898. With threats ranging from drunken violence to deadly avalanche, Matt has his hands full protecting those around him. Along the way, Matt meets Martha Bray and her lovely daughter, Livia, who've come from San Francisco searching for their missing husband and father, Weldon. He left for the Yukon months ago, but there's been no word...and even the Mounties could find no trace of him. Will Martha and Livia ever find Weldon? And who will find their hearts' desires—or eternal riches—in the frozen land beyond the Golden Stairs? Story Behind the Book "We read books on the history of North America and found ourselves captivated with the three big gold rushes in the nineteenth century—the California Gold Rush of 1849, the Dakota Territory Black Hills Gold Rush of 1874, and the Canadian Yukon Gold Rush of 1896. Some gold seekers embraced success, delight, and happiness, but others faced failure, tragedy, and sorrow. In the Dreams of Gold series, we captivate our readers' imaginations as well as touch their hearts with both types of results in the gold seekers' experiences—good and bad." —Al and JoAnna Lacy

Forbidden Suzanne Brockmann.1997-04-01 Reissue (Original Publication Date: April 1997) His brother loved her... When Kayla Grey travels from Boston to Montana, the last thing she expects is to find her life in danger from a sudden, treacherous blizzard. And after she's rescued, she certainly doesn't expect to share heated, fireside kisses with the handsome, blue-eyed cowboy who saved her life. But then she discovers her hero is the very person she's flown so far to find—he's the brother of the man who'd proposed marriage mere weeks before dying in a tragic accident. Montana rancher Cal Bartlett devoted his life to his younger brother, Liam. Ten years older, he'd raised the kid, giving him everything his heart desired, including the top-notch education that helped Liam win his job as a foreign correspondent for a major newspaper—a job that got him killed two long, bleak years ago. But now Kayla—the woman his brother loved, a woman Cal shouldn't desire—has come to ask a favor. She's heard the whisper of a rumor that Liam is alive—held in a secret prison, deep in the jungles of the tiny nation of San Salustiano. Kayla's determined to travel to the dangerous, war-torn island with Cal, on the pretense of a romantic vacation, but in truth to search for clues. Together, they'll risk their lives on the slim hope that Liam might still be alive. It's an impossibly risky and dangerous journey—and the dead last thing either Cal or Kayla expects is to fall in love along the way.... Set in 1998 in Asylum, Montana, San Salustiano, and Boston, Massachusetts, *Forbidden* is a full length novel of 50K words or 212 pages. It's the first in Brockmann's two-book Bartlett Brothers series. *Forbidden* was originally published in 1997 by Bantam Loveswept.

The Half Has Never Been Told Edward E Baptist.2016-10-25 Winner of the 2015 Avery O. Craven Prize from the Organization of American Historians Winner of the 2015 Sidney Hillman Prize A groundbreaking history demonstrating that America's economic supremacy was built on the backs of slaves Americans tend to cast slavery as a pre-modern institution -- the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in *The Half Has Never Been Told*, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of politicians, entrepreneurs, and escaped slaves, *The Half Has Never Been Told* offers a radical new interpretation of American history.

The Heart Remembers Al Lacy,Joanna Lacy.2008-12-24 This final book in the Frontier Doctor trilogy continues the story of Dane and Tharyn Logan, husband and wife medical team serving a mining community west of Denver. While caring for the physical ailments of the residents of this frontier town, the Logans also minister to their spiritual needs. And Dane has the joy of leading a Ute Indian chief and his family to faith in Christ. Dane's biggest challenge comes, however, when the stagecoach he's riding crashes down a ravine. Dane survives, but loses his memory. Who is he? Does he have a family somewhere? And will his trust in God help him find his way back home?THE FRONTIER DOCTOR TRILOGY Countless perils menaced the settlers of the vast wilderness, and one of the most severe was the scarcity of medical care. Risking his own life by day or by night, in all kinds of weather, the frontier doctor was a rare, unsung hero of the West. Strong Heart, Able Hands Dr. Dane Logan and his wife, Tharyn, are happily settled in Central City and considering the right time to start a family. Their medical practice in the little mining town keeps them busy with everything from new babies and appendicitis to gunshot wounds and a rancher gored by a bull. It's almost more than one doctor can keep up with. Then when the stagecoach he's riding in crashes down a ravine, Dane awakens with a head injury—and no idea who he is. Will his trust in God help him find his way back home? Story Behind the Book Of all the perils confronting the settlers of the Wild West, serious illness, injuries from mishaps of countless number, and wounds from battles with Indians and outlaws were the most dreaded. The lack of proper medical care resulted in thousands of deaths. It is our desire that the reader will be deeply impressed with the courage of those frontier doctors who helped settle the West. We think you'll find this final book in this trilogy filled with our faith—gained from so many years of serving the Lord and trusting His written Word.

[Unbroken \(Movie Tie-in Edition\)](#) Laura Hillenbrand.2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had

become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety."—Newsweek "Moving and, yes, inspirational . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time."—Maureen Corrigan, *Fresh Air* "Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace."—Time "Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it."—Christopher McDougall, author of *Born to Run*
