**The Soulmate Secret** Arielle Ford.2011-01-04 Have you ever

wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

Marriage and Home, Strengthen Your Relationship with Prayers, Pray for Your Spouse, Finances, Sex Life and Much More The Bible gives us a picture of God's plan for marriage and the family system. Unfortunately, what's obtainable today is completely different. The devil has invaded the marriage and family system, so much that it's hard to see who have not divorced or remarried these days, while a greater percentage of those still holding on are having one issue or the other threatening the unit. The long list of excuses (irreconcilable differences, money, children, infidelity, and 'not what I expected') often put forth to justify divorce is irrelevant before God. It's the devil that is planting those seeds to bastardise the institution of God. Once the devil can disorganise a marriage, home and family, he has succeeded in inflicting so much pain that generations will never forget. Remember that it was devil's attack on the first home that landed humanity in the problem it's facing today. This is the more reason why we need to embrace the call to regular prayer for our marriages, homes and the family unit. God's ultimate desire is for you to have a healthy relationship, one that is filled with peace, prosperity, love and mutual respect. each of us through the reality checks we need in order to have the marriage we want!” —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today’s workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy’s conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you’ll find *The Peaceful Wife* a powerful path to God’s design for women to live in full submission to Christ as Lord.
