Ghosts I Have Known Nhys Glover.2018-09-25 How Do You Know If You're Dead, Alive, or Just a Ghost? This is a question I've thought about a lot lately. Not as a philosophical question, like those you ask yourself about the meaning of life. No, I mean it quite literally. How do you know? The ghosts in Greyworld don't. Jake doesn't... and, if he's to be believed, then I don't either. So, yeah, not a philosophical question. A life or death question. For me and for Jake. But don't believe what they tell you in movies and on TV; ghosts don't haunt people. Don't get me wrong... I'm not saying there's no such thing as ghosts; I'm just saying they don't haunt living people—because basically, they don't know we're here. I know because I can see them. I have since I was a little kid. But I didn't have a grandmother who taught me how to help people move on, or Bruce Willis as my ghost shrink. Nope, I just got to stand around like a zombie, staring at people nobody else could see, wondering if it was me or the rest of the world that was crazy because they couldn't see Greyworlds like I did. Then Jake came along. The anomaly. The Grey who didn't play by Greyworld rules. What was worse, he couldn't be just any old Grey, could he? Oh no, he had to be the most gorgeous guy I'd ever laid eyes on, living or dead. And he was set on rocking my world, in more ways than one, by asking me the big question: How do you know you're not the one who's dead? The Anomaly is a Young Adult Paranormal Romance for those who like ghosts stories without the scary bits. I kind of got a Twilight vibe off of this story except better writing and characters that you can relate to. And OMG the cringe-worthy moments!! Bree in Issy's closet and Bree's bedroom with Aiden!! I was embarrassed reading those parts, but they were too awesome not to continue! - Taiyewo from Goodreads It wasn't cheesy like a lot of YA paranormal books are these days where everything out of the male leads mouth is like sweet poetry and he has the body of a god. The dialogue was appropriate and my favorite part was the teenagers actually acted like teenagers sweet but flawed and still trying to figure themselves out while doing normal teenage things like getting there first car and going to the mall. - Candace from Goodreads Categories: paranormal, werewolves, young adult werewolf, young adult werewolf romance, young adult werewolf books, teen boy books, young adult humor, teen love stories, teen supernatural romance, and teen high school romance.

The writing is effortlessly mind blowing. I could not put this entire series down. Once you're hooked, you won't either because it'll eat you up not knowing what happened! Just trust me when I say it really is your loss to miss out on this series! It's a blaze of glory! - *Happy Tales and Tails Blog* Kaitlyn Davis writes some of the best action scenes I have come across in a young adult book; they are fast paced and so well delivered making this more than just a silly romance. - *Reflections of a Bookworm* The only downside to this series, is that it ended. But the ending was beautiful. - *My Seryniti* Kira isn't a human girl who is one dimensional and in love with a vampire. She's a well-thought out character who comes to life from the pages and steals into your heart. Read the books. Do it. - *Urban Girl Reader* I love and hate how fast of a read this was! I love it because I couldn't get enough of it and hate it because once I finished I wanted more! - *I Just Wanna Sit Here And Read* I really enjoyed Ms Davis's writing, I was riveted throughout and was eager to see what would happen - there was drama, danger, action and romance that was wonderfully detailed and described. - *Obsession With Books* You'll make friends with Kira, choose sides with Tristan and Luke, and fall in love with the story at heart about a girl with so bright a future....even shades aren't gonna cut it. - *Satisfaction for Insatiable Readers*
