Anti-Americanism in Europe Russell A. Berman.2013-09-01 In his analysis of Europe's ambivalence toward jihadist terror and the spread of aggressive Islamism, with particular emphasis on the European responses—or lack thereof—to this violent anti-modernism, Russell A. Berman describes how some European countries opt for appeasement and apologetics, whereas others muster the strength to defend their way of life and stand up for freedom. He describes a complex continent of different nations and traditions to further our understanding of the range of reactions to Islamism.

Critical Essays Roland Barthes.1972 The essays in this volume were written during the years that its author's first four books were published in France. They chart the course of Barthe's criticism from the vocabularies of existentialism and Marxism (reflections on the social situation of literature and writer's responsibility before History) to a psychoanalysis of substances (after Bachelard) and a psychoanalytical anthropology (which evidently brought Barthes to his present terms of understanding with Levi-Strauss and Lacan).

Godard On Godard Jean-luc Godard.1986-03-22 Jean-Luc Godard, like many of his European contemporaries, came to filmmaking through film criticism. This collection of essays and interviews, ranging from his early efforts for *La Gazette du Cinéma* to his later writings for *Cahiers du Cinéma*, reflects his dazzling intelligence, biting wit, maddening judgments, and complete unpredictability. In writing about Hitchcock, Welles, Bergman, Truffaut, Bresson, and Renoir, Godard is also writing about himself-his own experiments, obsessions, discoveries. This book offers evidence that he may be even more original as a thinker about film than as a director. Covering the period of 1950-1967, the years of *Breathless*, *A Woman Is a Woman*, *My Life to Live*, *Alphaville*, *La Chinoise*, and *Weekend*, this book of writings is an important document and a fascinating study of a vital stage in Godard's career. With commentary by Tom Milne and Richard Roud, and an extensive new foreword by Annette Michelson that reassesses Godard in light of his later films, here is an outrageous self-portrait by a director who, even now, continues to amaze and bedevil, and to chart new directions for cinema and for critical thought about its history.

Sexual Behavior in the Human Female Alfred C. Kinsey,Wardell B. Pomeroy,Clyde E. Martin,Paul H. Gebhard.1998-05-22 The groundbreaking Kinsey Report study on female sexuality from “one of the most influential figures in American intellectual history” (*The New York Times*). Originally published in 1953, the material presented in *Sexual Behavior in the Human Female* was derived from personal interviews with nearly 6,000 women; from studies in sexual anatomy, physiology, psychology, and endocrinology. The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age, decade of birth, and religious adherence are reflected in patterns of sexual behavior. The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior. “[It] shocked the world in 1953 with its explicit revelations. Countries banned it. Churches berated it. Some scholars scoffed . . . but it was an instant success, selling 270,000 copies in less than a month . . . [Kinsey] made headlines around the globe with his findings on such things as masturbation, sex before marriage and adultery.”—CBSNews.com

The Independent Woman Simone De Beauvoir.2018-11-06 “Like man, woman is a human being.” When *The Second Sex* was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. *The Independent Woman* contains three key chapters of Beauvoir’s masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

On Being a Pagan Alain De Benoist.2018-04-23 What is paganism? In this penetrating and tightly argued manifesto, French philosopher Alain de Benoist seeks to answer this question with passionate intellectual vigor and a tremendous erudition. Arising out of the monotheism vs. polytheism debate that reverberated through Parisian intellectual circles in the late 1970s, this is neither a survey of ancient, pre-Christian religions, nor is it an argument on behalf of any modern neo-pagan sect. *On Being a Pagan* draws on Nietzsche, Heidegger, ancient philosophy and mythology, and biblical hermeneutics to articulate a pagan theology based on a common Indo-European foundation. In keeping with the critical tradition which hearkens back to the Greek philosopher Celsus, Benoist contrasts the heroic pagan worldview with Christianity's attempts to hobble everything that is beautiful and strong. He compares the cyclical pagan conception of time to the de-mythologizing, linear understanding of history favored by the prophets. Most disturbingly, he traces the roots of modern totalitarianism and intolerance--of both the left and the right--to the leveling ideology of ancient Judeo-Christian monotheism, with its underlying rejection of diversity and différence. Originally published to wide critical acclaim in 1981, Benoist's text is as relevant today as it was when it first appeared--and perhaps even more so for the English-speaking world. This newly revised translation now features an extensive interview with the author, and includes his reflections (both positive and negative) on the various groups and individuals that have attempted to resurrect the pagan spirit. Rather than simply dissecting the 2,000-year Christian interregnum, Benoist's greater purpose is to point the way forward to a world that could have been, and which may only now be in the first stages of being reborn.

New Critical Essays Roland Barthes.2009-12-03 *New Critical* gathers Roland Barthes's essays on classic texts of French literature, works by La Rochefoucauld, Chateaubriand, Proust, Flaubert, Fromentin, and Lori. Like an artist sketching, Barthes in these essays is working out the more fascinating details of his larger theories. In the innocuously names *Proust and Names* and *Flaubert and Sentences*, Barthes explores the relation of the author to writing that begins his transition to his later thought. In his studies of La Rochefoucauld's maxims and the illustrative plates of the *Encyclopedia*, Barthes reveals new vistas on common cultural artifacts, while *Where to Begin?* offers a glimpse into his own analytical processes. The concluding essays on Fromentin and Loti show the breadth of Barthes's inquiry. As a whole, the essays demonstrate both the acuity and freshness of Barthes's critical mind and the gracefulness of his own use of language.

For the Time Being Annie Dillard.2010-05-19 National Bestseller Beautifully written and delightfully strange...as earthy as it is sublime...in the truest sense, an eye-opener. --Daily News From Annie Dillard, the Pulitzer Prize-winning author of *Pilgrim at Tinker Creek* and one of the most compelling writers of our time, comes *For the Time Being*, her most profound narrative to date. With her keen eye, penchant for paradox, and yearning for truth, Dillard renews our ability to discover wonder in life's smallest--and often darkest--corners. Why do we exist? Where did we come from? How can one person matter? Dillard searches for answers in a powerful array of images: pictures of bird-headed dwarfs in the standard reference of human birth defects; ten thousand terra-cotta figures fashioned for a Chinese emperor in place of the human court that might have followed him into death; the paleontologist and theologian Teilhard de Chardin crossing the Gobi Desert; the dizzying variety of clouds. Vivid, eloquent, haunting, *For the Time Being* evokes no less than the terrifying grandeur of all that remains tantalizingly and troublingly beyond our understanding. Stimulating, humbling, original--. [Dillard] illuminate[s] the human perspective of the world, past, present and future, and the individual's relatively inconsequential but ever so unique place in it.--Rocky Mountain News

The Sacred Conspiracy Georges Bataille,Roger Caillois,Pierre Klossowski,Michel Leiris.2017 Having spent the early thirties in far-left groups opposing Fascism, in 1937 Georges Bataille abandoned this approach so as to transfer the struggle onto the mythological plane, founding two groups with this aim in mind. The College of Sociology gave lectures attended by major figures from the Parisian intelligentsia - intended to reveal the hidden undercurrents within a society that appeared to be bordering on collapse. The texts in this book comprise lectures given to the College; essays from the *Acephale* journal and a large cache of the internal papers of the secret society of *Acephale*.

Last Night James Salter.2007-12-18 *Last Night* is a spellbinding collection of stories about passion--by turns fiery and subdued, destructive and redemptive, alluring and devastating. These ten powerful stories portray men and women in their most intimate moments. A lover of poetry is asked by his wife to give up what may be his most treasured relationship. A book dealer is forced to face the truth about his life. And in the title story, a translator assists his wife's suicide, even as he performs a last act of betrayal. James Salter's assured style and emotional insight make him one of our most essential writers. BONUS: This edition includes an excerpt from James Salter's *All That Is*.

Aesthetics and Politics Theodor Adorno,Walter Benjamin,Ernst Bloch,Bertolt Brecht,Georg Lukacs.2020-10-13 An intense and lively debate on literature and art between thinkers who became some of the great figures of twentieth-century philosophy and literature. With an afterword by Fredric Jameson No other country and no other period has produced a tradition of major aesthetic debate to compare with that which unfolded in German culture from the 1930s to the 1950s. In *Aesthetics and Politics* the key texts of the great Marxist controversies over literature and art during these years are assembled in a single volume. They do not form a disparate collection but a continuous, interlinked debate between thinkers who have become giants of twentieth-century intellectual history.

Story and Discourse Seymour Chatman.2019-06-30 For the specialist in the study of narrative structure, this is a solid and very perceptive exploration of the issues salient to the telling of a story--whatever the medium. Chatman, whose approach here is at once dualist and structuralist, divides his subject into the 'what' of the narrative (Story) and the 'way' (Discourse)... Chatman's command of his material is impressive.--Library Journal

Our Lady of the Flowers Jean Genet.1994-01-12 The shattering novel of underground life the *New York Times* called "a cry of rapture and horror . . . the purest lyrical genius." Jean Genet's debut novel *Our Lady of the Flowers*, which is often considered to be his masterpiece, was written entirely in the solitude of a prison cell. A semi- autobiographical account of one man's journey through the Paris demi-monde, dubbed "the epic of masturbation" by no less a figure than Jean-Paul Sartre, the novel's exceptional value lies in its exquisite ambiguity.

We Are Now Beginning Our Descent James Meek.2014-03-04 "[A] sharply observed meditation on modern war . . . as far from Tom Clancy's entertainments as a vintage Mini Cooper is from a snarling Hummer" (Alex Berenson, *The New York Times Book Review*). James Meek's masterful historical novel, *The People's Act of Love*, received accolades around the world, earning Meek comparisons to Tolstoy, Dostoyevsky, Conrad, and Greene. *We Are Now Beginning Our Descent* is a tour de force of storytelling, furthering his reputation as one of the most exciting and original young novelists writing today. Adam Kellas, a British journalist, would-be thriller novelist, and failed lover meets Astrid Walsh, a self-possessed, hard-charging reporter while the two are covering allied military operations in the Afghan mountains. After sharing one passionate night in a watchtower near a defunct airfield, Astrid disappears from Adam's life. A year later, following a disastrous dinner party in London during which he destroys his few remaining friendships, Adam receives a short, beseeching email and hastily embarks on a transatlantic journey to a small town near the Chesapeake Bay where he believes Astrid waits for him. He envisions the fresh start his new life with Astrid might offer, unaware that she may be harboring unsettling secrets of her own. A passionate, incisive novel, *We Are Now Beginning Our Descent* lays bare the entwined hypocrisies, foibles, and desires of our age, and is a testament to the obsessive pull of love. "I am full of admiration for Meek's precise and lyrical prose, for his mapping of the political landscapes through which his characters drift and for his evocation of the strange, torn geometries of the life in the global news stream." --*The Washington Post*

Iberia James A. Michener.2015-03-10 "Massive, beautiful . . . unquestionably some of the best writing on Spain [and] the best that Mr. Michener has ever done on any subject."--*The Wall Street Journal* Spain is an immemorial land like no other, one that James A. Michener, the Pulitzer Prize-winning author and celebrated citizen of the world, came to love as his own. *Iberia* is Michener's enduring nonfiction tribute to his cherished

second home. In the fresh and vivid prose that is his trademark, he not only reveals the celebrated history of bullfighters and warrior kings, painters and processions, cathedrals and olive orchards, he also shares the intimate, often hidden country he came to know, where the congeniality of living souls is thrust against the dark weight of history. Wild, contradictory, passionately beautiful, this is Spain as experienced by a master writer.
