The Essence and Effects of Tithes and Offerings Maxwell Kobina Acquah.2015-10-01 The Essence And Effects Of Tithes And Offerings Tithing and offering are two interesting subjects, which Christian denominations, religious bodies, and philosophers have different meanings and applications. While tithing and offering are certainly biblical concepts, some Christian churches, philosophers, and religious bodies teach that tithe is a command and offering is a sacrificial will of Christians, some also teach that these are not so. What does the Bible teach regarding tithing and offering under the New Covenant? In order to understand how tithing fits (or doesn't fit) into the life of a Christian or a religious person, we must first examine tithing as it was originally commanded, its purposes, and its meaning. Offering which sometimes interchangeably defined to be tithe, one needs to understand the meaning of sacrifice, free will, giving, and sharing. If I am to ask, how is GOD of the Old Testament or the prophets differ from the GOD of New Testament, or the apostles. Certainly this is not. So why are there many arguments of tithes and offerings? This book explains the spiritual, physical, psychological, and biblical principles of Tithing and Offering. A thorough analysis of tithes and offerings are considered with

biblical references and revealing testimonies. The spiritual and physical purposes of tithing, consequences of not paying or paying, the income and percentage pay, the New Testament application, attitude and time of tithing, and answers to most frequently asked questions and others that may leach in many people's mind are considered. It also outlines the most frequently asked questions on tithing, offerings, and giving.

Tithes, Offerings & First Fruits Mensa Otabil.2019-09-21 In Tithes, Offerings and First Fruits the author looks at the practice of giving in the kingdom of God and at the many forms that are mentioned in the Bible.This exploration will add to a Christian understanding of righteous stewardship and clarify much of the confusion and debate within the contemporary church.A major contribution of the book is Mensa Otabil's thoroughly researched and deeply scriptural explanation of tithing, and whether its application in the Old Testament remains relevant and important for New Testament believers.The book addresses some of the most instructive instances of giving, from Genesis through the New Testament, gleaned lessons about why various figures in the Bible gave, how they presented their offering, and how God responded to their gesture.

Tithes and Offerings: A Reasoned Biblical Study on Tithes and Offerings in the Church Fausto D'Amelio.2018-09-11 Did you ever ask yourself if God really wants tithes and offerings? And if so, how and how much do you have to give? The topic of the tithes and the offerings in the church is very important, for there is a lot of confusion about it. Within abuses from one side and absolute refusal from the other, the average christian sometimes doesn't know what to do and he passively follow the trend nearer to himself. With this book the author wants to reason on the Scriptures to let the Bible give an answer. At the end the reader will be able to make an informed personal choice and to correctly give to God according His will. In this book you will find the explanation of very used texts to justify the tithe, as the encounter between Abraham and Melchisedec or Malachi's prophesy/, and more. We are going to learn what to offer to God, how and also to whom give our offerings. This book is fundamental to avoid false teachings and, above all, to avoid to fall prey of unscrupulous people. Buy this book for yourself or give a copy to friends and relatives, because they could be protected from the abuses too and that they should understand what it means to give to God.

Questions and Answers on Tithes Michael Nwaduba.2009-01-29

Covenant Keeper's Weapon Apostle Dr. B. W. Makwakwa.2014-05-20 In my previous book, Giving to God Is an Investment, my emphasis was prophetically based on the auditorium to be built. In this book, I am now talking about the auditorium worth six point five million rand that was dedicated in 2005. With God all things are possible. Those who trust in him, their faces will not be covered by shame. Our auditorium veranda for

Xihlovo Cafeteria is only now complete recently. "For nothing is impossible with God". (Luke 1: 37) God has impressed in my heart that if we build capacity to contain we must as well build capacity to maintain. Capacity to contain requires finances to maintain the standard of work achieved. When we grow numerically, we should as well grow financially and spiritually. God is not only building our church but the all-sufficient one is building an institution. This is a large tree with a big shade where the weary, unwanted, rejected, abused, divorced, separated, misused, thirsty and hungry shall come and take refuge and find rest. This vision is unique in its kind; it cannot be compared with any other vision from somewhere. This is an institution to feed thousands of thousands; it is a hospital to the wounded. It is a university for those who want to excel in character-building and integrity - those whose hearts are after God's own heart, those who will serve him in holiness, righteousness, and purity of heart. It will not just be people ushered in but those who were touched by the holy conviction and brought by the Holy Spirit into his house. This is Mount Zion, the heavenly Jerusalem and the city of the living God. When you come, you come to the thousands upon thousands of angels in a joyful assembly, to the church of the first-born whose names are written in heaven. When you come, you come to God, the judge of all men, to the spirit of righteous men made perfect, to Jesus, the mediator of a new covenant and to the sprinkled blood that speaks a better word than the blood of Abel. See to it that you do not refuse him who speaks. If they did not escape when they refused him, who warned them on earth, how much less will we if we turn away from him who warns you from heaven? Hebrews 12: 22-25 As the Rector of Hardrock Academy of Leadership Training and Life Training College, I compelled to ask those who read this book to come to obedience of his commands, as you cannot become unless you come. Come and follow me as I follow Christ. It is a great experience to build the house of God. We have been tested, opposed and criticised, but the Lord has delivered us from all delaying spirits and Sanballats. There are differences in the body which are expressions of legitimate diversity, others are demoralising to those who do not know on how to master the art of spiritual warfare but to some they are church diving with its divergence and separations. We need to strategise a convergence of building in unison and Kingdom-mindedness, of having the mind of Christ, by building God's Kingdom and not our kingdoms. For thine is the Kingdom, the power and glory. (Matt. 6: 13)

Tithe and Offering- Where Pastors Err Prudence Akhadin.2006-03-01 The book is a research on the Biblical view of the subject: tithes and offerings. It examines the genesis of the tradition in the Old Testament and its legality in the New Testament Church. Tithe, offerings, and various teachings on giving in the present day Church are examined in the light of God's Word. Burdened with what she has seen, Prudence Akhadin carefully criticizes

the church's abandonment of the poor, revealing God's thought in respect of all forms of giving in the Church. The book clears age-long issues in Christendom in respect of the subject.

Beyond Tithes and Offerings Mitchell Webb.2017-03 Is it biblically sound to tithe money? In its 2nd edition, *Beyond Tithes & Offerings* (from On Time Publishing) answers this question by directly challenging the traditional teachings of monetary tithes and offerings! Continuing from the 1998 1st edition classic, this library of biblical facts will enable you to counter and nullify each and every one of the reasons provided by fellow Christians that promote traditional tithing. Get your copy today and arm yourself with these biblical truths. Most tithing Christians are sincere in their efforts to support the church through monetary tithing. However, hidden in the shadows of this traditional practice, many Christians have lost sight of their calling to love one another. They present various arguments to defend today's version of tithing which are many, very diverse, and sometimes contradictory. Nevertheless, we have known for years that these practices distort true Christian giving, which is centered on meeting the needs of the poor, as well as those that teach and preach the Word. 2nd Edition enhancements include: Opening and Closing Arguments - A fictional court case New chapter titled, Dispensations of Mankind New section titled, Test Me in This added to Tithing Defined New subsection titled, Do Tithers Receive a Spiritual Blessing? added to Tithing Defined New chapter titled, Freedom From The Curse New subsection titled, I Pledge to Give added to The Church Collection Added a Word Index All NIV passages have been updated from 1984 to 2011 And more ... Unlike other books, *Beyond Tithes & Offerings* is the complete reference manual on traditional tithing and corrects years of careless biblical misinterpretation of this practice. This is not the book you sell when you are finished. Instead, refer to it every time you come face-to-face with monetary tithing practices. Thank you for your interest and support. We look forward to seeing your Amazon.com review comments.

Bring these practical things home and put them to work. Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have used it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily

distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them. **Tithes and Offerings** Colleen E. Edwards.2015-04-29 This book is titled "Tithes and Offerings: An Act of Love" because that is exactly what we do when we honor God in our giving. It is an act of love and obedience to his Word.
