Funeral Homilies William J. Bausch.2009 Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.

When Sorrow Comes Melissa M. Matthes.2021-04-13 Since World War II, Protestant sermons have been an influential tool for defining American citizenship in the wake of national crises. In the aftermath of national tragedies, Americans often turn to churches for solace. Because even secular citizens attend these services, they are also significant opportunities for the Protestant religious majority to define and redefine national identity and, in the process, to invest the nation-state with divinity. The sermons delivered in the wake of crises become integral to historical and communal memory—it matters greatly who is mourned and who is overlooked. Melissa M. Matthes conceives of these sermons as theo-political texts. In *When Sorrow Comes*, she explores the continuities and discontinuities they reveal in the balance of state power and divine authority following the bombing of Pearl Harbor, the assassinations of JFK and MLK, the Rodney King verdict, the Oklahoma City bombing, the September 11 attacks, the Newtown shootings, and the Black Lives Matter movement. She argues that Protestant preachers use these moments to address questions about Christianity and citizenship and about the responsibilities of the Church and the State to respond to a national crisis. She also shows how post-crisis sermons have codified whiteness in ritual narratives of American history, excluding others from the collective account. These civic liturgies therefore illustrate the evolution of modern American politics and society. Despite perceptions of the decline of religious authority in the twentieth century, the pulpit retains power after national tragedies. Sermons preached in such intense times of mourning and reckoning serve as a form of civic education with consequences for how Americans understand who belongs to the nation and how to imagine its future.

Keep Believing: Finding God in Your Deepest Struggles (2019 Edition) Dr. Ray Pritchard. The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In *Keep Believing*, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that

the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in Keep Believing. You served God in the sunshine; will you now serve him in the shadows?

E. D. Very, Late Pastor of the Church Worshipping in That Place* In this inspired reasoning we see put in impressive contrast the frailty and weakness of man, and the might and majesty of the Lord God Omnipotent. It recognizes the universal ruin of man by sin, his consequent subjection to the power of death, and to the dominion of the grave; and proclaims his deliverance and restoration to the Divine favour, through the redemption which is in Christ Jesus. 52 Funeral Sermons Barry L. Davis.2013-05-05 For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

It Is Well with My Soul Harold T. Lewis.2018-12-19 Preachers at funerals differ in approach. Some see the purpose of the sermon to be eulogy, to heap so much praise that the deceased becomes unrecognizable to the mourners. Others regard praise of the departed as inappropriate, as it may detract from the praise of Almighty God, which they believe to be the sole purpose of all worship. Still others opt to say nothing at all, arguing that it is disingenuous for one person to be lying in the pulpit while another is lying in the nave. In this book of funeral sermons preached throughout his forty-year ministry, Harold Lewis offers Jesus' message of the sure and certain hope of the Resurrection--hope for the dead, hope for the church, and hope for the world in which we live, move, and have our being.

Power in the Pulpit Cleophus James LaRue.2002-01-01 In this book, scholar and preacher Cleophus J. LaRue brings together the voices of twelve of America's most influential African-American preachers. And the Sea Was No More George Reed.2020 I have been at too many funerals where the preacher talked extensively about the person without ever offering much in the way proclaiming our faith. At other times I have sat through intense reflections on biblical texts without having heard a word about the person whose funeral I was attending. These funeral sermons are written to proclaim a biblical message that addresses the mourners while also providing a celebration of the deceased. The proclamation portion is written with a place to put personal reflections about the deceased. These sermons are meant to be used in three different ways. The preacher can read the sermons and use bits and pieces to write their own sermon. In this way they serve as a place to start whether the sermon sparks a similar thought in the preacher or leads them to take an entirely different slant. The sermons can also be taken as is but tweaked to better fit the style and theology of the preacher. Use what can be used and change the rest. They can also be taken entirely as written with just the personal reflection added to make the celebration part speak to the mourners about the life they have come to grieve over and celebrate. These sermons tend to be short. I have found that with the personal reflection added they are a good length for a funeral service. They can certainly be expanded if the need is felt. If you read through these sermons and think, I can do better than that then I have done my job and I wish you well. However, as you use this resource I hope that it will be helpful in the very important ministry of proclaiming God's truth while also celebrating the life of one whose departure from this life is being grieved--
