For all the Amazon Kindle users, the Amazon features a library with a free section that offers top free books for download. Log into your Amazon account in your Kindle device, select your favorite pick by author, name or genre and download the book which is pretty quick. From science fiction, romance, classics to thrillers there is a lot more to explore on Amazon. The best part is that while you can browse through new books according to your choice, you can also read user reviews before you download a book. Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books. AvaxHome is a pretty simple site that provides access to tons of free eBooks online under different categories. It is believed to be one of the major non-torrent file sharing sites that features an eBooks&eLearning section among many other categories. It features a massive database of free eBooks collated from across the world. Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for. eBooks Habit promises to feed your free eBooks addiction with multiple posts every day that summarizes the free kindle books available. The free Kindle book listings include a full description of the book as well as a photo of the cover.
