La famiglia Papa Francesco.2014-11-19T00:00:00+01:00 «Vivere insieme è un arte, un cammino bello e affascinante», osserva Papa Francesco, e la famiglia è il luogo in cui ci si custodisce reciprocamente nella confidenza e nel rispetto, dove si impara a convivere nella differenza, ad appartenere ad altri e dove i genitori trasmettono la fede ai figli. Proprio per questo è particolarmente grave la «fragilità dei legami» che accompagna la crisi culturale profonda dell'istituto familiare. «Il matrimonio tende a essere vissuto come una mera forma di gratificazione affettiva che può costituirsi in qualsiasi modo e modificarsi secondo la sensibilità di ognuno», ma il contributo che esso dà alla società supera il livello dell'emotività e delle necessità contingenti della coppia. Attraverso messaggi, discorsi, omelie e conversazioni con sposi e fidanzati, Papa Francesco è ripetutamente intervenuto sul tema famiglia, sottolineando le nuove urgenze pastorali delle coppie che si separano e divorziano e ricordando che «se manca l'amore manca la gioia».

Omelie dell'anno liturgico 2009 narrato da Joseph Ratzinger, papa Pope Benedict XVI.2009

Homilies on Isaiah Origen.2021 Hans Urs von Balthasar places Origen of Alexandria "in rank . . . beside Augustine and Thomas" in "importance for the history of Christian thought," explaining that his "brilliance" has captivated theologians throughout history (Spirit and Fire, 1984, 1). This brilliance shines forth in his nine extant homilies on Isaiah, in which he employs his theology of the Trinity and Christ to exhort his audience to play their crucial role in salvation history. Origen reads Isaiah's vision of the Lord and two seraphim in Isaiah 6 allegorically as representing the Trinity, and this theme runs throughout the nine homilies. His representation of the seraphim as the Son and Holy Spirit around the throne of the Father brought early accusations that Origen was a proto-Arian subordinationist, followed by a pointed condemnation by Emperor Justinian in 553. These homilies, originally delivered between 245 and 248, are extant only in a fourth-century Latin translation. Though St. Jerome, likely because of these controversies, does not identify himself as the Latin translator, the evidence overwhelmingly points to his pen, and his reliability in conveying Origen's authentic meaning is well documented. If one sets aside the questionable charges of subordinationism, these homilies, expounding on passages from Judges 6-10, come alive with Origen's legacy of presenting Christ as the central figure of the soul's ascent to God. Reading allegorically the two seraphim to be Jesus and the Holy Spirit around the Father's throne, Origen draws a picture of the Trinity as a tightly knit whole in which the Son and the Holy Spirit eternally sing the Trisagion ("Holy, holy, holy") to each other and the Father about the divine truths of God's nature, allowing the part of their song that conveys the "middle things" of salvation history to be heard by creation. The "second seraph" is the Son, or Jesus, who descends holding a hot coal, or Scripture, from the altar of the throne, with which he cleanses Isaiah's lips, or the believer's soul. Origen employs his signature exegetical method of allegory and typology through the lens of the threefold meaning of Scripture to emphasize to his hearers that Christ is the deliverer, the content, and the reward of the healing Word. He repeatedly assures them that those who submit to Scripture will enter into salvation history's cycle of cleansing from sin, growth in virtue, and ever-deepening knowledge of God. As a result, they will become like Christ and thus will be prepared to join the Trinity for all eternity at the heavenly wedding feast.

L' Arte di vivere insieme Papa Francesco.2017-12-15T10:11:00+01:00 «Vivere insieme è un'arte, un cammino bello e affascinante», osserva papa Francesco, e la famiglia è il luogo in cui ci si custodisce reciprocamente nella confidenza e nel rispetto, dove si impara a convivere nella differenza, ad appartenere ad altri, e dove i genitori trasmettono la fede ai figli. Bergoglio ha assunto la famiglia come uno dei nodi nevralgici del suo pontificato, dedicandole un articolato e intenso percorso sinodale e l'esortazione apostolica «Amoris laetitia». Nelle parole del papa l'ideale cristiano del matrimonio si incarna sempre nella vita concreta delle persone, con uno sguardo rivolto alle realtà più fragili e ferite. Ogni famiglia può essere una luce che illumina il mondo, mostrando a una società smarrita nell'individualismo la bellezza e la forza contagiosa dell'amore «finché morte non ci separi».

Dogmatic Constitution on the Church .2000-11 The central document of the Second Vatican Council, *Lumen Gentium* was promulgated by Pope Paul VI on November 21, 1964. This document is the keystone of the Councils whole Magisterium. It focuses on the whole Church as a communion of charity. With it, according to John Paul II, the Second Vatican Council wished to shed light on the Church's reality: a wonderful but complex reality consisting of human and divine elements, visible and invisible.

Miei cari fratelli. Omelie anno A Camillo F. Pierbon.1995

Augustinianum : periodicum semestre .1990

The Life in Christ Nicolaus Cabasilas.1974 *The Life in Christ* by Nicholas Cabasilas is a remarkable product of Byzantium's last great flowering of theology. At a time when secular humanism was increasingly asserting man's complete autonomy, Cabasilas proclaimed that man's true life lies not in himself, but in Christ. For him, man's redemption in Jesus Christ is not just a matter of history, which can be elucidated simply by scholarly endeavor. It is a saving event in which man is called to participate here and now, in body and spirit as well as intellect, through the sacramental life of the Church. The present translation makes this devotional classic available for the first time in English, while the extensive introduction by Boris Bobrinsky assesses its place within the history of eastern spirituality.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Le donne nella storia europea Gisela Bock.2023-04-07T00:00:00+02:00 Un excursus affascinante sulle condizioni della vita e del lavoro femminile in Occidente dal Medioevo a oggi. Affascinante anche perché, come disse Theodor Fontane: «Non vedo perché ci si debba sempre occupare degli uomini e delle loro battaglie; di solito la storia delle donne è molto più interessante». Giulia Borgese, *Io Donna - Corriere della Sera* Nel quadro di una storia culturale delle relazioni fra i sessi, Gisela Bock descrive la situazione di vita, di lavoro e giuridica delle donne europee dal Medioevo a oggi, i loro ideali e le loro realtà, la loro faticosa lotta per i diritti civili, politici e sociali. E getta uno

sguardo colto e appassionato su uno dei più importanti temi della storia europea. Donne e libertà: la storia lunga mezzo millennio di una ricerca contrastata e difficile.

Gli eretici d'Italia... Cesare Cantù.1865

Gli Eretici d'Italia discorsi storici di Cesare Cantù .1866

SPETTACOLOPOLI Antonio Giangrande. E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta..." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso..." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

La religione in Dante Camillo Boltri.1918

Memorie da due mondi Daniela David,Manuela Cedarmas.2018-11-28 La vita straordinaria di una donna nata in Cile e vissuta nell'Italia fascista, sfuggita, per un funambolico equilibrio della fortuna, ai massacri della dittatura argentina. Narrata come il lascito di memoria di una formidabile novantenne, la biografia ripercorre la nascita di Stelita a Valparaíso, in Cile, l'infanzia nell'Italia del regime tra un collegio di suore e l'altro, l'università a Urbino durante la guerra, il matrimonio in Inghilterra con un soldato polacco, l'approdo nell'Argentina peronista degli anni Cinquanta. Un percorso itinerante che sembra fermarsi nella grande Buenos Aires, ma che sarà squarciato dalla repressione del regime militare. La persecuzione dei sacerdoti terzomondisti e la scomparsa di amici e persone a lei molto vicini la portano a tentare allo stremo una fuga che si rivelerà tanto surreale quanto salvifica, verso, per ironia della sorte, il Cile del dittatore Augusto Pinochet. Lo straniamento vissuto in Cile la condurrà ancora in Italia e poi verso Cuba, Messico, Panama, a vivere insieme a famiglie di esuli argentini, militanti del movimento Montoneros. Mentre in Argentina torna la democrazia, Stelita è di nuovo in Italia, prima di tornare per l'ultima volta dove tutto era cominciato, in Cile. Una storia straordinaria raccontata in punta di penna, omaggio, oltre che alla sua figura anticonvenzionale di donna, ai desaparecidos di tutte le Argentine. "La storia personale della protagonista di questo libro è un chiaro riflesso del fatto che il lavoro per la Memoria, la Verità e la Giustizia non conosce frontiere". (Estela de Carlotto) "La vita di Stelita è stata avventurosa, intrigante, ricca di episodi e avvenimenti. Ma con tanta sofferenza e resistenza, per vicende storiche, politiche e personali di cui è stata protagonista". (Riccardo Noury) "Di Stelita si apprezzava il calore e la cordialità della comunicazione; il garbo, finezza e gentilezza di un'antica educazione; la vivacità e apertura intellettuali; l'impegno politico e umanitario; la profondità spirituale". (Maria Cristina Bartolomei)

Rivisteria .1992

The Way of Love Livio Melina, Carl Anderson. 2010-09-17 In response to Benedict XVI's first encyclical, the Pontifical John Paul II Institute for Studies and Marriage and Family reflects, together with the Holy Father, on love. From the very beginning, the fundamental work of the Institute has been pursuing a deeper understanding of God's plan for marriage and family. In these twenty-five years various generations of students and professors, following the legacy of John Paul II, have been able to discover and communicate the beauty of the vocation for which all men have been created: the call to love. Twenty-six professors from the Institute's various sessions express what in their understanding are the main themes of the document, approaching the topics raised by the Holy Father with different theological and philosophical perspectives; by so doing they have highlighted the significance and fecundity of the lines of thought suggested by the Pope. This book is offered as a path towards a fuller understanding of the profundity and richness of the love with which God fills us and wants us to communicate in our turn.

Decoding **Amore Come Liberta Omelie Sul Matrimonio**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Amore Come Liberta Omelie Sul Matrimonio**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
