Growing Plants for Hawaiian Lei .2002 Almost everyone loves a lei--the making, giving, receiving, and wearing of the lei is a cherished Hawai'i tradition recognized worldwide. With the renaissance in Hawaiian culture sweeping the islands, growing plants that provide lei materials can be a source of pride and pleasure for the home gardener, an economic opportunity for green-thumb entrepreneurs, and can reduce gathering pressure on the few precious remaining areas of native Hawaiian vegetation. This book contains information on growing 85 plants that can provide flowers or foliage for lei. Some are traditionally used native species; others are relatively new introductions with a potential place in the lei industry. In addition to the 170 pages detailing the plants, sections of the book provide useful basic plant production information and helpful tips for anyone wishing to get into the lei material business in a small or large way. In a special section written for this book, two experts on Hawaiian tradition and native Hawaiian plants explain the spiritual and cultural significance of the lei and lei making in ancient Hawai'i. These authors highlight the ancient Hawaiian conservation ethic and concept of sustainable agriculture, a revival of which could help preserve the islands' threatened native ecosystems. This book is a must-have for anyone wanting to help preserve Hawai'i's plant and cultural heritage!

The Complete Guide to Writing Effective College Applications & Essays for Admission and

Scholarships Kathy Lynn Hahn, Colleen M. Loew. 2009-11-10 Book & CD-ROM. Applying to college can be one of the most stressful times in a student's life. Not only are you faced with the task of finding the perfect school for you, but you also have to find scholarships to be able to go to the school you want. These two intertwining obstacles require a lengthy application and a seemingly perfect essay. The essay topic is crucial to demonstrate your values, creativity, and depth of knowledge, and the writing is important because it reflects your power of persuasion, organisational skills and style. This book will teach you how to write effective applications and essays for college admissions and scholarships, helping shoulder some of the weight of applying. This guide provides you with all the tools you need to complete your application and write a winning essay. You will learn how to choose a topic, keep your focus narrow and personal, edit and revise, tweak essays to use them on various applications, choose your tone and structure, avoid the common pitfalls, and how to overcome writer's block. The guide has sample essays and essay questions, and even examples of the essays specific colleges use. You will find those samples on the companion CD-ROM, along with brainstorming exercises and sample applications. Admissions officers have chimed in with their expertise to provide insider information on how to compose impressive applications and essays for admission and scholarships.

The Road to Writing Sue Cowley. 2012-11-02 The Road to Writing takes early years practitioners on a journey; the journey young children make when they learn their first words and make their first

marks. Sue Cowley offers activities and practical advice to inspire practitioners to try a wide range of creative approaches to improve mark making in the early years. There are ideas for building finger strength and eye-to-hand coordination, activities to help children to understand the concept of symbols and signs, and strategies for building confidence in writing and reading. You can find your way through the book by following the signposts and you'll find plenty of interesting diversions along the way to develop children's key skills and motivation. This accessible book includes bulleted lists, photographs of children writing and examples of early marks to illustrate how children's communication skills develop. Sue also gives tips on getting boys engaged in writing, and there is a companion website with downloadable resources and useful links. This book is an invaluable source of inspiration for all early years practitioners and parents of children aged 3-7.
