*Dictionnaire basque-français (Tome 2 : K-Z)* Pierre Lhande.2019-01-29 En 1926, l'abbé Pierre Lhande faisait paraître son dictionnaire basque-français, monumentale œuvre de près de 1200 pages, qui devait être suivi d'un dictionnaire français-basque qui ne vit jamais le jour. L'ouvrage était devenu introuvable. En voici une nouvelle édition, en fac-similé, basée sur l'édition originale, proposée en deux forts volumes de près de 600 pages chacun. Pierre Lhande (1877-1957), né à Bayonne. Jésuite, il doit s'exiler en 1901 d'abord en Espagne puis revient en France où, ordonné prêtre en 1910, il inaugure la prédication radiophonique (1927-1934) puis, s'intéressant aux plus déshérités, il redevient missionnaire dans les banlieues, en quelque sorte précurseur de l'abbé Pierre. On lui doit nombre d'écrits religieux, divers romans régionalistes (Mirentchu, les Mouettes, le Moulin d'Hernani, Yolanda) ainsi que des essais : Autour d'un foyer basque, L'Emigration basque, Le Pays basque à vol d'oiseau.

These two comprehensive reference works were highly praised by critics and well received by the public. Prepared by two scholars of the Basque language, this streamlined volume is an indispensable aid for students, travelers, and those who need to translate quickly between Basque and English. The unified Batua dialect is emphasized.

Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic. Our comprehensive range of products, services, and resources includes books supplied from more than 15,000 U.S., Canadian, and U.K. publishers and more. Don't forget about Amazon Prime! It now comes with a feature called Prime Reading, which grants access to thousands of free ebooks in addition to all the other amazing benefits of Amazon Prime. And if you don't want to bother with that, why not try some free audiobooks that don't require downloading? LibriVox is a unique platform, where you can rather download free audiobooks. The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPods, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete. It would be nice if we're able to download free e-book and take it with us. That's why we've again crawled deep into the Internet to compile this list of 20 places to download free e-books for your use. It's disappointing that there's no convenient menu

that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. Services are book distributors in the UK and worldwide and we are one of the most experienced book distribution companies in Europe. We offer a fast, flexible and effective book distribution service stretching across the UK & Continental Europe to Scandinavia, the Baltics and Eastern Europe. Our services also extend to South Africa, the Middle East, India and S. E. Asia. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories.
