And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

"BEST NONFICTION BOOK OF THE 20TH CENTURY." —Time "It is impossible to name a book that had a greater effect on the political and moral consciousness of the late twentieth century."

—David Remnick, The New Yorker The Nobel Prize winner's towering masterpiece of world literature, the searing record of four decades of terror and oppression, in one abridged volume (authorized by the author). provided by more than 200 fellow prisoners, and on Soviet archives, Solzhenitsyn reveals with torrential narrative and dramatic power the entire apparatus of Soviet repression, the state within the state that once ruled all-powerfully with its creation by Lenin in 1918. Through truly Shakespearean portraits of its victims—this man, that woman, that child—we encounter the secret police operations, the labor camps and prisons, the uprooting or extermination of whole populations, the “welcome” that awaited Russian soldiers who had been German prisoners of war. Yet we also witness astounding moral courage, the incorruptibility with which the occasional individual or a few scattered groups, all defenseless, endured brutality and degradation. And Solzhenitsyn’s genius has transmuted this grisly indictment into a literary miracle. “The greatest and most powerful single indictment of a political regime ever leveled in modern times.” —George F. Kennan “Solzhenitsyn’s masterpiece. . . . The Gulag Archipelago helped create the world we live in today.” —Anne Applebaum, Pulitzer Prize-winning author of *Gulag: A History*, from the foreword

Confronting Terrorism M. Maroof Raza.2009 The attacks on Mumbai on 26 November 2008 brought home to Indians the full horror of terrorism. It also brought home, quite literally, the change in the contemporary face of war. War today is no longer confined to battle fields; it is right here. How is India equipped to deal with this menace which has been described as an 'ultramodern, and a very traditional, conspiracy'? In this collection of essays, nine eminent experts-strategic analysts and military historians-examine, among other issues, the capacity of India's police and paramilitary forces to deal with well-equipped, meticulously planned terror attacks, the army's ability to transform its 'reactive mode' to a more proactive approach and the complex dynamics of the nuclear terror threat. And, the big question, if elements within the Pakistani establishment are involved in the threat to India, what is the most effective way for the Indian state to respond? This collection illuminates one of the most burning issues facing Indians today.
